# SUDAN'S WAR

A Story of  
Colonialism,  
Betrayal &  
Deception

Two full years since the Jewish entity's war  
on the proud Gaza 2023-2025

## Opening Statement

The condition of our Islamic Ummah is worsening even though people of awareness, be they Muslims or non-Muslims, are rising up by the day to condemn and protest the plights of the people of Gaza, Palestine and Sudan, bringing more and more awareness to the atrocities being committed on a daily basis. People of conscience are demanding the end of genocide and destruction from their governments and calling upon them to stop 'Israel' and the US from continuing this mass extermination of human lives and the erasure of an entire population from the geography of Palestine, as well as the end of the warring militias in Sudan.

What has been largely overlooked by mainstream media is the ongoing bloodshed in Sudan. Horrifying measures are taken to push for the further fragmentation of Sudan, especially the call for a new independent Darfour state and other carved out entities from the main state to form more statelets. All this and more, the people of Sudan suffer from malnutrition, disease, assault and military attack from the conflicting factions while pushing their own vindictive agendas.

The oppression in which onlookers have witnessed is beyond any shadow of doubt. Protesters all around the world are standing up for human lives and demanding the end of bloodshed and war. Yet the calls failed to stimulate or incite the mobilization of the Muslim armies who also failed to break away from the shackles of their agent-regimes. It is here we see the risks and passionate calls of the common people who demand the end of the genocide in Palestine and Sudan.

In this issue of Mukhtarat Magazine, the Women's Section of Hizb ut Tahrir in Wilayah Sudan organized a global campaign for the ongoing war in Sudan highlighting the various events to bring awareness against the dangerous implementation of the new Blood Borders, public events calling to thwart the attempts to fragment Sudan into smaller weakened statelets and calls to end the bloody war that brought destruction upon destruction to the people of Sudan. In addition, this issue highlights the mass events held by Hizb ut Tahrir in various regions in the world for the call to support Gaza from press conferences to public marches to protests.

Let us whole-heartedly pray to Allah (swt) to awaken the still hearts and minds of the remaining people of influence to rise and hold those able to account, the people of authority and power to band together and march forth to liberate the occupied and war-torn Ummah with their sophisticated military expertise and weapons, and those who still believe that hollow words from international agencies will free our Ummah from the deep aggression of the colonialists against our brothers and sisters. Here they will taste the sweet reward from Allah (swt) in this world and the Hereafter. Indeed, Allah is Capable of this.

## The Women's Section in the Central Media Office of Hizb ut Tahrir Launch an International Campaign: "Sudan's War: A Story of Colonialism, Betrayal & Deception"

Press Release

(Translated)

*The brutal conflict in Sudan between the Sudanese Armed Forces (SAF) led by de factor ruler of Sudan, General Abdel Fattah al-Burhan, and the paramilitary Rapid Support Force (RSF) headed by Mohamed Hamdan Dagalo (Hemedti), previously al-Burhan's deputy in the Sovereignty Council, has now entered its third year, claiming the lives of tens of thousands of civilians. Some estimates put the death toll in this senseless war as high as 150,000, with heinous atrocities committed by both sides, including cold-blooded executions, torture, mass rapes and other sexual crimes against women and girls. Ethnic cleansing has also been reported, with entire communities set ablaze and destroyed, and mass killings in various towns, villages and displacement camps. UN Human Rights Chief, Volker Turk, stated that "The horror unfolding in Sudan knows no bounds". The conflict has also triggered the largest humanitarian crisis globally, with more than fourteen million displaced, giving rise to the largest displacement crisis in the world. Additionally, half the population of 50 million faces hunger, with The World Food Program confirming that there is famine in 10 locations, including the Zamzam camp, home to 400,000 displaced persons, and warning that it could spread further, putting millions at risk of starvation, and triggering the "world's largest hunger crisis". Both sides have used hunger as a weapon of war by blocking the entry of food into areas held by the other. UNICEF Executive Director, Catherine Russell described the humanitarian disaster in Sudan as, "not just a crisis, it is a poly-crisis affecting every sector, from health and nutrition to water, education and protection."*

However, the bloodbath and humanitarian catastrophe resulting from this conflict has not received the global attention and international media coverage that it deserves, nor have serious efforts been undertaken to end the bloodshed. It is a war that has been sidelined, forgotten or even ignored due to conflicts in other parts of the world - and described as "an invisible and hidden crisis". Therefore, the Women's Section in the Central Media Office of Hizb ut Tahrir have launched a global campaign to bring an international spotlight on the deteriorating humanitarian disaster and horrendous scale of suffering, terror, and indignity afflicting the people of Sudan. The campaign, entitled: "Sudan's War: A Story of Colonialism, Betrayal & Deception", will also address the politics and hidden agendas behind this current conflict, as well as the regional and international states involved in instigating and sponsoring the war for their own selfish political and economic interests, hoping to gain from the rich resources and huge geopolitical importance of Sudan. The campaign will also explain the history of Sudan and the factors, including colonial interventions in the land and the rule by western implanted dictatorships, that laid the foundation for tribal,

ethnic and religious divisions between its people which triggered the various wars that have ravaged the country for decades, as well as caused the economic failure of the state.

And finally, the campaign will highlight how Sudan's political, economic, and social problems, as well as this current conflict can never be solved by a Democratic system that has proven unable to effectively secure the needs of people in lands across the world, as well as stood idle or even been complicit in various genocides, including in Gaza, Kashmir, Myanmar and Syria. Rather, the countless problems that Sudan and the rest of the Muslim world faces, can only be solved under the laws, systems, and institutions of the Khilafah (Caliphate) State which has proven historically its ability to create prosperity, progress and first-class health care and education systems as well as ensure harmony between those of different tribes, ethnicities and religious beliefs to build a successful and stable state.

So many of Sudan's current problems can be seen as an absence of Islamic civilisation in the world and in the region. There is a direct correlation with human suffering. However, the future can be positive. It is not a false dream to think of Islam and the Khilafah (Caliphate) State as a solution. Rather it should be a real aspiration.

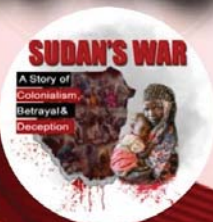

Yet the arrival of Allah's Messenger changed that. Islam was established as a system. The mercy spread from there. And Allah (swt) reminded us to hold to Islam - the Rope of Allah - and not to be divided.

