CAN

HELP?

Went to a party at this huge house to meet this man named Mr. Robert and his pretty wife Jill.

Same exact British lady from Clearwater was there! She talked to me all night.

She wants me to come to her house in Florida so I can learn new things!

to get away from Mary?

THE LITTLE GIRL LOST

"You always think you're prepared for everything, and you think you have the knowledge of what's coming ahead," Diana (at Prince Charles's Highgrove estate in 1986) told the BBC's *Panorama* in 1995.

I am so fucking lost.

Why did Mr. Colgan agree to this!

Jeffrey treats me like I'm "special" property, and when I need Ghislaine she is working and Mary is just as bat shit crazy as my mom.

Joe Gibbs is so nice but Dan Snyder is a pig! A red skin hoggett(sp?)!

The other girls well some are nice, but 3 I hate!

Alice in fucking Wonderland?

Walk down Madison Avenue to 71st St.

My mother has lost her fucking mind. Even though Ghislane said it was best to take me home because Mr. Black is so important for some reason over my health.

There is going to be hell to pay. I ruined their trip and I am dramatic when that fat fuck bit me!

He threw me on the floor and blood all over Jeffreys carpet and I am the issue?

Who the fuck bites someone? Sick!

No one is that important and Leon can go fuck himself.

I hate New York !

Stopped Dead ^{Lo B a k} _{en ic}

A squeal of brakes.
Or is it a birth cry?
And here we are, hung out over the dead drop
Uncle, pants factory Fatso, millionaire.
And you out cold beside me in your chair.

The wheels, two rubber grubs, bite their sweet tails.
Is that Spain down there?
Red and yellow, two passionate hot metals
Writhing and sighing, what sort of a scenery is it?
It isn't England, it isn't France, it isn't Ireland.

It's violent. We're here on a visit,
With a goddam baby screaming off somewhere.
There's always a bloody baby in the air.
I'd call it a sunset, but
Whoever heard a sunset yowl like that?

You are sunk in your seven chins, still as a ham.
Who do you think I am,
Uncle, uncle?
Sad Hamlet, with a knife?
Where do you stash your life?

Is it a penny, a pearl—
Your soul, your soul?
I'll carry it off like a rich pretty girl,
Simply open the door and step out of the car
And live in Gibraltar on air, on air.

It doesnt matter how far away you are.

No matter how good you think they are.

Even the old president! They will get you.

He should have been thinking of Chelsea! Gross!

In a plane on a yacht in NY, in DC, at the vineyard.

On the island. In palm beach.

It doesnt matter.

Disgusting pigs like Allen Douschewitz and Mr. Caruthers and even Mr. Islam will hurt you especially if Ghislaine is busy or not with you!

I think I'm going to break!

Why would they all allow Mr. Leonsis wait this long?

Why would he bring a friend and make a video?

I am so broken and the procedure was so painful and blood all over the sheets.

I cant play this "game" anymore.

I have to ask Ghislaine for help.

If anyone can make it stop it would be her?

She was so scared because I got so sick and was burning up with a fever.

She put me in freezing cold shower!

I cant do this!

Mr. Rails and Mr. Ein [clipping: blood on their hands]

but so does Jeffrey and Mr. Jacobson. Mr. Conway

Mr. vradenberg and Bill s.

All of them who dont care if this happens!
