Ghislaine-

Doug asked me to email you the following information for planning purposes as we approach our departure date for Africa. Dan Rather with CBS has requested that he along with 3 crew fly aboard the plane with President Clinton for the Cape Town to Johannesburg, South Africa leg on Saturday, Sept 28. We would be willing to drop some of our staff on this particular leg if necessary.

Also, we have just added a trip to Italy after our swing through Germany the first week of October. The schedule now reflects President Clinton departing Frankfurt on October 6 for Milan. We would overnight in Milan on October 6 and then helicopter to and from Trento, Italy on October 7. We would return to New York the evening of October 7 from Milan.

Thanks for everything and please feel free to call me if you need anything. Best, David
