AffIRMATIONS

FOR REVOLUTIONARY
PROLETARIAN MILITANTS

A perpetual calendar

Stephanie McMillan

Heartfelt thanks for the generous support and encouragement of many people, too numerous to list here, without whom this calendar would not exist.

These drawings are dedicated to revolutionary militants struggling to construct working class organizations in hostile situations.

Stay strong, comrades --
we must succeed!

hello@stephaniemcmillan

This is a low-resolution digital version.

Contentment is for
people in denial. I do
NOT ACCEPT social
injustice, exploitation,
or ecocide.

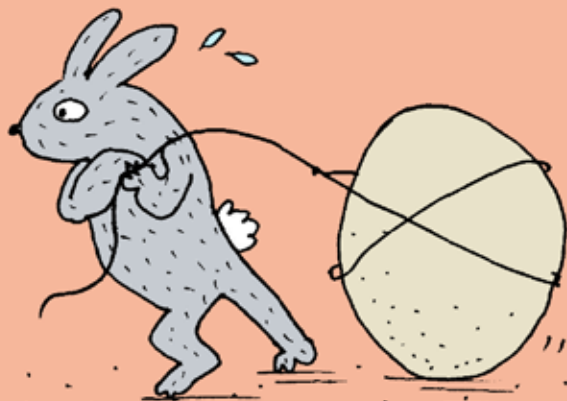

January 1

My purpose is not for
petty gains, but for
radical social
transformation.

January 2

I'm committed to the struggle for the long haul. It isn't a game or hobby; it's my life.

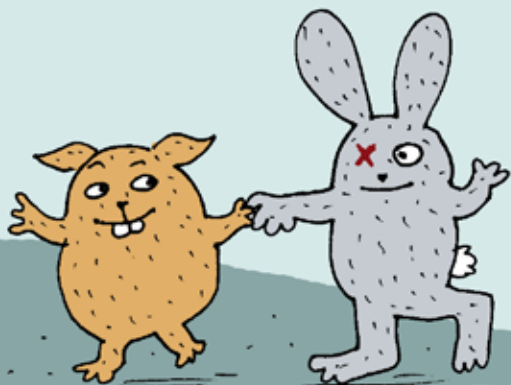

January 3

When I face a choice,
I decide what to do
based on the interests
of the revolution.

January 4

I take every opportunity
to help people understand
the nature of the system
and to join the struggle.

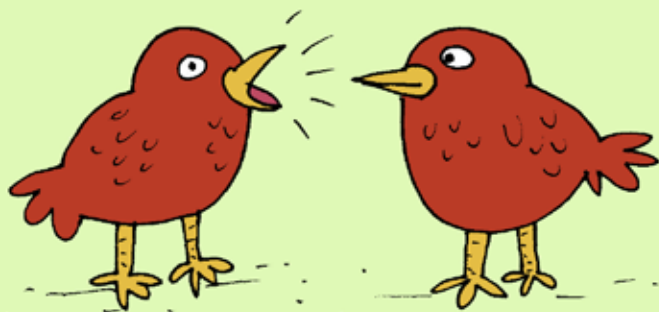

January 5

I DON'T ENGAGE IN
Self-destructive HABITS.
I Remain STRONG AND
ALERT FOR THE STRUGGLE.

January 6

I AM WILLING TO LISTEN
TO CONSTRUCTIVE
CRITICISM, SO I CAN
RECTIFY MY ERRORS.

January 7

I avoid distractions

and

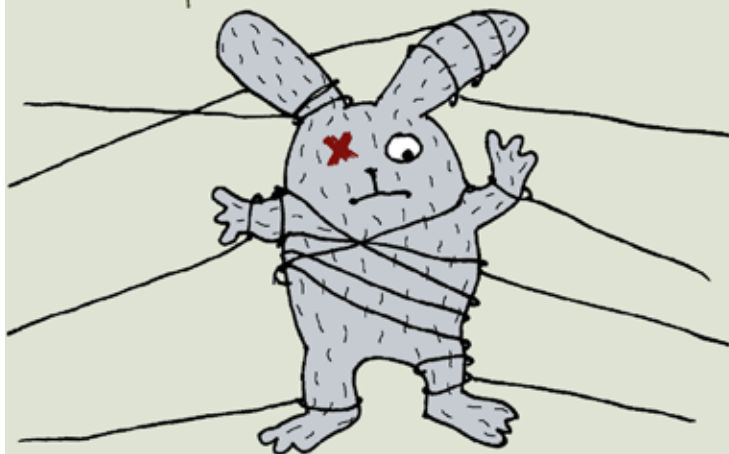

FOCUS

on My

FUNDAMENTAL **GOAL.**

January 8

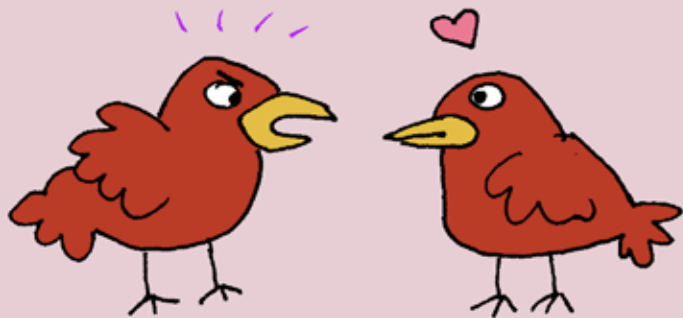

The problem is not me;

it is the **GLOBAL**
CAPITALIST/IMPERIALIST
SYSTEM

January 9

I don't blame individuals
for social problems.

Yet it is our responsibility
to end the system
that causes them.

January 10

Everyone

has a skill, talent,
experience or insight

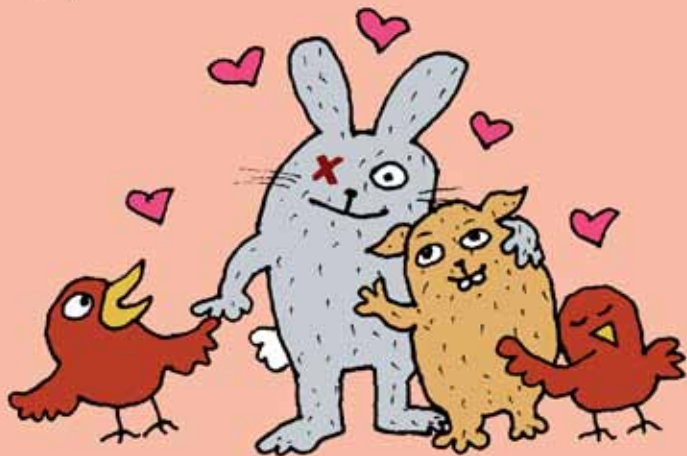

that can contribute

to the STRUGGLE

January 11

I surround myself with sincere people who share common goals of ending exploitation and domination.

January 12

We will never be satisfied
with reforms to the
existing system.

Our goal is nothing less
than a classless and
sustainable society!

January 13

Even if I am alone,
I stand up for what
I understand to be true.

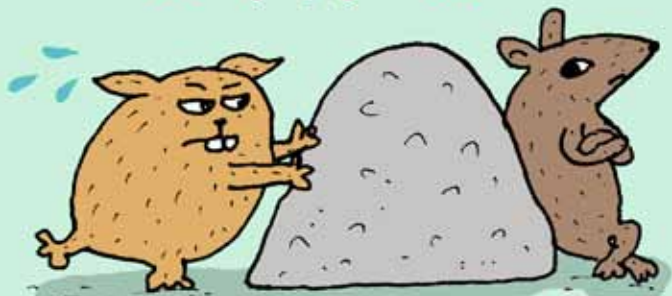

January 14

I DO NOT AVOID

STRUGGLE

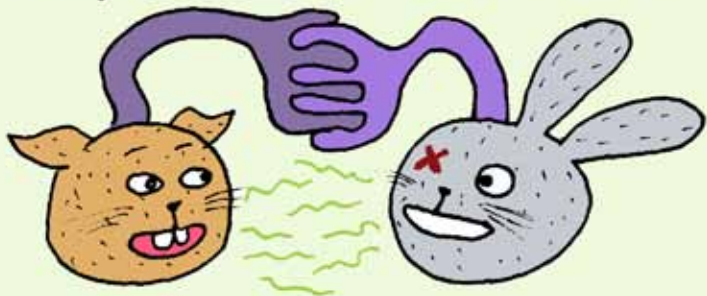

...