# America is Accelerating its Plan to Separate the Darfur Region There is No Solution Except by Making the Unity of the State a Vital issue

(Translated)

*Since the Trump administration took over the Sudan file after assuming power in January 2025, it has been leading military and political action in Sudan, pushing for the separation of the Darfur region. On Wednesday, 26/3/2025, the army recaptured Khartoum. Al-Burhan declared from the Republican Palace, "Khartoum is free and the matter is over." Military action accelerated, removing the Rapid Support Forces (RSF) from central Sudan, including the states of Al-Jazirah, Sennar, White Nile, and Blue Nile. The Rapid Support Forces thus shrank, tightening their grip on areas in the Kordofan region bordering Darfur, and on the entire Darfur region, with the exception of a portion of the city of El Fasher, which has been under siege for more than a year. This reality, which is summarized in the army's control of northern, central, and eastern Sudan, and the RSF control of Darfur and parts of Kordofan, effectively means separating the Darfur region by demonstrating that Sudan is divided into two separate entities*

Although it was previously announced that military forces would be mobilized to lift the siege on El Fasher and eliminate the Rapid Support Forces, which were at their weakest, as Al-Quds Al-Arabi reported on 19/2025/4/: (The latest field developments indicate the advance of huge military forces from the army and the joint force, starting from the city of Ad-Daba, in the north of the country, to lift the siege and advance towards the city from another axis), this did not happen. Rather, the RSF expanded into Kordofan and announced the targeting of the strategic city of Al-Obeid!

As for the political actions, the most prominent of them is the announcement by the RSF, from the capital of South Darfur State, Nyala, on Saturday 26/2025/7/, of the formation of a parallel government; a Sovereignty Council, a Council of Ministers, and state governors, paving the way for the tearing of the country apart, and separating the Darfur region. When we add to that the racist discourse in the political circle, and the daily reproduction of militias on regional, tribal, or local bases, and the making of power quotas on racist bases, then we are faced with a complete plan, targeting the unity of what remains of Sudan, starting with the separation of Darfur!

America is proceeding in its separation of the Darfur region in the same manner that it followed in its separation of South Sudan. In Darfur, it inherited the legacy of armed groups created by the British and Europeans, which paved the way for the separation process through armed rebellion against the state, talk of grievances, claims of marginalization, social injustice, and regional and ethnic demands for power and wealth. This is just as it did in South Sudan, where it brought John Garang and his men, and placed them at the head of the rebel groups created by the British and Europeans, and pushed them into armed rebellion against the state for decades! Now

America is repeating the same scene in the Darfur region, placing its spoiled son, the Rapid Support Forces, at the head of the armed movements of Darfur, to separate Darfur with its own men, not with the men of the British and Europeans who had previously created the rebellion against America's man (Omar al-Bashir).

America, which previously separated South Sudan, as Al-Bashir said in a press conference in Khartoum in January 2012: "America was behind the division of Sudan to achieve its interests in oil and weaken the country." He even went further and said in an interview with the Russian Sputnik Agency on 25/2017/11/: "We have information about America's efforts to divide Sudan into five countries, and America has recently acted alone and destroyed the Arab world."

Indeed, America is seeking to reshape and re-formulate the Middle East region, according to the map of blood borders, drawn up by retired General Ralph Peters, inspired by the ideas of the Jewish intelligence officer Bernard Lewis, who is described as the godfather of dividing the Middle East, by dividing the divided and fragmenting the fragmented Muslim lands. According to his claim, he wants to correct the borders of Sykes-Picot and others, which were drawn by the opportunists Europeans, as he describes them. Changing the borders requires redrawing them with the blood of hundreds of thousands of people in order to produce countries that split and reproduce from the womb of the currently existing national states. This is what he stated in his article accompanying the new maps, which was published by the American Armed Forces magazine (Armed Forces - July 2006 issue). To promote the idea of separating Darfur by forming two governments, particularly among civilian forces affiliated with the British, the United States Institute of Peace held a workshop in Nairobi in April 2024, with

the participation of political and civilian forces opposed to the war. The institute concluded at the workshop that the existence of two governments in Sudan would reduce the intensity of fighting and open the way to the negotiating table! (Asharq Al-Awsat, 42025/8/).

### **O our People of Sudan:**

America, which separated South Sudan, is now returning to tear apart Darfur. If you deal with this issue with the same approach you used to address the issue of South Sudan, then its plan to divide Sudan into five countries, whose borders will be drawn with your blood and the blood of your children, will inevitably happen. This is a clear loss in this world and the next.

People and nations have vital issues for which they must take life-or-death measures. You, the people of Sudan, are Muslims, testifying that there is no god but Allah and that Muhammad is the Messenger of Allah. The Islamic belief has defined your vital issues for you, and you must take only one course of action: either life in its shadow or death for its sake. Among these vital issues is the unity of the Ummah and the unity of the state, as Islamic law has defined the issue and the action.

This is evident in two issues: First, the issue of multiple caliphs, and second, the issue of rebels. It was narrated on the authority of Abdullah ibn Amr ibn al-As that he heard the Messenger of Allah (saw) say:

«وَمَنْ بَايَعَ إِمَامًا فَأَعْطَاهُ صَفَقَةً يَدِهِ وَهَمْرَةً قَلْبِهِ فَلْيُطْعَهُ إِنْ اسْتَطَاعَ، فَإِنْ جَاءَ آخَرُ يُنَازِعُهُ فَاضْرِبُوا عُنُقَ الْآخَرِ»

“Whoever pledges allegiance to an imam, giving him the clasp of his hand and the fruit of his heart, let him obey him if he is able. But if another comes to dispute him, then strike off the neck of the other.” Abu Sa’id Al-Khudri reported that the Messenger of Allah (saw) said:

«إِذَا بُويعَ لِخَلِيفَتَيْنِ فَأَقْتُلُوا الْآخَرَ مِنْهُمَا»

**“If allegiance is given to two caliphs, then kill the latter of them.”**

Thus, he made the unity of the state a vital issue when he forbade multiple caliphs and ordered the killing of anyone who attempted to create multiple caliphates within the caliphate, i.e., the entity of the state, unless he retracts his action. 'Urfajah said: I heard the Messenger of Allah (saw) say:

«مَنْ أَتَاكُمْ وَأَمْرُكُمْ جَمِيعٌ عَلَى رَجُلٍ وَاحِدٍ يُرِيدُ أَنْ يَشَقَّ عَصَاكُمْ أَوْ يَفَرِّقَ جَمَاعَتَكُمْ فَأَقْتُلُوهُ»

**“Whoever comes to you while your affairs are united under one man, wanting to split you or divide your community, then kill him.”** Thus, he made the issue of the unity of the ummah and the state a vital issue, forbade dividing the community and ordered the killing of anyone who attempted to do so unless he retracts his action.

As for the rebels, Allah (swt) says:

﴿وَإِنْ طَائِفَتَانِ مِنَ الْمُؤْمِنِينَ اقْتَتَلُوا فَأَصْلَحُوا بَيْنَهُمَا فَإِنْ بَغَتْ إِحْدَاهُمَا عَلَى الْأُخْرَىٰ فَقَاتِلُوا الَّتِي تَبْغِي حَتَّىٰ تَفِيءَ إِلَىٰ أَمْرِ اللَّهِ فَإِنْ فَاءَتْ فَأَصْلَحُوا بَيْنَهُمَا بِالْعَدْلِ وَأَقْسِطُوا إِنَّ اللَّهَ يُحِبُّ الْمُقْسِطِينَ﴾

**“And if two groups of believers fight each other, then make peace between them. But if one of them transgresses against the other, then fight against the transgressing group until they are willing to submit to the rule of Allah. If they do so, then make peace between both groups in all fairness and act justly. Surely Allah loves those who uphold justice”** [Al-Hujurat: 9].

