

YOUR IDEOLOGICAL PROFILE

Third Position

Peronist Nationalism

Justicialist doctrine of Juan and Eva Perón uniting political sovereignty, economic independence and social justice, with CGT unions, nationalizations, protected industrialization, social Catholicism and a charismatic leader above parties. Compatibility indicates how close your answers are to this profile.

“

— A SENTENCE THAT DESCRIBES YOU

I want organized workers in strong unions, with decent wages and protected national industry, under firm leadership, faith and family.

This is how someone from **Peronist Nationalism** would sum up the society they want.

02 What sets you apart

Your most unusual position

Power

You lean further toward liberty than 76% of the ideologies in the catalog.

Of all 12 axes, Power is where you depart most from the field. It is the trait that sets you apart.

Your most typical position

Intervention

Your position on Intervention sits almost exactly at the catalog median.

You sit at the centre on Intervention, and so does the catalog. This is where your profile stands out least.

Your internal tension

Unitary and Liberty at the same time

Only 12 of the 250 ideologies in the catalog hold both of these positions.

Closest matches: Social Liberalism, Socialism, Eco-Capitalism. In the catalog, Structure and Power usually move together. You reverse that pattern.

03 Countries closest to you

PRESENT-DAY

Most compatible country

86% match

Hungary

National-illiberal republic

A parliamentary republic in Eastern Europe, Hungary is governed under so-called illiberal democracy, uniting nationalism, Christian conservatism, sovereignty vis-à-vis the European Union, and strong control of media and institutions.

HISTORICAL

Most compatible country

88% match

Gran Colombia

Centralist-militarized republic

1819–1831

An ephemeral republic created by Simón Bolívar, Gran Colombia gathered vast territories of northern South America into a centralist, militarized state, which dissolved within a few years due to regional and political rivalries.

04 Figures closest to you

Most compatible personality

90% match

Steve Bannon

Political strategist

1953–

An American political strategist, Bannon articulated right-wing national populism, pitting globalist elites against an economic, cultural, and sovereigntist nationalism that influenced populist campaigns around the world.

— IDEOLOGICAL PROXIMITY

07 Other matches

Center

Socratism

Socrates' dialectical method, examining beliefs through rational questioning and the pursuit of virtue, distrustful of mass politics and the rhetoric of demagogues, yet respectful of the city's rule of law.

Center

Eco-Nationalism

Current that links environmental protection to national sovereignty, prioritizing the protection of the country's own natural resources and land and sustainable development within national borders.

Right

National Democracy

Current that combines popular sovereignty and democratic institutions with strong cultural nationalism, prioritizing the nation's interests and identity over supranational commitments and multiculturalism.

The ideology furthest from you

Crypto-Anarchism

Libertarian

30%

Current that uses cryptography and digital technologies to guarantee privacy, freedom, and transactions beyond state control, seeking to weaken surveillance and authority through technological means.

— ABOUT THIS REPORT

12 Axes compares your answers with profiles of ideologies, countries and figures on the same 12 axes. Compatibility measures closeness between profiles; it is not a scientific diagnosis or a definitive label. Your answers are not stored.