IT IS HOW PEOPLE &
HISTORY ADVANCE.

January 15

I don't argue for
argument's sake...

Instead, I engage in
P.O.L.I.T.I.C.A.L S.T.R.U.G.G.L.E
so as to better
UNDERSTAND **REALITY**.

January 16

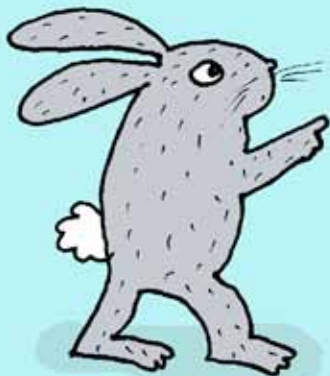

I DON'T **JUMP** TO
PREMATURE CONCLUSIONS.
Before making a judgment,
I investigate a matter fully.

January 17

As I face each day,
I determine my priorities,
based on my long-term
goal of PROLETARIAN

REVOLUTION

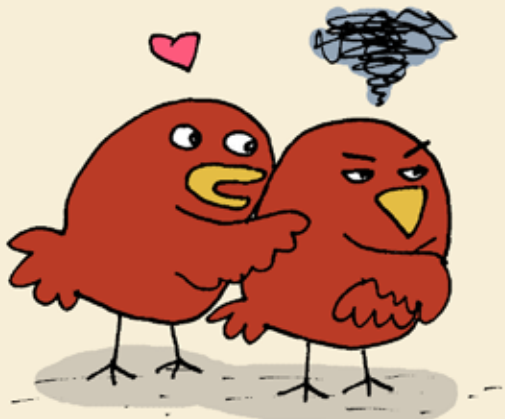

January 18

Our Nature is COOPERATIVE...
If we work COLLECTIVELY, we
CAN OVERCOME THE SYSTEM
that IS CRUSHING US!

January 19

I realize my loved ones are
IDEOLOGICALLY DOMINATED,
and have compassion for
them as I struggle with them.

January 20

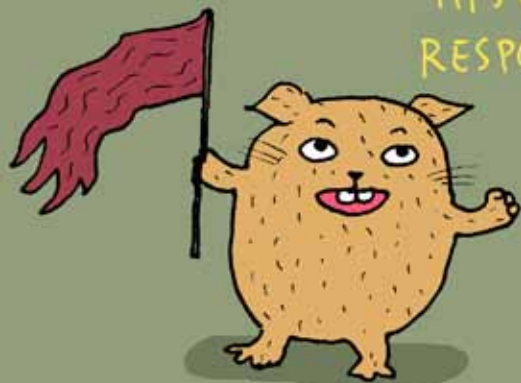

THE ENEMY NEVER STOPS
EXPLOITING AND COMMITTING
ECOCIDE. We must be EVEN
MORE **ReLentless** in
DESTROYING it.

January 21

We don't do political work
for money; we do it from our
CONSCIENCE & CONSCIOUSNESS,
because it is our

HISTORICAL
RESPONSIBILITY.

January 22

How is the FUNDAMENTAL
CONTRADICTION of
CAPITAL vs. **LABOR**
manifesting at this moment?

This is my
Guide TO **ACTION.**

January 23

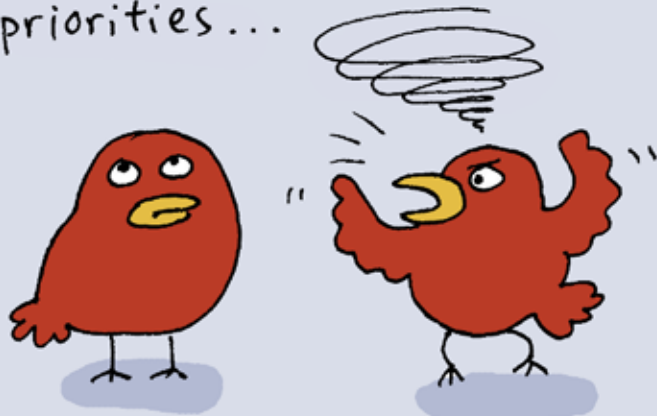

In my political life,
I don't have an
EMPLOYEE MENTALITY.

I TAKE INITIATIVE and
Give my FULL EFFORT.

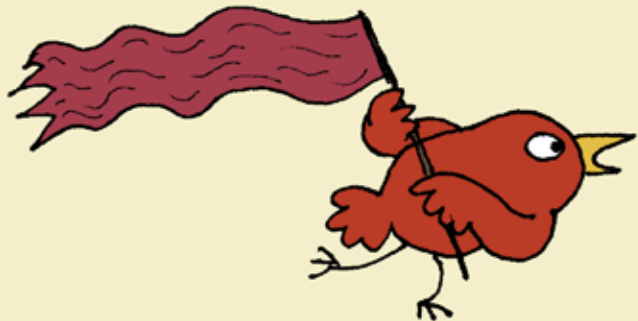

January 24

DRAMA steals ENERGY and has NO PLACE in the STRUGGLE. I won't be sucked into the VORTEX of someone else's priorities...

January 25

After meeting my survival
needs, I use whatever
energy and RESOURCES I
possess TO **SERVE** the
STRUGGLE.

January 26

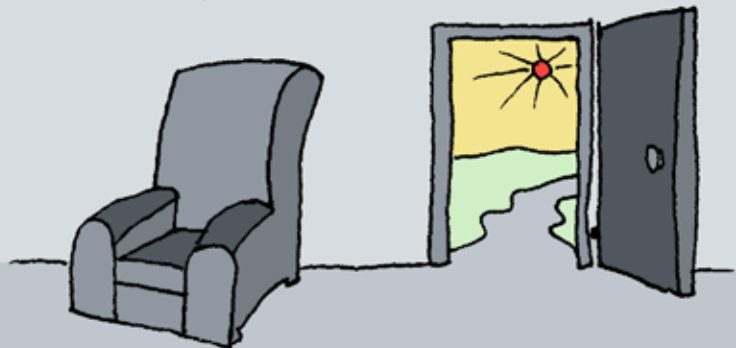

I understand how my

I make sure not to
be an unwitting foot
soldier for the ENEMY.

January 27

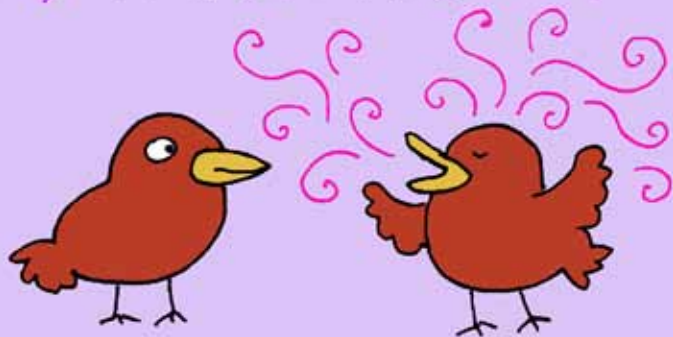

In addition to ENGAGING
with people online,

I also meet and talk
with people in person
when I can.

January 28

I base my assertions on
INVESTIGATION & PRACTICE
rather than creating
fantasies and theories from
my IMAGINATION.

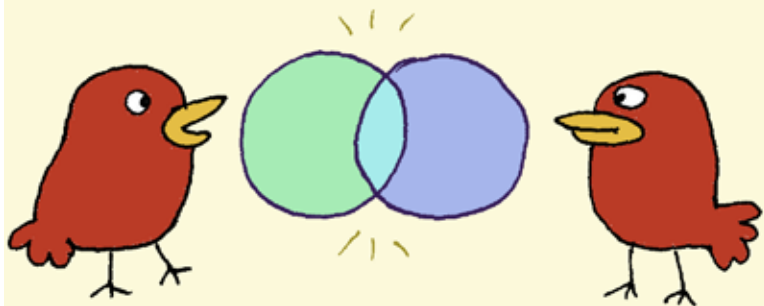

January 29

I AM RELIABLE.
My comrades can count
on me to follow through
on my commitments.

January 30

I NEVER STOP ORGANIZING.
When I meet anyone, I
assess what level of UNITY
we share, and how s/he
could participate in or
support the STRUGGLE.