This is because whoever has been proven to be the Imam of the Muslims, i.e. whoever has been proven to be the Caliph of the Muslims, it is forbidden to rebel against him, because rebelling against him would lead to division among the Muslims, the shedding of their blood, and the loss of their wealth, due to the saying of the Prophet (saw):

«مَنْ خَرَجَ عَلَىٰ أُمَّتِي وَهُمْ جَمِيعٌ فَأَقْتُلُوهُ كَاتِبًا مَنْ كَانَ»

**“Whoever rebels against my Ummah while they are united, kill him, whoever he may be.”** So, these rebels against the Imam are rebels who are to be asked to repent and their doubts are to be removed. If they persist, they are to be fought.

By preventing the multiplicity of states, preventing rebellion against them, and preventing division within the Ummah, the unity of the state and the unity of the Ummah were among the vital issues, because the Lawgiver (swt) made the action towards them a life-or-death action. Whoever does it either refrains or is killed. The Muslims implemented that, and they considered it one of the greatest and most dangerous matters, and they did not tolerate it from any Muslim, whoever he may be. This is the ruling of Allah (swt), so take action against the hypocrites and agents, and foil America's plan to separate Darfur, so that you may please Allah (swt), your Creator and Provider, and spare the blood of your children, and stop the plan to tear apart your country.

### **O our people of Sudan:**

This is a pivotal moment in your history. Rise up as one man to thwart this conspiracy. You are capable of doing so if you seek help from Allah and put your trust in Him truly and ask your sincere sons, the people of power and protection, to restore your authority, which has been usurped by the agents and hypocrites who serve the kaffir West and its criminal projects. This can only be achieved by granting their support to Hizb ut Tahrir, which is aware of the conspiracies of the kaffir West, its plans, methods, and men, and is aware of the great ideology of Islam as a system of life. So, rise up, O Muslims, to obey Allah and for the good of this world and the hereafter. Allah (swt) says:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

## Speech by the Official Spokesperson of Hizb ut Tahrir in Wilayah of Sudan at the Press Conference on Saturday, 22 Safar 1447 AH corresponding to 16/2025/08/ CE, entitled: "A Call to the People of Sudan... Grasp onto Darfur So It Does Not Join the South"

Press Release

(Translated)

*On Saturday, 26/7/2025, the Rapid Support Forces (RSF) announced the formation of a parallel government to the existing government in Sudan, in the capital of South Darfur (Nyala). This step by the RSF is an advanced step in separating the Darfur region, which it controls, except for parts of the city of El Fasher, which a stifling siege has been imposed on it for more than a year, and launches successive raids on it to topple it, so that the entire Darfur region will be under its control.*

### O our People of Sudan:

America's process of separating Darfur began years ago. It also held the South Sudan file until it was seceded from the North. Now, it is proceeding with the same scenarios that separated the South, in order to separate Darfur. It practically began this by signing the so-called peace agreement on 14 July 2011, in which it granted the Darfur region expanded autonomy. The issue of autonomy will always be the true beginning of the process of fragmentation. Although it, i.e., America, engineered this agreement, it did not consider it a final agreement. At the time, the State Deputy Department spokesman, Mark C. Toner, stated after the signing of the agreement: "This agreement is a positive step forward on the road toward a lasting solution to the crisis in Darfur."

What confirms that America is the one who separated South Sudan and is seeking to tear apart what remains of Sudan are the statements of Omar al-Bashir, in his interview with the Russian Sputnik Agency, published on 25/2017/11/, where he said: "The issues of Darfur and South Sudan found support and backing from America, and under its pressure, South Sudan was separated," and he added: "We now have information that the American effort is to divide Sudan into five countries," which confirms that America is the one that separated South Sudan, and is now seeking to separate Darfur.

If it succeeds - Allah forbid - it will tear apart the rest of the regions of Sudan one by one, and it will do so to draw the borders of five countries in your country with your blood and the blood of your children, as it did before by separating the south with the blood of 2 million of your people, and as it is doing now to separate

Darfur with the blood of hundreds of thousands of you. So, rise up, O people of Sudan, to thwart the plan, eradicate the agents and hypocrites, and correct the course of your lives.

### O People of Sudan:

A believer is not stung twice from the same hole. We were stung from America's hole by separating South Sudan. Will we allow it to separate Darfur? Al-Bukhari and Muslim narrated on the authority of Abu Hurairah, may Allah be pleased with him, that the Prophet (saw) said:

«لَا يُلْدَغُ الْمُؤْمِنُ مِنْ جُحْرٍ وَاحِدٍ مَرَّتَيْنِ»

"A believer is not stung twice from the same hole."

No country would allow its territories to be torn apart, because in unity there is strength, and in division there is weakness and humiliation. So how can we allow this when Islam has made the issue of the unity of the ummah and the unity of its entity a vital issue, one that requires life-or-death measures? On the authority of Urfajah, he said: I heard the Messenger of Allah (saw) say:

«مَنْ أَتَاكُمْ وَأَمْرُكُمْ جَمِيعٌ عَلَى رَجُلٍ وَاحِدٍ، يُرِيدُ أَنْ يَشَقَّ عَصَاكُمْ، أَوْ يُفَرِّقَ جَمَاعَتَكُمْ، فَاقْتُلُوهُ»

"Whoever comes to you while your affairs are united under one man, wanting to split your unity or divide your group, then kill him."

### O Muslims:

How can you remain silent about the fragmentation of your country and not take action, and not make the unity of your country a vital issue, as your Prophet (saw) commanded you? Whom do you obey? Will you obey America, the kaffir (disbelieving) colonialist, or your beloved Al-Mustafa (saw)? Allah (swt) says:

﴿وَمَا آتَاكُمُ الرَّسُولُ فَخُذُوهُ وَمَا نَهَاكُمْ عَنْهُ فَانْتَهُوا وَاتَّقُوا اللَّهَ إِنَّ اللَّهَ شَدِيدُ الْعِقَابِ﴾

*“Whatever the Messenger gives you, take it. And whatever he forbids you from, leave it. And fear Allah. Surely Allah is severe in punishment”* [Al-Hashr: 7]. Allah (swt) says:

﴿وَأَطِيعُوا اللَّهَ وَأَطِيعُوا الرَّسُولَ وَاحْذَرُوا فَإِن تَوَلَّيْتُمْ فَأَعْلَمُوا أَنَّمَا عَلَى رَسُولِنَا الْبَلَاغُ الْمُبِينُ﴾

*“Obey Allah and obey the Messenger and beware! But if you turn away, then know that Our Messenger’s duty is only to deliver ‘the message’ clearly”* [Al-Ma’idah: 92].

