NTOC2019 189jeg02 Jeffrey Epstein Human Trafficking (NY)

On 07/08/2019, at 6:23 p.m. Eastern Time, [REDACTED] ANONYMOUS ([REDACTED]), cellular telephone number [REDACTED], called the FBI National Threat Operations Center (NTOC) to report information regarding Jeffrey Epstein.

[REDACTED] provided the following information:

Around 2004, [REDACTED] was introduced to Jeffrey Epstein by Epstein's recruiter, Carolyn Doughtery, approximately in her 50s at Epstein's house on 71<sup>st</sup> Street. [REDACTED] used to model and Doughtery tried to recruit [REDACTED] as one of Epstein's women and Doughtery also asked [REDACTED] who else she knew. Epstein tested [REDACTED] when Doughtery introduced them because he wanted to show [REDACTED] his top floor bathroom. While riding in the elevator, [REDACTED] noticed the elevator ceiling reminded her of the Vatican and Epstein claimed it was given to him from the Pope. The bathroom had a dome shape and there was a painting with Greek columns. As [REDACTED] was looking at the painting, Epstein asked, "Do you see the pink in her pussy?" Epstein asked to see the color of [REDACTED] and went to unzip her pants, acting like a little boy seeing how far he could get. [REDACTED] immediately stepped away telling Epstein nothing was going to ever happen.

[REDACTED] became good friends with Epstein's girlfriend, Ghislaine, to discover that Ghislaine knew what Epstein was doing. One night when [REDACTED] went to a nightclub with Ghislaine in New York City, Ghislaine asked Todd

Meister, whose father did business with Epstein, to bring beautiful female models over to her. Ghislaine obtained the names of the models and [REDACTED] asked Ghislaine why she would want girls for Epstein. Ghislaine responded, "One less blow job for me."

[REDACTED] would go to Epstein's island, Little St. Jeffrey's, a lot with her ex-boyfriend, Joe Last Name Not Obtained (LNU), who was good friends with Epstein. [REDACTED] knew Epstein before Joe. Epstein and Ghislaine would act like a normal couple with [REDACTED] and Joe while at the island. Sarah Ferguson would come to the island sometimes and take photographs and made a photo album when [REDACTED] was there once. Leon Black was visiting the island and Epstein showed a compound to Black and [REDACTED] talking about how he wanted seven massage rooms and another area for his harem.

Women would swarm to Epstein because he had My Box limos. One day, Epstein picked up [REDACTED] talking about going furniture shopping and riding in his limo. Epstein had [REDACTED] leave her purse inside the limo and when it returned, [REDACTED] could tell someone had gone through her purse. Epstein asked [REDACTED] to go to Moscow at one point asking for her Social Security Account number and her passport information. At the same time, Epstein asked if [REDACTED] had any kind of criminal history, which she did not.

[REDACTED] saw Epstein and Donald Trump together a lot including at the movies. Trump was always trying to impress Epstein. There was an incident after 09/11/2001, Epstein, Trump, Ghislaine, Joe and [REDACTED] were going to Palm Beach, FL for the weekend. [REDACTED] was waiting on the plane for others reading magazines overhearing Epstein and Trump's conversation. [REDACTED] overheard Trump talking about how he just came from visiting a country (possibly Israel), where they have sheiks, claiming the sheik gave his virgin daughter to him. Epstein responded, "Oh I love when that happens. They're so different the young ones." Epstein and Trump discussed how the younger women have "finer hair." When arriving at Epstein's house, he went to hug [REDACTED] and she left before Joe was able to arrive because she was disturbed from the conversation she overheard. [REDACTED] grabbed her bags to leave and as she was leaving she saw a girl in the bathroom closet come out partially naked and heard girls laughing. That was when [REDACTED]

realized what occurred when Ghislaine wasn't around because she wasn't there yet. Epstein was "buddy buddy" always talking about setting [REDACTED] up with a good guy. Epstein had two types of women he would keep around including young women he would pay and the high-end girlfriends.