January 31

I don't react emotionally,
but remain calm and
rational.

I DON'T HANDLE PROBLEMS,
I SOLVE THEM.

February 1

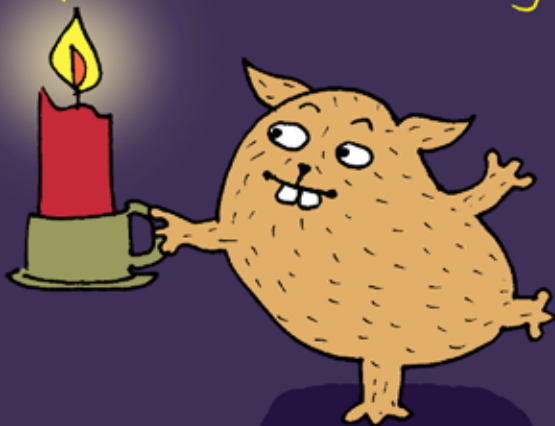

Even if I feel shy, I
talk with strangers
about social/political issues.

It's IMPORTANT TO BREAK
OUT OF OUR SMALL CIRCLES.

February 2

Achieving CLARITY is more important than being RIGHT.

I am open-minded, willing to be convinced to change my position.

February 3

I AM NOT AFRAID OF
HARDSHIP IN THE PURSUIT
OF SOCIAL TRANSFORMATION.

February 4

We are in an *ECOLOGICAL EMERGENCY*. I respond not with despair or defeatism...

...but with a sense of urgency, intense focus, & hard work.

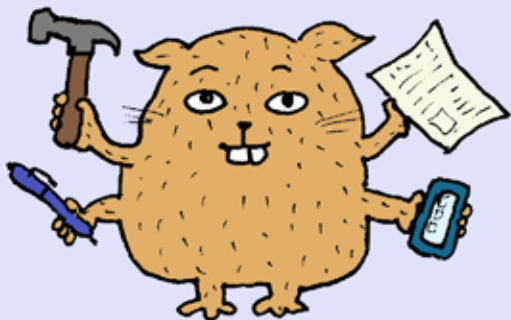

February 5

I don't WASTE the TIME
of my COMRADES by being
Habitually LATE or
CANCELING PLANS at the
last minute.

February 6

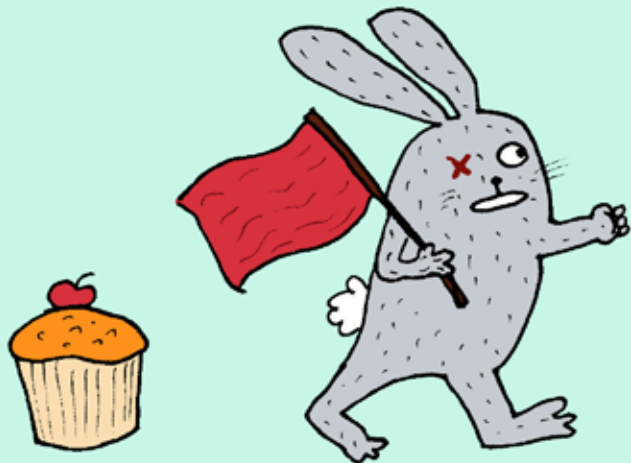

NO KIND of **WORK** is
BENEATH OR ABOVE ME.

I am willing and capable
of doing ALL the TASKS
required by the STRUGGLE.

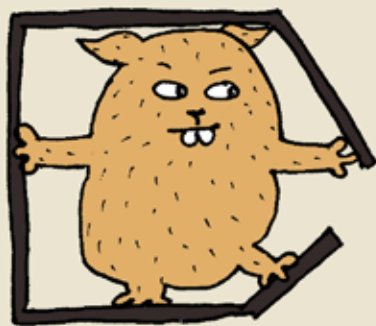

February 7

I SUBORDINATE my
personal desires to
the **needs** of the
HISTORICAL MOMENT.

February 8

I push beyond my limits
& comfort zone in order to
INCREASE my EFFECTIVENESS

in the fight against
CAPITAL.

February 9

CONFLICTS, OBSTACLES &
DIFFICULTIES are NOT all
negative, but also are
CHALLENGES & OPPORTUNITIES
to learn, and to PUSH a
CONTRADICTION **FORWARD.**

February 10

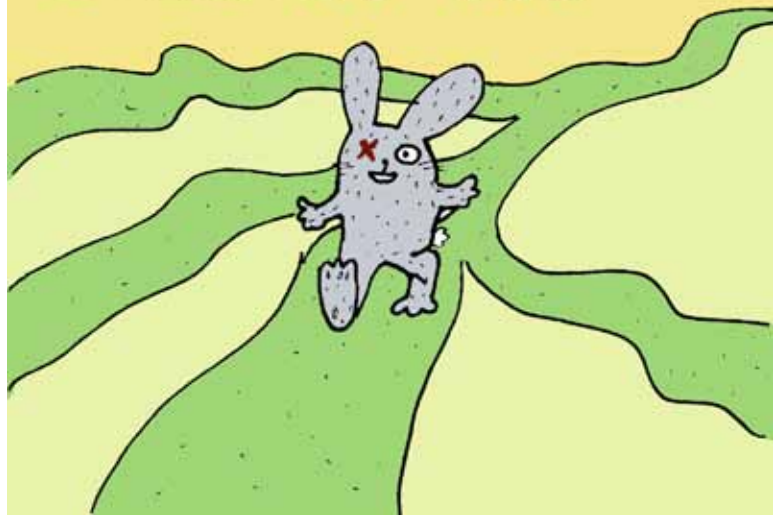

INDIVIDUALLY WE
ARE **WEAK.**

TOGETHER WE
ARE **STRONG.**

February 11

I'M **CONFIDENT**
THAT I'M ON THE
CORRECT PATH.

February 12

I rest and recharge when necessary, so I can act at my maximum effectiveness and prevent burnout.

ZZZZZ...

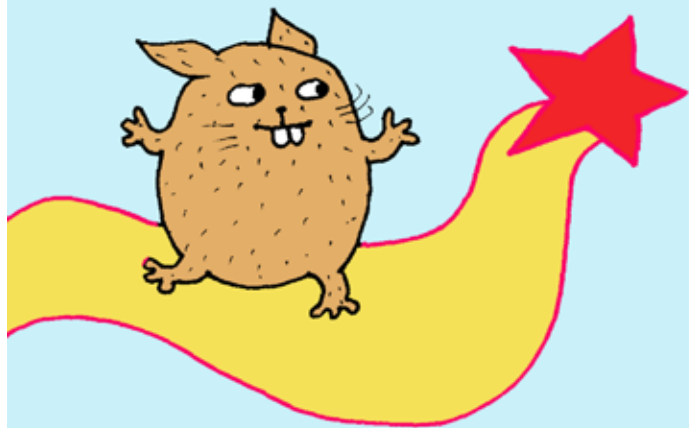

February 13

Being judgmental is often appropriate. We judge right and wrong in order to define what we fight for.

February 14

We're not in the struggle
just to make us feel good
about ourselves, but to
accomplish a goal.

February 15

I don't make PROMISES
I can't fulfill...

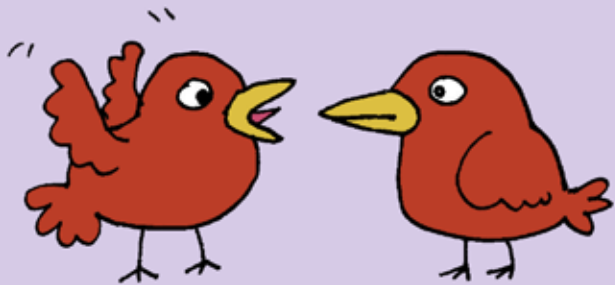

If I make a
PROMISE, I keep it.

February 16

I take every opportunity
to **EXPOSE** the EVILS
of the SYSTEM...

...for anyone WILLING
to **LISTEN**.

