Hello [REDACTED]

I hope this email finds you well.

I am writing because things have really revved up since Epstein's arrest.

I was wondering if you ever found out if the FBI are looking into Q-Anon. I receive violent messages daily and I am concerned for my family's safety.

Hey [REDACTED]

I've just been working on my own online security.

I had a big success getting dozens of videos removed from YouTube because they included pictures of my baby.

Anyhow thank you, and I look forward to hearing if anyone on your side is working on this or Pizza Gate.

Thanks a lot,
Best

Sorry for the late reply. Has anything progressed since your last email?

I will have to check which office, if any, are investigating Q Anon and perhaps refer this to them. I don't think the [REDACTED] office is investigating this group.