O Media Personnel:

Your mission is immense: to raise awareness of the people of the dangers of fragmentation. Make your pens and media institutions a platform for awareness, exposing the schemes of the colonial kuffar and their agents, who help them implement their conspiracies against our country and its unity. You are trustworthy in speaking the truth and standing against falsehood. Allah (swt) says:

﴿قُلْ جَاءَ الْحَقُّ وَمَا يُبْدِيُ الْبَاطِلُ وَمَا يُعِيدُ﴾

*“Say, ‘The truth has come, and falsehood will vanish, never to return’* [Saba: 49].

O Politicians:

Preserving the unity of the country is your primary responsibility, as leaders, chieftains, and the leaders of the people. Your standing against the projects of fragmentation and division is the protection. Do not be helpers of the kaffir colonizer, lest he carry out his conspiracies through you. Allah (swt) says:

﴿وَلَا تَرْكَبُوا إِلَى الَّذِينَ ظَلَمُوا فَتَمَسَّكُمُ النَّارُ وَمَا لَكُم مِّن دُونِ اللَّهِ مِن أَوْلِيَاءَ ثُمَّ لَا تُنصَرُونَ﴾

*“And do not be inclined to the wrongdoers or you will be touched by the Fire. For then you would have no protectors other than Allah, nor would you be helped”* [Hud: 113].

O Scholars, O Heirs of the Prophets:

Your responsibility to guide leaders and rulers toward truth and righteousness is great. Do not be their pawns, issuing fatwas as they please, and do not remain silent about speaking the truth,

regardless of the consequences. The Prophet (saw) said:

«مَنْ كَتَمَ عِلْمًا أَلْجَمَهُ اللَّهُ يَوْمَ الْقِيَامَةِ بِلِجَامٍ مِّن نَّارٍ»

*“Whoever conceals knowledge, Allah will bridle him on the Day of Resurrection with a bridle of fire.”* You know that forsaking the unity and integrity of the Ummah is a grave sin.

O Officers and Soldiers:

You who swore to protect the unity of your country, how can you allow it to be torn apart while you watch?! Allah will ask you about the covenant you made. Allah (swt) says:

﴿وَأَوْفُوا بِالْعَهْدِ إِنَّ الْعَهْدَ كَانَ مَسْئُولًا﴾

*“Honour ‘your’ pledges, for you will surely be accountable for them”* [Al-Isra: 34]. Do not allow Darfur to secede. You have forsaken South Sudan before. Lift the sin from your necks, stand up against America's plot, and mobilize the army to thwart the plan to tear your country apart.

Know that these dark calamities and the ongoing conspiracies of the colonial kuffar will find no cure except by returning to the great Islam, a creed and systems of life. This can only be achieved by establishing the Islamic State, the Khilafah (Caliphate). This can only be achieved by granting nusrah (material support) to Hizb ut Tahrir, so that it may establish it as a Khilafah Rashidah (rightly guided Caliphate) State on the method of the Prophethood, to eradicate with it the kuffar and unite the lands of the Muslims. Allah (swt) says:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

*“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life”* [Al-Anfal: 24].

## Within the Framework of the Campaign Organized by Hizb ut Tahrir / Wilayah of Sudan to Foil the Plan to Separate Darfur: The Party Held Stands in Several Sudanese Cities

Press Report

(Translated)

*Within the framework of the campaign organized by Hizb ut Tahrir / Wilayah of Sudan to foil America's plan to tear the country apart by stripping Darfur from the body of Sudan, the Hizb on Thursday 11/09/2025 held a stand at the Old Gedaref Mosque. After Friday prayer on 12/09/2025, a number of stands were held in various cities of Sudan, at the large mosques in Port Sudan, Al-Shawak, Sinja, Rabak, Madani, Al-Abbasiya Taqli, Khartoum (Al-Kalakla and Al-Dukhaynat), and in Omdurman at two mosques.*

During these stands the youth raised a set of banners that read:

1. Foil America's plan to separate Darfur.
2. Foil the "Blood Borders Plan" and prevent the stripping of Darfur.
3. The issue of the unity of the state is a decisive issue toward which the measure is life or death.
4. Establish the Khilafah to uproot the influence of the kafir West from your country.
5. Indeed the Imam is a shield, one fights behind him and is protected by him.
6. Take firm measures against the agents and traitors, and prevent the separation of Darfur.
7. Mobilize the energies of the sincere ones to foil the plan to separate Darfur.
8. The armed force in the state must be one.
9. Integrate all militias into one army, and stop manufacturing chaos and tearing the country apart.
10. Take firm measures against the agents and traitors and do not neglect Darfur as you once neglected South Sudan.
11. Prevent the secession of Darfur before it follows South Sudan.
12. O people of Sudan: You are able to foil the plan to strip Darfur — so stand for Allah, obedient.
13. The people of Al-Fashir are killed by war and hunger, hasten to deliver them.
14. The announcement of a parallel founding government is an American plan to separate Darfur, prevent its establishment.
15. America is accelerating its plan to separate the Darfur region;

there is no refuge except by making the unity of the state a decisive issue.

The worshippers were also addressed after leaving the mosques with a call entitled: **"O people of Sudan, do not allow America to tear your country apart and strip Darfur."** In each mosque one of the members of Hizb ut Tahrir read aloud the call, and in the administrative capital Port Sudan the official spokesman of Hizb ut Tahrir in Wilayah Sudan addressed the crowds, explaining that nations in their timespan have vital issues, i.e., issues toward which one takes a single disposition: life under them or death for them, and that the creed of Islam has defined our decisive issues, among which is the issue of the unity of the state and the unity of the Ummah, and that when we lowered this issue from its station America was able to separate South Sudan and now seeks to draw, by borders of blood, new states, preparing the stage with the same scenario as the South for the separation of Darfur.

The call demanded that the people of Sudan rise to foil the American plan in obedience to the Messenger of Allah (saw).

The attendees in all these stands across the various Sudanese cities responded with Takbīr and Tahlīl, praising Hizb ut Tahrir's confronting of these issues and noting that it always alerts the Ummah to the dangers surrounding it.

## Hizb ut Tahrir / Wilayah Sudan Port Sudan Stand to Thwart the Darfur Secession Plan!

*Responding with takbir, tahlil, and support, along with media and political mobilization, the stand held by Hizb ut Tahrir / Wilayah Sudan to thwart the Darfur secession plan was held in front of the Grand Mosque in Port Sudan. Worshippers gathered after Friday prayers, 20 Rabi' al-Awwal 1447 AH - 12 September 2025 CE, at the Grand Mosque in Port Sudan for the stand held by Hizb ut Tahrir / Wilayah Sudan in front of the Grand Mosque as part of the party's campaign to thwart the Darfur secession plan.*

During the stand, banners of the Prophet (peace and blessings be upon him) were raised in the sky, along with banners calling for the thwarting of the Darfur plan, working to unify the nation, establish the rule of Allah Almighty, and implement His Shariah by establishing the Khilafah Rashidah (Rightly-Guided Caliphate) based on the method of the Prophethood.