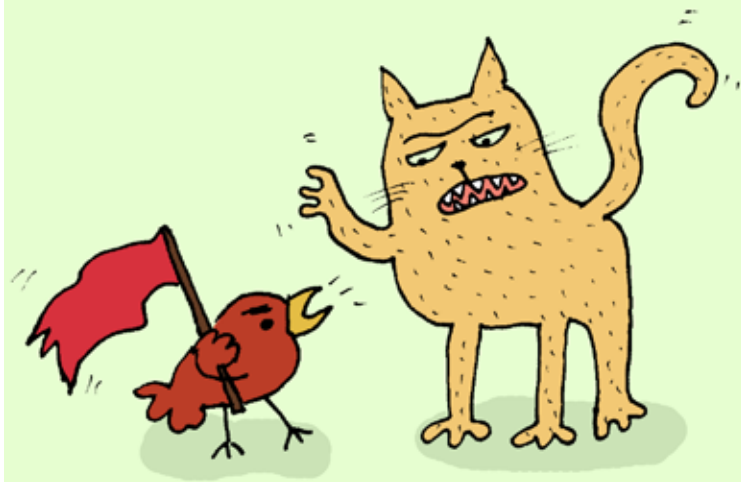

February 17

Trying is not
ENOUGH...

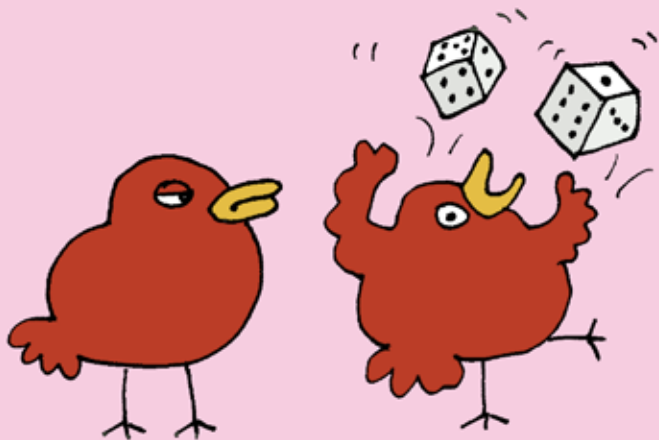

February 18

Even when I'm AFRAID,
I **STAND UP & DEFEND**
myself, my COMRADES,
and our CAUSE.

February 19

THIS IS NOT A **GAME.**

I take myself, my
comrades, and our STRUGGLE
SERIOUSLY.

February 20

My COMRADES span the
globe and all of HISTORY.

Whether
I know
them by
name
or not,

We ARE IN THIS FIGHT
TOGETHER!

February 21

I offer my **LIFE** for
our CAUSE. That means
not only being willing
to die for it...

... but to give the time
and energy of my life,
day by day.

February 22

I don't insult people who
are still dominated by
capitalist ideology...

...Instead, I struggle for
them to overcome it.

February 23

I DON'T WAIT FOR OTHERS
TO TELL ME WHAT TO DO.

I TAKE INITIATIVE TO PUT
OUR COLLECTIVE LINE INTO
PRACTICE.

February 24

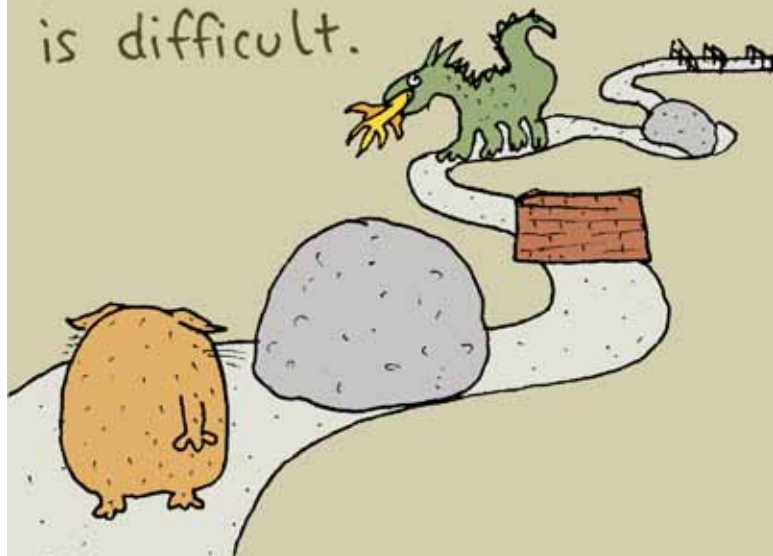

MISTAKES ARE HOW
WE LEARN.

IT'S BETTER TO MAKE
MISTAKES THAN TO
AVOID DOING THINGS.

February 25

My commitment to
revolution doesn't waver,
even when the path
is difficult.

February 26

Everything I do depends upon the work of others. I am one player in a magnificent orchestra.

February 27

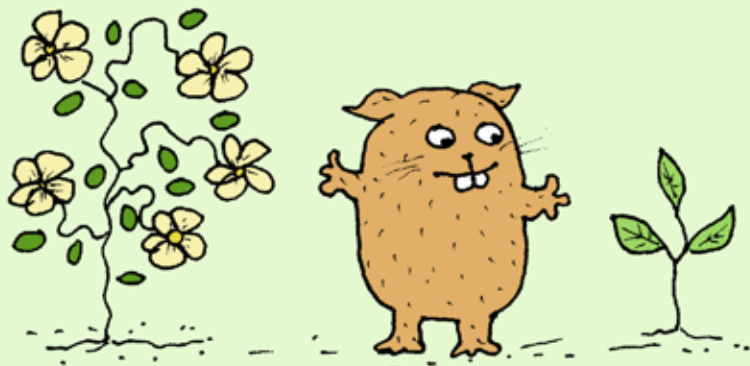

ONLY THROUGH ORGANIZATIONS
CAN WE BE A SOCIAL FORCE.

I CONSTANTLY WORK TO
BUILD AND STRENGTHEN
MY ORGANIZATION.

February 28

If I don't belong to an organization, I JOIN one.

If I don't find one I agree with, I START ONE.

February 29

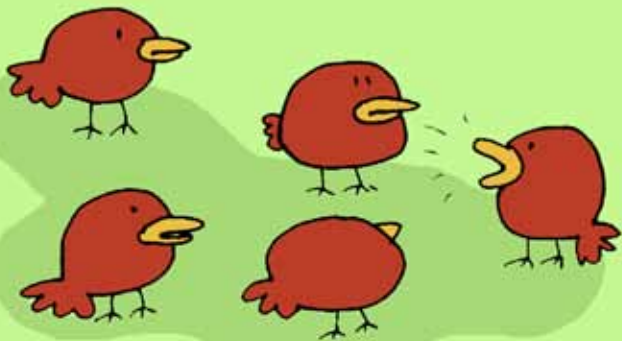

Knowing WHAT TO DO &
How TO DO IT are crucial...

... But they are merely the
PRECONDITIONS for the
MOST IMPORTANT STEP:
DOING IT.

March 1

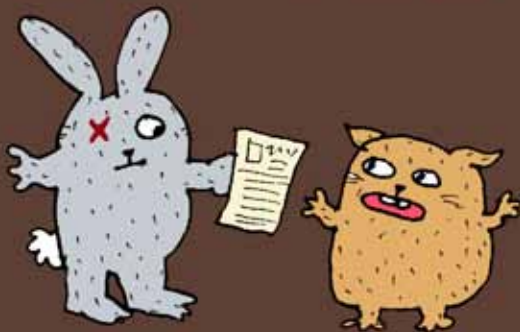

FOR My organization to be truly COLLECTIVE & DEMOCRATIC, each person must PARTICIPATE.

I SPEAK UP to take my share of RESPONSIBILITY for our direction.

March 2

FOR DISAGREEMENTS to turn into
GROWTH opportunities, they
must be OUT in the OPEN.

We encourage each other to
Constructively express our
DIFFERENCES.

March 3

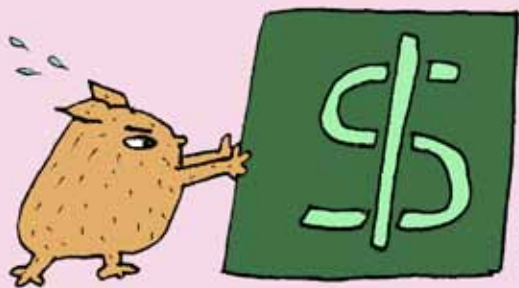

We do not fight to WIN
an argument between us.
We fight to AGREE.

Only by achieving fundamental
unity, can we become a
powerful social FORCE.

