

YOUR IDEOLOGICAL PROFILE

Anarchist

Anarcho-Progressivism

Synthesis of anarchist currents centered on the liberation of body and identity, uniting the critique of patriarchy and of gender and sexuality norms with an openness to technology as a tool of emancipation, all under the rejection of the state, capitalism, and every imposed hierarchy. Compatibility indicates how close your answers are to this profile.

“

— A SENTENCE THAT DESCRIBES YOU

I want a society without state, capital or hierarchy, freeing body and identity from patriarchy through emancipatory technology.

This is how someone from **Anarcho-Progressivism** would sum up the society they want.

02 What sets you apart

Your most unusual position

Morality

You lean further toward progressive than 98% of the ideologies in the catalog.

Of all 12 axes, Morality is where you depart most from the field. It is the trait that sets you apart.

Your most typical position

Control

Your position on Control sits almost exactly at the catalog median.

This is common ground. You lean neither toward planning nor to the opposite pole.

Your internal tension

Federal and Planning at the same time

Only 32 of the 257 ideologies in the catalog hold both of these positions.

Closest matches: Luxemburgist Socialism, Communitarianism, Indigenism. In the catalog, Structure and Control usually move together. You reverse that pattern.

03 Countries closest to you

PRESENT-DAY

Most compatible country

88% match

California (United States)

Techno-progressive region

The most populous US state, California is a global hub of technology and culture, with strongly progressive, environmentalist, and technocratic politics and a gigantic, innovative market economy.

HISTORICAL

Most compatible country

92% match

Paris Commune

Self-managed communal socialism

março–maio de 1871

The revolutionary government that held Paris for 72 days in 1871, the Commune established direct democracy with recallable mandates, workers' self-management of workshops, separation of Church and state, and equal pay, becoming a symbol of communal socialism.

04 Figures closest to you

Most compatible personality

95% match

Daniel Guérin

Libertarian socialist

1904-1988

A French libertarian socialist, Guérin sought to unite Marxism and anarchism, defending workers' self-management and sexual liberation, and was an important historian of revolutions and the labor movement.

07 Other matches

Radical Left

Council Communism

An anti-Leninist Marxist current of Pannekoek, Gorter and Mattick, which holds that workers themselves should run production and power through workers' councils, rejecting the vanguard party, the state and parliamentarism.

Anarchist

Social Libertarianism

Left-libertarian branch that unites broad individual freedom with collective or shared ownership of resources, defending autonomy, cooperation, and the rejection of both the authoritarian state and capital.

Anarchist

Techno-Communism

Current that combines the final stage of communism with technological acceleration, using automation and AI to overcome scarcity, necessary labor, and private property.