The official spokesman for Hizb ut Tahrir in Wilayah Sudan, Ibrahim Othman (Abu Khalil), delivered a speech to the audience, who responded with takbir and tahlil, rejecting this criminal plot. They affirmed their support for the unity of the Islamic Ummah, the establishment of its Deen, and the implementation of the law of its Lord, the Almighty.

He said: "O people of Sudan: Rise up to thwart the plot, eradicate the influence of the agents and hypocrites, and correct your path in life. A believer is not stung twice by the same hole. We were stung by America's hole with its separation of South Sudan. Should we allow it to separate Darfur? Al-Bukhari and Muslim narrated on the authority of Abu Hurairah (may Allah

be pleased with him) that the Prophet (saw) said:

لَا يُلْدَغُ الْمُؤْمِنُ مِنْ جُحْرٍ وَاحِدٍ مَرَّتَيْنِ

"A believer is not stung twice by the same hole."

Several news websites reported on the protest, complete with photos. It also generated significant political and media engagement among political and media groups, generating political and media activity that brought the Darfur issue to the forefront of the nation's attention. Perhaps this will motivate the nation's loyalists, including scholars, politicians, media professionals, and army officers, to thwart this criminal plot.

We ask Allah Almighty to unite the Muslim Ummah and unify its word to establish its religion in the Islamic State, the Rightly-Guided Caliphate, based on the Prophet's teachings. This alone can thwart the schemes of the kaffir (disbelievers) colonialists.

# Hizb ut Tahrir / Wilayah Bangladesh Online Political Conference

## Bangladesh 2.0: Subservience or Liberation?

After the mass-uprising of July 24 that forced the tyrant Hasina to flee, the people of Bangladesh desired for a new Bangladesh (Bangladesh: 2.0). To appease the uprising, the pro-British establishment handed over the political power to US-loyalist Yunus-led interim government. The people demanded a radical change in Bangladesh, but US-Britain conspired against the aspirations of the people by keeping the Western Colonialist system – the oppressive Secular-Capitalism intact. In the name of reform, they safeguarded the failed system by changing the faces. Becoming fake guardians of the uprising, in one hand, the interim government is betraying the people by pushing forward US-geopolitical and economic interests rather than ensuring the safety of peoples' life and wealth, on the other hand the pro-US political parties are engaged in competition for their share of power, damaging the law and order through political conflicts, extortion, occupation and violence. Western Colonialists and their regional policeman India are continuously intervening in our politics, specially waging propaganda against the aspirations of the people to return to the Islamic system to resume the Islamic way of life.

This political conference will expose the conspiracy of US-Britain-India against the aspiration of the people in July '24 uprising and to lead the uprising towards its right direction - a comprehensive change of the State.

Speeches at the conference:

1st speech: US-Britain-India Conspiracy to thwart the Aspirations of the People in the July Uprising

2nd speech: Bangladesh 2.0: A Way Out of the Oppression of Neo-Colonialism and Secular-Capitalist System

3rd speech: Guidance to the People to help the Uprising reach its Ultimate Goal

# Hizb ut Tahrir / Kenya Conducts Picketing calling for Military Action against Genocidal Jewish Entity

## Press Statement

Following the ongoing genocide by the Jewish entity against the people of Gaza, Hizb ut Tahrir / Kenya on Friday 18th April, conducted picketing after Jumua Prayers in Mombasa and Nairobi. In the Coastal City, the picketing was held outside the Masjid Nur while in Nairobi at Masjid Hidaya Eastleigh Street. The main theme of the Picketing was to raise a warm call to the Armies in the Muslim lands to break the chains that their rulers have placed them in their barracks so that they can move immediately to liberate the Blessed Al-Aqsa Mosque from the clutches of the occupying Jews.

The Picketing ended by holding a short press briefing on the ongoing assault against the people of the Blessed Land. At the briefing, Shabani Mwalimu (Media Rep Hizb ut Tahrir Kenya), Ustadh Mahad Ali – Chairman of CCC (Central Communications Committee of Hizb ut Tahrir in Kenya) along with Ali Omar Member of the Media Office of Hizb ut Tahrir in Kenya reiterated the only state that can brazenly mobilize the Muslim army against the Jewish entity's army is the Khilafah (Caliphate) State upon the method of the Prophethood; it has the power to terminate the arrogance, pride and prejudice of the Jews.

Generally, the Ummah was reminded of their noble task of resuming the Islamic way of life by reestablishing the Khilafah (Caliphate) state upon the method of the Prophethood that will brazenly mobilize the Muslim armies against the Western backed Jewish entity.

# It Is a Great Sin that Gaza Was Not Liberated Or the Jewish Entity Was Not Eliminated by the Efforts of Muslim Soldiers, But Rather Was Completely Destroyed and Marginally Liberated by the Trump Plan and the Betrayal of the Rulers of the Muslim!!

(Translated)

*The Egyptian regime announced the celebration of the implementation of the Trump plan in Gaza. Sisi invited the US President to celebrate because he is the mastermind of the Gaza plan: [US President Trump said on Thursday that the remaining hostages held by Hamas in the Gaza Strip will be released on Monday or Tuesday of next week, and that he still aims to visit the region to celebrate this occasion... "It is noteworthy that Egyptian President Sisi had invited Trump to participate in the celebration that will be held in Egypt to mark the signing of the agreement, considering it a historic agreement that crowns the joint efforts of Egypt, the United States, and mediators in the recent period." (CNN Arabic, 9/10/2025)]*

**But why are they celebrating** and applauding Trump, when he is the primary supporter of the Jewish entity in destroying Gaza's homes, trees, and stones!?

**Why are they celebrating** when the plan's ninth point stipulates that Gaza "will be governed under the temporary transitional governance of a technocratic, apolitical Palestinian committee, responsible for delivering the day-to-day running of public services and municipalities for the people in Gaza. This committee will be made up of qualified Palestinians and international experts, with oversight and supervision by a new international transitional body, the "Board of Peace," which will be headed and chaired by President Donald J. Trump, with other members and heads of state to be announced, including Former Prime Minister Tony Blair."?!!

**Why are they celebrating** when the plan's thirteenth point states, "All military, terrorist, and offensive infrastructure, including tunnels and weapons production facilities, will be destroyed and will not be rebuilt. There will be a process of demilitarization of Gaza under the supervision of independent monitors, which will include permanently putting weapons out of service, through an agreed-upon disarmament process supported by an internationally funded buyback and reintegration program, all of which will be verified by independent monitors..."?!

**And why are they celebrating** when the army of the Jewish entity will remain in control of around 53% of the area of the Gaza Strip [and after the completion of the withdrawal, the Israeli army will remain in control of more than half of the area of the Gaza Strip, at a rate of about 53 percent... These areas: a buffer zone along the border with Gaza, including the Philadelphi Corridor "the border between Egypt and Gaza), in addition to Beit Hanoun and Beit Lahia in the far north of the Strip, heights on the eastern outskirts of Gaza City, and large parts of Rafah and Khan Yunis in the south of the Strip..." (Asharq Al-Awsat, 10/2025/10/)]?!