March 4

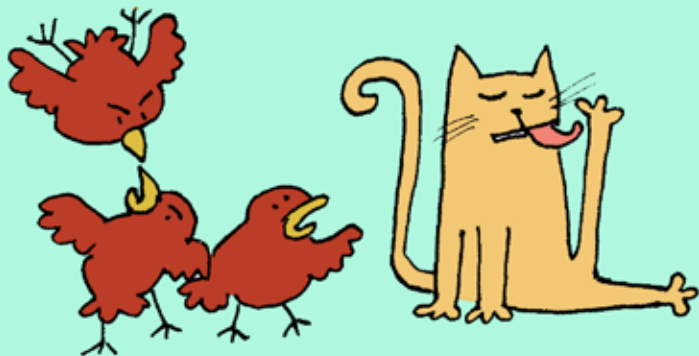

MY ANTAGONISM AGAINST
CAPITALISM IS FUNDAMENTAL
and Life LONG.

I will NEVER ACCEPT ITS
DOMINATION of HUMANITY
and the EARTH.

March 5

Conflicts among the PEOPLE
are NOT FUNDAMENTAL.

We must STRUGGLE with
one another even as we
UNITE against our common
ENEMY.

March 6

IT'S NOT ALL ABOUT **ME.**

My efforts are not for self-expression or meeting my personal needs, but for the **CAUSE.**

March 7

MY LIFE IS DEDICATED
TO PROLETARIAN REVOLUTION.

I DON'T WASTE TIME OR
MENTAL SPACE ON TRIVIAL
CONCERNS.

March 8

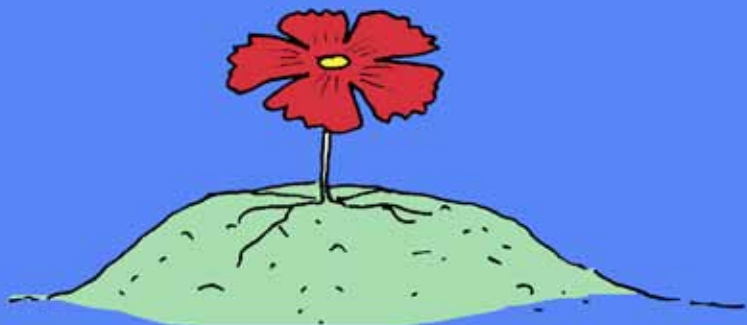

THERE IS NOTHING MORE
IMPORTANT THAN THE
STRUGGLE.

ITS EFFECTS WILL HAVE
MUCH GREATER IMPACT THAN
ANYTHING ELSE I MIGHT DO
WITH MY LIFE.

March 9

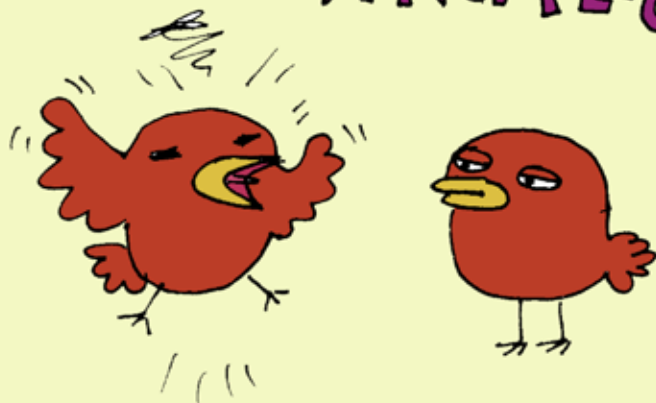

When I die, I WANT TO
KNOW I MADE A DIFFERENCE,

... and contributed to the
cause of EMANCIPATION
from GLOBAL CAPITALISM.

March 10

My behavior is ruled
NOT by **EMOTIONS**,
but by **PRINCIPLES**.

March 11

I Love the Earth,
the Network of Life...

...and defend it by
building a movement to
CRUSH capitalism.

March 12

I CULTIVATE QUALITIES
THAT SERVE OUR CAUSE:

★ steadfastness

★ diligence

★ open-mindedness

★ critical thinking

★ fortitude

March 13

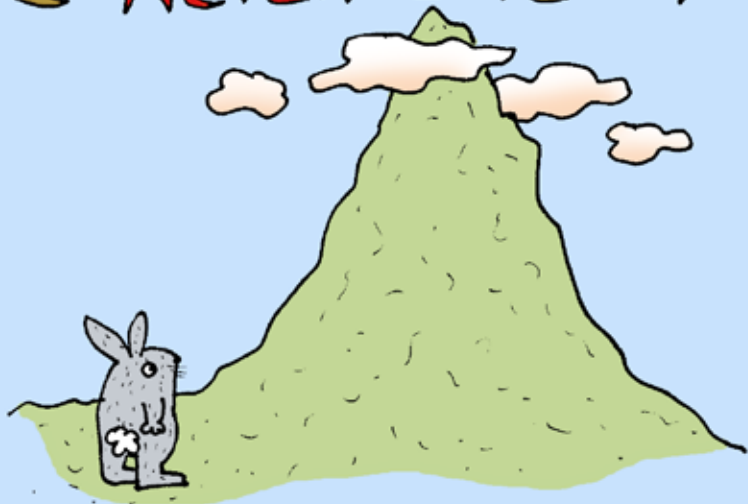

I DON'T NEED TO LIKE
EVERYONE I WORK WITH...

If they're contributing
positively to the struggle
overall, then I appreciate
their presence.

March 14

I NEVER GIVE UP.

WE WILL NEVER
SURRENDER.

March 15

March 16

At each moment, we're
either being dominated by
capital or resisting and
building an alternative.

I constantly try to find
ways to do the latter.

March 17

I take my organization
and the struggle seriously
enough to protect their
SECURITY.

March 18

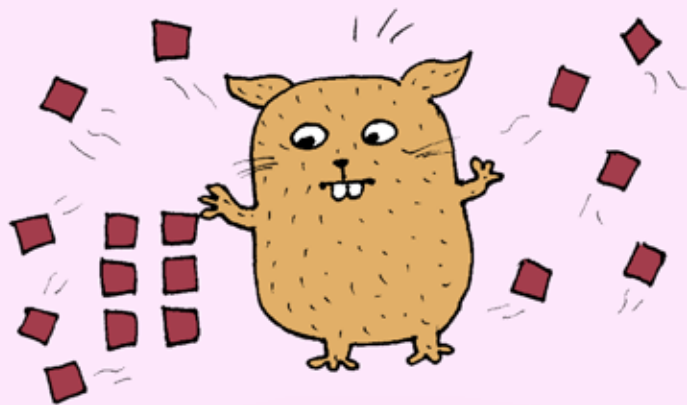

I demonstrate my
TRUST in the
Revolutionary Process...

...by totally
Committing to it.

March 19

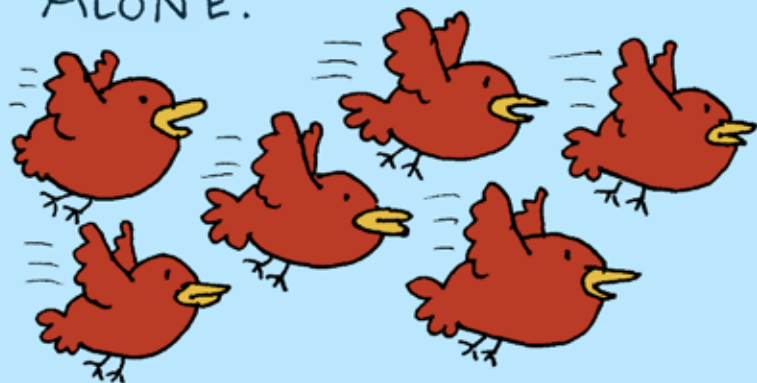

I WORK IN AN ORGANIZED
AND METHODOICAL FASHION.

WHEN ENTROPY STRIKES,
I RE-CONSOLIDATE.

