Here is the attachment.

By the way the black piece was touched by minimum 10 million Muslims of different denominations, Sunni, Shia and others.

They walk around the Kaaba seven rounds then every one tries as much as they can to touch it and they kept their prayers, wishes, tears and hopes on this piece. Hoping after that all their prayers to be accepted.

Regards,  
Aziza

Dear Daphne,

I hope you are well.

As per instruction of Aziza. We will ship some pieces of the Kaaba for the Mosque. In the attached file, from Page 2 – 4 will be the actual pieces you will be receiving and explanation of each was added.

I would like to know before we ship it. is there any issues will be faced with the customs if we shipped to these stuff? Or shall we send with anyone who is going US? Please advise.