**Why are they celebrating** when the withdrawal will be to the Yellow Line, which is inside the Gaza Strip? "The Yellow Line is the withdrawal line designated for the Israeli army under the agreement. Although the Yellow Line is several kilometers from the occupying state's border with the Gaza Strip, most Israeli army positions are currently located one and a half kilometers from the border..." (Al-Araby Al-Jadeed, 11/2025/10/)?!!

**Why are they celebrating** when the people of Gaza are moving from place to place, having lost their martyrs: men, women, and children; and when they reach their homes, they find them destroyed, housing neither a single resident nor a refugee?!

**Why are they celebrating**, when there is a civilian-military coordination center for the Gaza Strip led by the US Central Command? [CNN quoted a US official yesterday, Friday, as saying that US forces have begun arriving in "Israel" as part of efforts to establish a civil-military coordination center to monitor the implementation of the ceasefire agreement... The US network quoted the official as saying that the forces will monitor "efforts to achieve civilian rule in the Gaza Strip" (Asharq Al-Awsat, 11/2025/10/)]?!

Is this why they are celebrating? And they are rushing to invite Trump to lead the celebration and applaud him, describing it as a great historic event?! Even though his plan is to strengthen the Jews and the loss of the Muslim lands, the blessed land of Palestine!! Is this how the rulers of the Muslims take Trump and the kafir (disbelieving) colonizers as their allies?

﴿تَرَى كَثِيرًا مِنْهُمْ يَتَوَلَّوْنَ الَّذِينَ كَفَرُوا لَبِئْسَ مَا قَدَّمَتْ لَهُمْ أَنْفُسُهُمْ أَنْ سَخِطَ اللَّهُ عَلَيْهِمْ وَفِي الْعَذَابِ هُمْ خَالِدُونَ﴾

*"You see many of them taking the disbelievers as allies. Truly wicked are their misdeeds, which have earned them Allah's wrath. And they will be in everlasting torment" [Al-Ma'idah: 80]*

**O Armies in the lands of the Muslims:** The Crusaders, gathered from Europe, attacked the lands of the Muslims and remained in Al-Quds for years, wreaking havoc. The fighting

continued until the soldiers of Islam, led by Salahudin, fought them and defeated them in a well-deserved defeat. Salahudin then liberated the city and expelled them from it, by killing and humiliated. Its people returned to it, triumphant and glorified.

**Are you not capable,** O soldiers of the Muslim armies, of following the example of those who preceded you among the soldiers of Islam to liberate Palestine and the Hashim's Gaza Strip by crushing the Jewish entity and eradicating it from existence, so that the people of Gaza, and indeed all of Palestine, can return to their homes, honored and victorious, preceded by the takbirs of victory, "Allahu Akbar"?

**Indeed, you are capable!** For you surround the Jewish entity as a bracelet surrounds a wrist. However, you need a sincere and loyal leader. Is there not such a leader among you to lead you in the fight against your enemy, who has been struck by humiliation and misery, and who cannot win in a fight against you?

﴿وَأِنْ يَفْقَهُوْكُمْ يُؤَلِّمُكُمْ الْأَذْيَارَ ثُمَّ لَا يَنْصُرُونَ﴾

**"But if they meet you in battle, they will flee and they will have no helpers"** [Aal-i-Imran: 111] Then you fight them in a battle that will scatter those behind them, and their group will be defeated and they will flee.

Indeed, you are able! So put your trust in your Lord and make firm your resolve and be among those about whom Allah described while they were fighting their enemy, saying:

﴿قُلْ هَلْ تَرْضَوْنَ بِنَا إِلَّا إِحْدَى الْحُسَيْنَيْنِ وَنَحْنُ نَتَرْتَضِ بِكُمْ أَنْ يُصِيبَكُمُ اللَّهُ بِعَذَابٍ مِّنْ عِنْدِهِ أَوْ بِأَيْدِينَا فَتَرْضَوْا إِنَّا مَعَكُمْ مُتَرَضِّونَ﴾

**"Say, "Are you awaiting anything to befall us except one of the two best things: 'victory or martyrdom'? But We are awaiting Allah to afflict you with torment either from Him or at our hands. So keep waiting! We too are waiting with you."** [At-Tawbah: 52].

If the rulers prevent you from fighting your enemy, then fight them by all means and support Allah, and He will support you. Then the people of Gaza, and indeed all of Palestine, will return to their homes victorious, glorifying Allah, and conquering their enemy, destroying its entity. Rather than returning to see their enemy dominate the Blessed Land with the support of Trump and the failure of the Ruwaybidha (insignificant ignorant) rulers!!

## O Muslims... O Armies in the lands of Muslims:

### We conclude with what we have said to you more than once:

We are reassured by Allah's victory, the glory of Islam and Muslims, the return of the righteous, fighting Khilafah (Caliphate), the fighting and killing of the Jews, and the conquest of Rome as Constantinople was conquered, and Istanbul became the abode of Islam... We are reassured by that, even if the kuffar and hypocrites say (as in the verse):

﴿إِذْ يَقُولُ الْمُنَافِقُونَ وَالَّذِينَ فِي قُلُوبِهِمْ مَّرَضٌ غَرَّ هَؤُلَاءِ دِينُهُمْ وَمَنْ يَتَوَكَّلْ عَلَى اللَّهِ فَإِنَّ اللَّهَ عَزِيزٌ حَكِيمٌ﴾

**"Remember" when the hypocrites and those with sickness in their hearts said, "These 'believers' are deluded by their faith." But whoever puts their trust in Allah, surely Allah is Almighty, All-Wise** [Al-Anfal: 49]. Indeed, all of this victory for the Muslims is in the promise of Allah and the glad tidings of His Messenger (saw), and it will happen, Allah willing... But the way of Allah, Al-Aziz Al-Hakeem (the Almighty, the Wise), has required that He does not send down angels from the sky to establish a Khilafah (Caliphate) for us and fulfil for us the promise of Allah Al-Qawii Al-Aziz (the Strong the Almighty), and the glad tidings of His Messenger (saw) while we remain idle and do nothing. Rather, He sends down angels to help us while we work seriously, diligently, truthfully, and sincerely... Then Allah will grant us victory and triumph in both abodes, and that is the great triumph.

﴿وَيُؤْمِنُذِيْفَرْحُ الْمُؤْمِنُونَ \* يَنْصُرُ اللَّهُ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

**"And on that day the believers will rejoice \* at the victory willed by Allah. He gives victory to whoever He wills. For He is the Almighty, Most Merciful"** [Ar-Rum: 45-]

To this, Hizb ut Tahrir, the pioneer that does not lie to its people, calls you. It calls you, O soldiers in the Muslim armies. Rush to the glory of this world and the Hereafter. Proceed to destroy the Jewish entity and return the entire Blessed Land to the abodes of Islam. And Allah is with you and will not let your deeds go to waste.