March 20

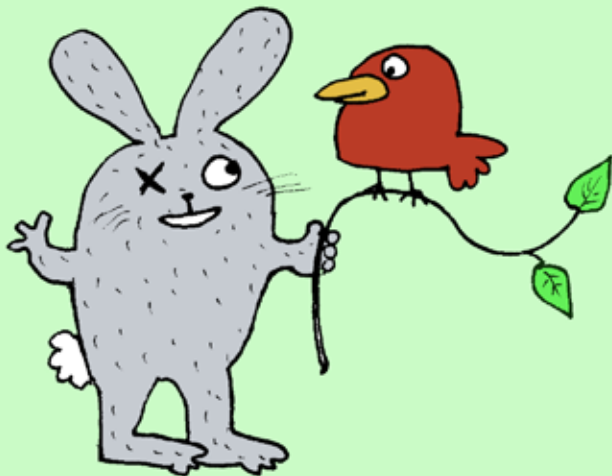

No tactic or technique
can work if we are
ALONE.

Building political unity
is our CENTRAL activity.

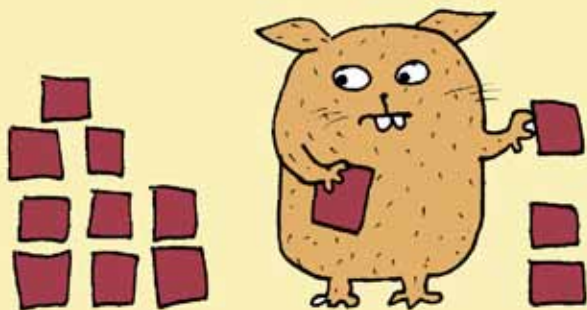

March 21

I prioritize the WELL-BEING
of my **COMRADES.**

March 22

Every day we're forced to give time & energy to the ENEMY. I fight to give more of both to our cause instead.

March 23

I constantly evaluate how closely my actions correspond to my political line, and if I need to correct my course.

March 24

I DON'T BLAME MYSELF
OR OTHERS FOR THE BAD
THINGS THAT HAPPEN TO
US DUE TO CAPITALIST
SOCIAL RELATIONS.

March 25

CAPITALISM WANTS TO
KEEP US IGNORANT.

I BREAK ITS SPELL BY
STUDYING HISTORY AND
POLITICAL THEORY.

March 26

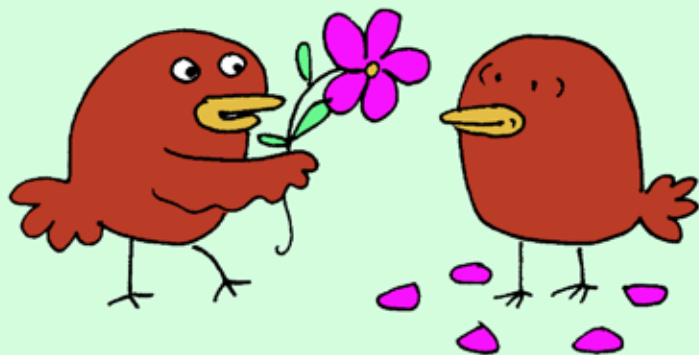

I don't allow the
insults & grievances of
daily life to consume me.

I direct my **RAGE** to
prepare for **CLASS WAR.**

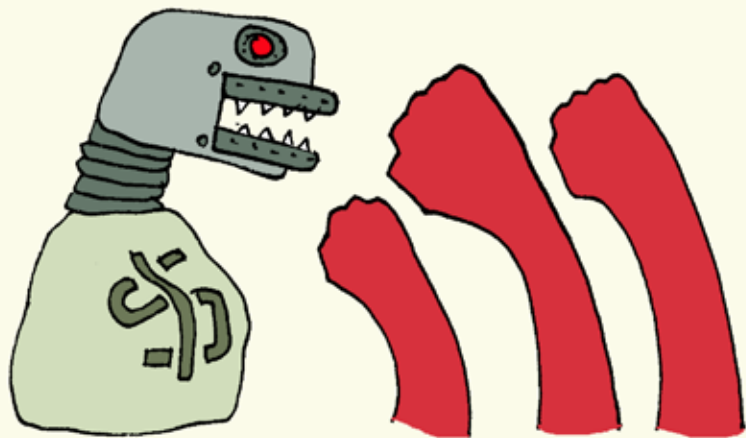

March 27

I will gather all my dreams
broken by CAPITALISM, and
turn them into a NEW
Dream: **REVOLUTION**.

March 28

IN ANY CLASS-BASED
CONFLICT, I TAKE THE
SIDE OF WORKERS.

March 29

I find ways of uniting
with anyone on the
side of working class
revolution...

...even if we don't
agree on the specifics.

March 30

When I feel discouraged or tired, I cultivate strategic optimism and push through on my tasks.

March 31

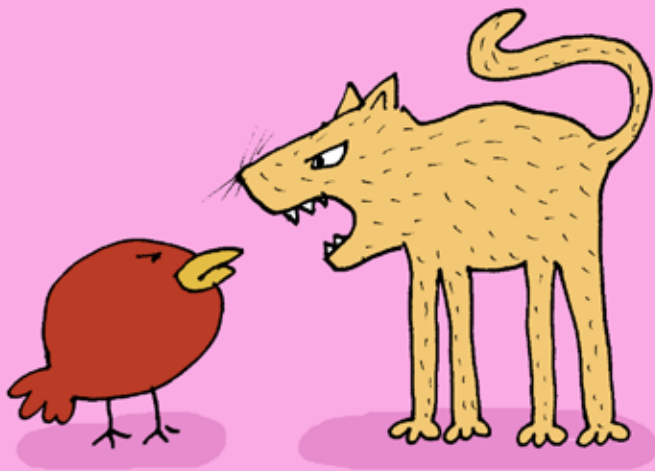

I'M NOT JUST A BODY
FILLING SPACE AT A PROTEST.

...I MILITATE FOR MY POSITION
AND BUILD ORGANIZATIONAL
RELATIONSHIPS.

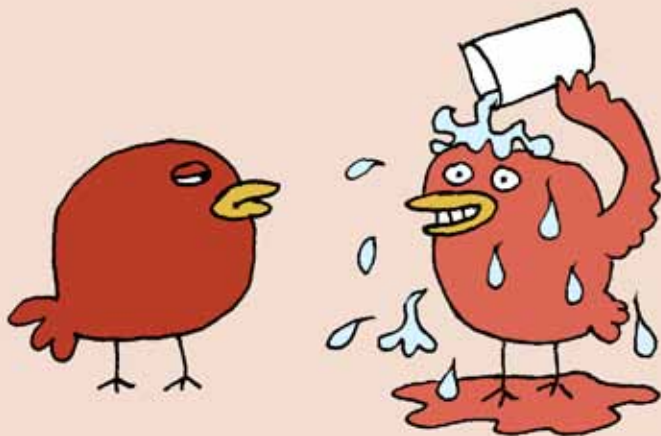

April 1

I DO NOT LOSE MY
EQUILIBRIUM IN THE
FACE OF BULLYING.

April 2

I don't water down my position for the sake of popularity or numbers.

April 3

IN POLITICAL
RELATIONSHIPS, I VALUE
QUALITY OVER QUANTITY.

April 4

CLASS STRUGGLE ISN'T
CONFINED TO THE
FACTORIES OR THE STREETS.

WE FIGHT BOURGEOIS IDEOLOGY
IN OUR "PERSONAL" LIVES,
RELATIONSHIPS, AND IN OUR
OWN HEADS, AS WELL.

April 5

LET'S REJECT THE SEDATIVES
OFFERED BY THE BOURGEOISIE
TO NUMB THE PAIN THEY
CAUSE, AND FIGHT THEM
TOGETHER INSTEAD.

April 6

GOOD IDEAS ARE ONLY THE
FIRST STEP. I FOLLOW
THROUGH TO PUT IDEAS
INTO PRACTICE.

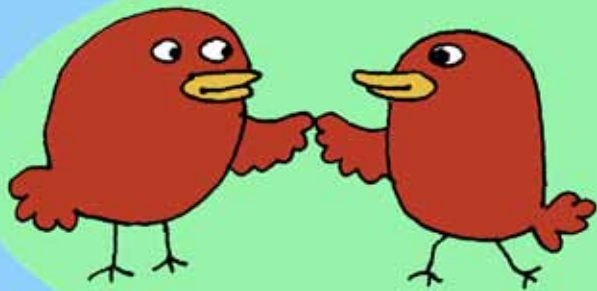

April 7

I'm NOT Afraid of
FAILURE, but of
Losing without having
tried my HARDEST.

April 8

I DON'T BULLY OR
GUILT-TRIP PEOPLE.

THEIR AGREEMENT MUST
BE FULLY VOLUNTARY.