## Hizb ut Tahrir / The Netherlands: "March in Amsterdam, Movement for Gaza!"

*In light of the brutal massacre (genocide) that has been ongoing for more than 17 months committed by this criminal entity against defenseless Muslims in the besieged Gaza Strip, which has so far resulted in the martyrdom and injury of more than 170,000 Muslim men and women. Hizb ut Tahrir/ The Netherlands is organizing a mass march and stand in the capital, Amsterdam, following the criminal Jewish entity's violation of the ceasefire agreement at dawn on Tuesday, March 18, 2025, and the resumption of the systematic killing of defenseless Muslims, most of whom are women children, and the elderly. The title of the march is:*

*"March in Amsterdam, Movement for Gaza!"*

*Scholars, people of influence, and institutions are to take a collective action to pressure the Muslim Armies and demand they move to liberate the blessed land (Palestine), which is their religious obligation that they not remain silent. Break national borders, the issue of the Blessed Land (Palestine) is an Islamic issue not a national one. The reality of the artificial borders imposed on us by the infidel colonizers is to keep us weak. There is no excuse or defending rulers and leaders in Islamic countries. We must compel them to sever their ties with America and the Jewish entity, whether political, economic, or military. The solution lies with us as a single Islamic Ummah. We cannot expect justice and fairness from the international institutions that created this entity in the first place. We must not be deceived by illusory solutions. The Ummah must be made aware of these points, and that there is no solution to the Ummah's issues except the solution imposed by Islam.*

*- A Brief Report on the Progress of the March -*

*In support of our people in Gaza and to raise awareness among Muslims about their role in addressing the genocide, killing, and starvation taking place in Gaza, Hizb ut Tahrir in The Netherlands organized a demonstration march titled "Movement for Gaza" in Amsterdam on Sunday, April 6, 2025.*

*The march set off and roamed the streets of Amsterdam, with participants chanting calls to support Gaza, mobilize the armies of the nation stationed in their barracks, and overthrow the rulers of humiliation and shame, especially in Egypt and Jordan. Slogans also rose, exposing the lies and conspiracy of the infidel West and the collapse of its international institutions after their falsehood and corruption were exposed. It was a majestic demonstration, joined by many members of the Muslim community, including residents and shopkeepers. At the end, there was a vigil, which began with a recitation of verses from the Holy Qur'an. Then, Okay Pala, the media representative of Hizb ut Tahrir in The Netherlands, delivered a speech in which he discussed the importance of making the voices of Muslims heard and expressing their stance on the suffering of our people in Gaza. He also spoke about the effectiveness of boycotts, donations, and frequent supplications. Okay Pala concluded his speech by explaining the awareness that the Muslim Ummah must possess to change the humiliation and degradation it has endured. He explained how it must sacrifice and rise up against its rulers to overthrow them, compel armies to move toward the Blessed Land - Palestine to liberate it and the blessed Al-Aqsa Mosque, and stop the war of genocide in Gaza that the criminal Jewish entity has been waging for more than seventeen months.*

## Hizb ut Tahrir / Wilayah Tunisia March

### "To Netanyahu and His Servants: The Khilafah, the Glad Tidings of Our Prophet (saw), Unites the Ummah and Destroys the 'Dream of Greater Israel'"

A massive march took place in the capital, Tunis, on Friday, August 22, 2025, in front of Al-Fath Mosque following Friday prayers. The march was organized by Hizb ut Tahrir / Wilayah Tunisia under the title "To Netanyahu and His Servants: The Khilafah, the Glad Tidings of Our Prophet (peace and blessings be upon him), Unites the Ummah and Destroys the 'Dream of Greater Israel'."

During the march, banners were raised, the main one bearing the march's title, while a second banner read, "Netanyahu's statements about 'Israel' are what armies are marching for, and anything less is treason." A third banner read, "No small or major, your demise is a divine promise." Attendees chanted slogans throughout the march, including, "There is no god but Allah the caliphate is Allah's rule," "There is no god but Allah... the caliphate is a duty from Allah," and "There is no god but Allah...the caliphate is Allah's promise."

They also chanted other slogans, such as, "Netanyahu, listen, listen... our caliphate will return. O America, listen, listen... our caliphate will return. O Zionist, listen, listen... our caliphate will return." "Oh Muslim armies, jihad is in Palestine," and "Rulers who sold Palestine... for positions and millions." The march passed through the capital's main streets leading to Revolution Street, where it concluded in front of the Municipal Theater with a speech delivered by a Hizb ut Tahrir member. He warned the Muslim Ummah against Netanyahu's statements regarding "Greater Israel's" dream of annexing other Arab countries to their distorted entity, such as Egypt, Jordan, Lebanon, Syria, and Saudi Arabia, after occupying Gaza and annexing the West Bank. Netanyahu was tempted by the positions of Muslim rulers who imprisoned the Ummah's armies, persisted in protecting their entity, and even aided him in the extermination of our brothers and sisters. It is the duty of the Muslim Ummah to confront this arrogant man with its armies, tanks, and all the forces within it, by taking action and teaching Netanyahu, and Trump behind him, a lesson that will make them forget their satanic dreams and fulfill the good news of the Messenger of Allah (peace and blessings be upon him), the Khilafah Rashidah (Rightly-Guided Caliphate) State, which will save Gaza, liberate Palestine, and unite the Ummah.

Thus, Hizb ut Tahrir / Wilayah Tunisia continues its blatant and defiant call in these difficult circumstances facing the people of Gaza, who are experiencing starvation, bombardment, and other grave horrors, as well as other oppressed people. From among the Muslims, it continues its call to the sincere ones in the Egyptian, Jordanian, Turkish, Pakistani armies, and other people of strength and power, to support the call of Islam and establish its state, which will save Gaza, liberate Palestine, establish the rule of Allah on earth, and carry a message of guidance and light for the worlds.

## Hizb ut Tahrir / Wilayah Türkiye Public March in support of Gaza "to address those concerned!"

*In light of the brutal massacres (genocide) that have been ongoing for 21 months by the criminal Jewish entity against defenseless Muslims in the Gaza Strip, which have so far resulted in the martyrdom, injury, and loss of more than 200,000 Muslim men and women, Hizb ut-Tahrir / Wilayah Turkey and its supporters, despite the Turkish regime's ban, organized a large-scale mass march across Turkey entitled:*

**"We are marching to the Presidential Complex for Gaza: Are you prepared to speak with us to the one in power?"**

*The members and supporters of Hizb ut Tahrir / Wilayah Turkiye set out on a march from the Justice and Development Party's main headquarters in Ankara toward the Presidential Complex to "speak to the addressee" on behalf of the Muslims in Gaza, who have been left alone under the burden of massacres, siege, and starvation for nearly two years. Exactly 21 months have passed since the massacre, genocide, and oppression launched by the occupying Jewish entity in the Gaza Strip, with the support of the United States and Western countries. Since October 7, 2023, more than 58,000 Muslims have been martyred and 137,000 injured.*

*In contrast, neither the Turkish regime, headed by Erdoğan, nor any of the Arab regimes in the region have taken any concrete steps to stop the occupation and genocide in Gaza. They have not even ensured the delivery of humanitarian aid to Gaza, and mass deaths from hunger and thirst have begun.*

*Since the Operation Al-Aqsa Flood on October 7, 2023, the usurping Jewish entity has continued its genocidal crimes, violating the laws of war and all other norms. Despite our repeated calls—"Armies to Al-Aqsa" and "Muhammadchik to Gaza"—to address the leaders to take concrete steps, and due to the deafening silence of the rulers under whose command the armies await, the Jewish entity continues to commit genocidal crimes. While the Ummah calls on its rulers to "mobilize armies in support of Gaza," they continue to surrender and violate Gaza to the murderous Jews and those who support them financially and militarily: the United States, the West, and the international system. Therefore, we, in Hizb ut-Tahrir / Wilayah Turkey, and its supporters, organized this mass march as part of our responsibility to remind the entire Ummah once again of our responsibility to take immediate action to support the oppressed Muslims who have been left alone for more than 655 days, the mothers who bid farewell to the torn bodies of their children with tears, the hungry and thirsty children, and the fathers executed while waiting in line for a morsel of bread.*

*The march started from the Justice and Development Party (AKP) headquarters in Ankara and proceeded to the Presidential Complex (Presidential College).*

## Hizb ut Tahrir / Wilayah Türkiye: In Support of Gaza, a Unified Appeal to the Rulers: “Two Years Have Passed! We Do Not Expect Words, But Actions!”

*In the face of the brutal massacres (genocide) that have been ongoing for two full years, perpetrated by the criminal Jewish entity against defenseless Muslims in the Gaza Strip, which have so far resulted in the martyrdom, injury, and loss of more than 240,000 Muslim men and women, Hizb ut Tahrir / Wilayah Türkiye organized large-scale mass rallies in Ankara, Istanbul, and Şanlıurfa, entitled:*

### A Unified Call from the Town Squares for Gaza in its 2nd Year:

#### "A Unified Call to the Rulers: Two Years Have Passed! We Do Not Expect Words, But Actions!"

*On the second anniversary of the Al-Aqsa Flood, launched by the Mujahideen in the Blessed Land - Palestine to confront the ongoing occupation and massacres that have lasted for a century, Hizb ut Tahrir / Wilayah Türkiye organized marches and issued press releases in Istanbul, Ankara, and Şanlıurfa under the title "A Unified Appeal to the Rulers."*

*In the march, organized by Hizb ut Tahrir / Wilayah Türkiye, and joined by numerous Islamic civil society organizations and the House of Radical Change (Koklu Degisim), under the slogan "Unite for Gaza" in defense of defenseless Muslims who have been left alone under the yoke of genocide, siege, and occupation that has lasted for 24 months, the demonstrators addressed the Turkish regime with the slogan, "Two years have passed. We do not expect words, but actions!"*

*Thousands of Muslims, including men, women, and children, participated in the marches and press releases, as well as scholars, preachers, journalists, activists, and media professionals.*

*After the Dhuhr prayer, the marches set off in processions from Mehmet Fatih Mosque to Bayezid Square in Istanbul; from Kocatepe Mosque to Şehitli Square in Ankara; and from Ali Çeli Park to Rabaa Square in Şanlıurfa. Muslims created historic scenes as they commemorated the Al-Aqsa Flood and the people of Gaza, carrying banners of Tawheed and chanting the takbeer and tahlil.*

*Each group of marchers carried banners bearing messages related to Gaza. Among the slogans raised along the route were: "Peace to Gaza, The Resistance Continues," "The Al-Aqsa Flood is a graveyard for the Jews," "Armies to Al-Aqsa," "The Sumood Flotilla is on its way, so where are the fleets?," "Either save Gaza or make way for the Ummah," "No to condemnation! No to talk! Rather, to action!," "Don't sit back! Don't sleep! Move!," "I will not ally with America, I am a Muslim, I am a Muslim," "Down with the traitorous agent regimes," "Let the armies unite, and Israel be destroyed," "The believers will unite, and Israel will be defeated," "The true dawn will rise, and Israel will be defeated," "The conscience of humanity will defeat Zionism," "At your service, at your service, at your service, O Al-Aqsa," "One nation, one state, one solution: the Caliphate." "1 Ummah 1 State 1 Solution: Khilafah."*

*After the march ended, speeches and programs began in the squares. The press release in Istanbul was delivered by the Head of the Media Office of Hizb ut Tahrir in Wilayah Türkiye, Mahmut Kar; in Ankara, by Islam Boztepe on behalf of Koklu Degisim; and in Şanlıurfa, by Sait Doğan on behalf of Koklu Degisim.*

*The press release addressed the rulers of Turkey and other Islamic countries who have failed Gaza, stating: "While hundreds of thousands of innocent people are being slaughtered, you have condemned and conducted useless diplomatic talks. You have tweeted and organized marches. Some of you have chosen silence, while others have chosen constant talk. You know very well that none of these steps were concrete and deterrent steps toward a solution. Because the occupying Zionists do not stop with words. The genocide, which will soon enter its third year, does not end with passionate speeches. The oppressed in Gaza cannot be saved with words alone. Therefore, the time has come for actions, not words. What is required are concrete and deterrent steps. We do not expect words from you, but actions! We do not expect enthusiasm, but movement! We do not expect condemnation, but sanctions!"*

*The statement also listed nine points including concrete actions and steps that must be taken for Gaza. In the final section, titled "O Occupying Jewish Entity, the Most Cowardly and Depraved on Earth," the words addressed the perpetrators of genocide: "All Muslim mothers have begun to nurse their children with your enmity. Fathers are advising their sons to uproot you from that land. Young men are counting the days to join the army that will fight you. Muslims, from young to old, are working day and night to establish the Khilafah Rashidah (Rightly-Guided Caliphate) that will uproot you from the land, uproot your oppressive and murderous regimes,*

and the colonialist Western kafir regimes that stand behind you. When this is soon achieved, the hearts of the believers will rejoice in Allah's victory; the faces of the oppressors will blacken, and their hearts will be filled with terror."

Following the press release, journalist and writer Ahmet Varol, Enes Yilgun of Tawhid Magazine, Ahmet Turgut Ulucak of the Prophetic Call to the Qur'an, Shukru Hüseyinoğlu of the Qur'an Generation Association, and writer Dr. Abdurrahim Şen delivered their speeches in Istanbul. In Ankara, Abdullah İmamoğlu delivered speeches on behalf of Koklu Degisim and Emin Agun of Tawhid Magazine. In Şanlıurfa, the head of the Imam Bukhari School, Mullah Ibrahim Khalil Kaplan, the head of the Mullah Ahmed Tokhobi, and Selim Kandemir, on behalf of Tawhid Magazine, the spokesperson for the NGO platform in Şanlıurfa, Ibrahim Coşkun, the head of the Drop of Mercy Association, Imam and Preacher Mehmet Amin Kutluay, and the head of the Shirazi Science and Aid Association, Seda Binyamin Kılıç, also delivered speeches.

The event concluded with dua for victory (nussrah) for Muslims in Gaza and all occupied Muslim lands.