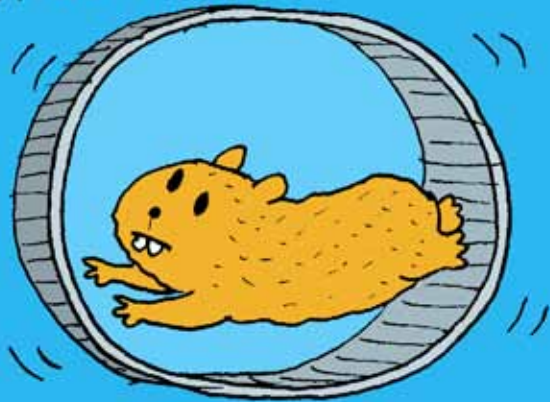

April 9

Among allies I assume
good intentions, rather
than take immediate
offense.

April 10

I don't blame MYSELF for the goals I don't achieve because of capitalism trapping us in constant survival mode.

April 11

SOCIAL TRANSFORMATION
IS A LOOOOONG HAUL.

My PATIENCE NEVER
DEGRADES INTO COMPLACENCY.

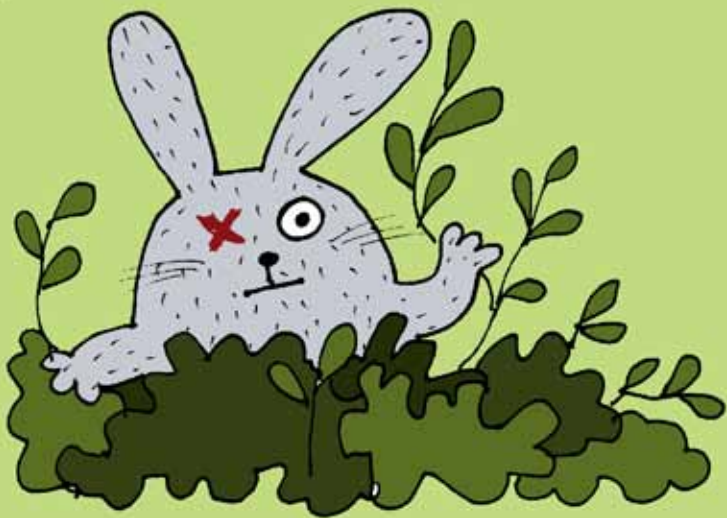

April 12

I start conversations everywhere! I learn something useful for the struggle from everyone's experiences and ideas.

April 13

WE CANT PREDICT THE
FUTURE, BUT FIND OUR
PATH AS WE WALK IT.

April 14

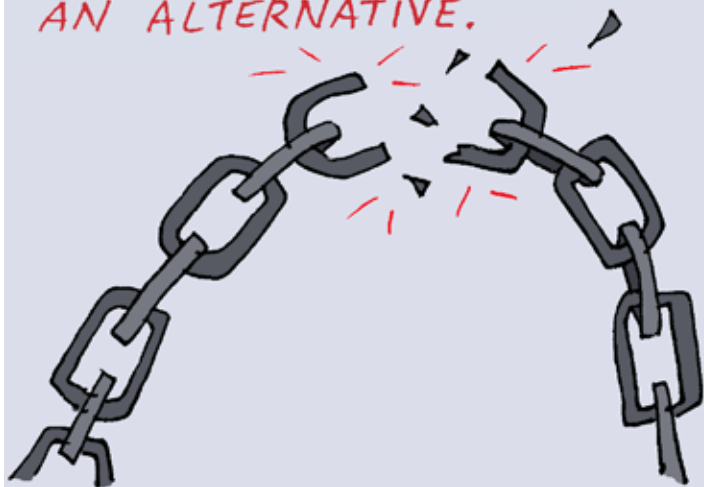

It's better to fight even
when defeat is likely ...

... than not to fight and
make defeat a certainty.

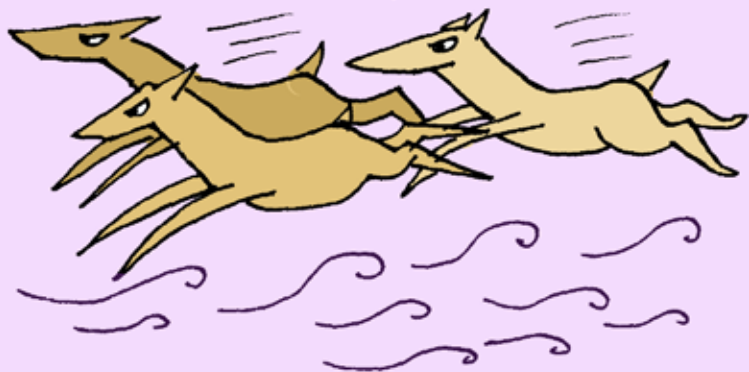

April 15

I HAVE CONFIDENCE IN THE
CAPACITY OF THE WORKING
CLASS TO OVERCOME
CAPITALISM AND CONSTRUCT
AN ALTERNATIVE.

April 16

I can & I will realize
my goals, my potential,
and support my comrades,
through
REVOLUTIONARY STRUGGLE.

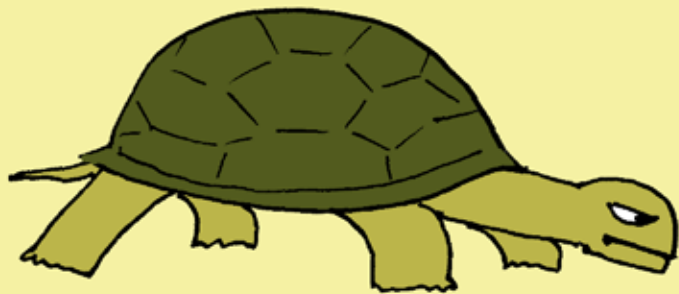

April 17

I RECEIVE NEW
INFORMATION WITH
CURIOSITY, OPENNESS,
AND CRITICAL ANALYSIS.

April 18

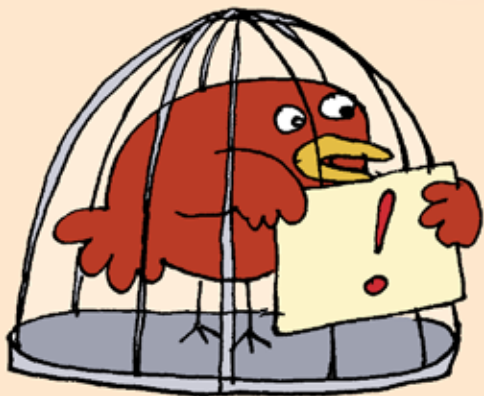

My sense of mission
is clear and solid.

I know what
I am doing.

April 19

Even if my time &
resources are limited,
I prioritize them to
serve the struggle.

April 20

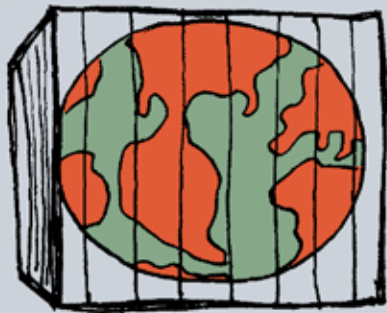

I won't COMPROMISE my
PRINCIPLES just to
Please others...

I CAN withstand PRESSURE
and MANIPULATION.

April 21

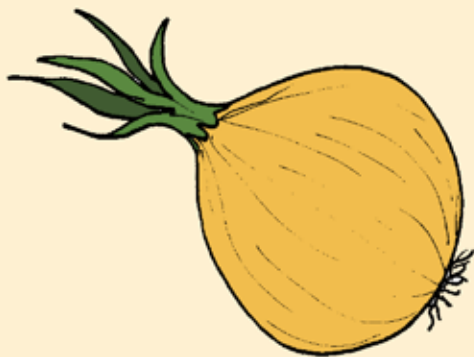

The condition of the
PLANET corresponds to our
political enslavement...

... Saving it depends on our
collective EMANCIPATION.

April 22

A PERSON'S PROLETARIAN
CLASS CONSCIOUSNESS IS
MORE IMPORTANT THAN ANY
SUPERFICIAL QUALITY.

April 23

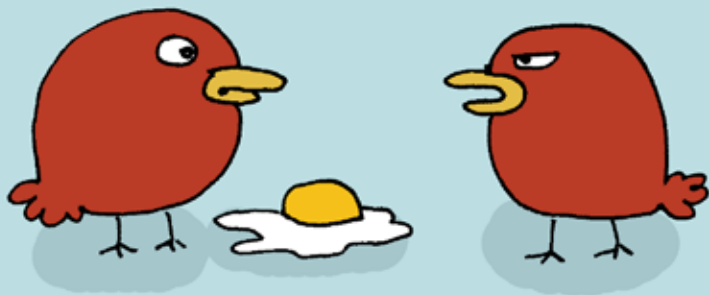

WE ALL HAVE LIMITATIONS
& HANGUPS.

I TRY TO OVERCOME THEM
& NOT LET THEM AFFECT
MY POLITICAL WORK.

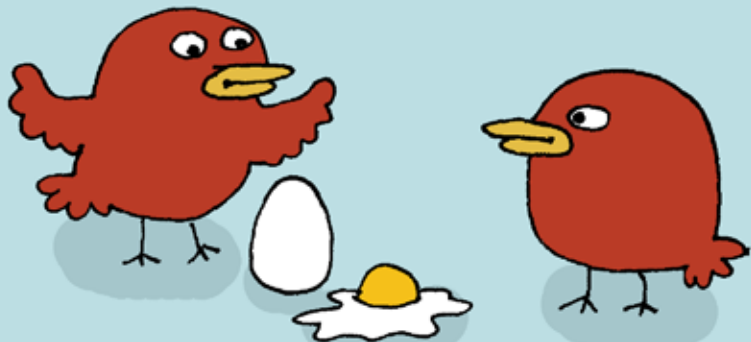

April 24

We DON'T SEETHE IN
SILENCE; WE BRING
SERIOUS GRIEVANCES INTO
THE OPEN.

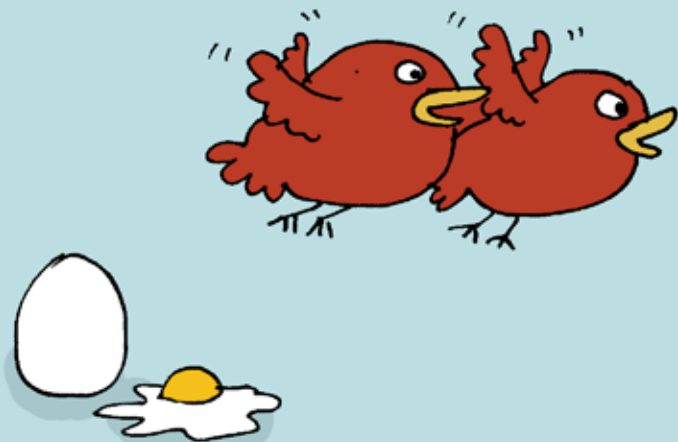

April 25

WE DON'T DENY OUR
MISTAKES; WE RECTIFY
THEM.

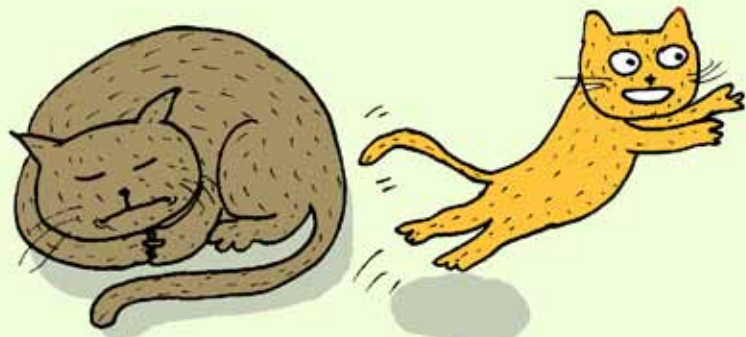

April 26

WE DON'T HOLD GRUDGES;
WHEN AN ERROR HAS BEEN
RECTIFIED, WE MOVE ON.

April 27

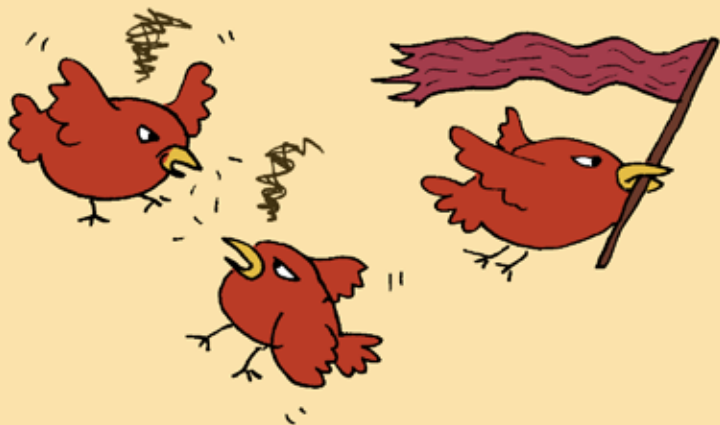

Even if in DesPAIR...

... I NEVER DISCOURAGE
anyone from fighting to
DEFEAT THE SYSTEM.

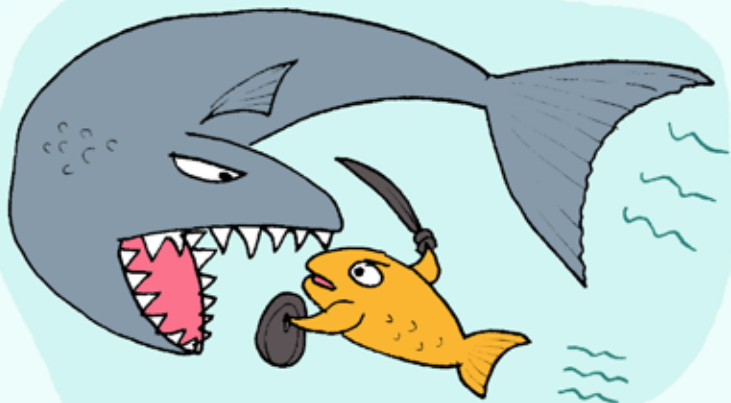

April 28

We shouldn't get
sidetracked into conflicts
among ourselves, but
unite to fight capitalism.

April 29

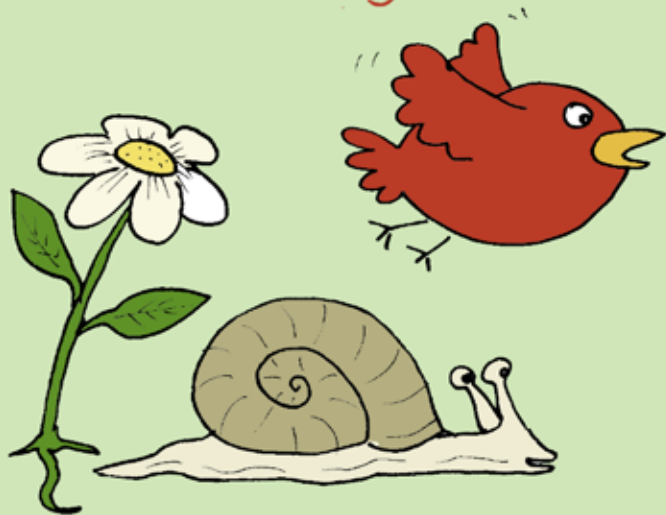

We are **AT WAR.**

We should never be
lulled into forgetting
that reality.

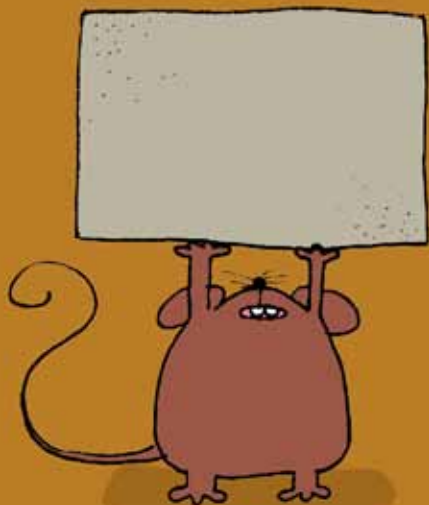

April 30

Each of us contributes
to the struggle according
to our ability.

May 1

I SUMMON ALL MY
STRENGTH AND GIVE IT
TO OUR COMMON CAUSE.

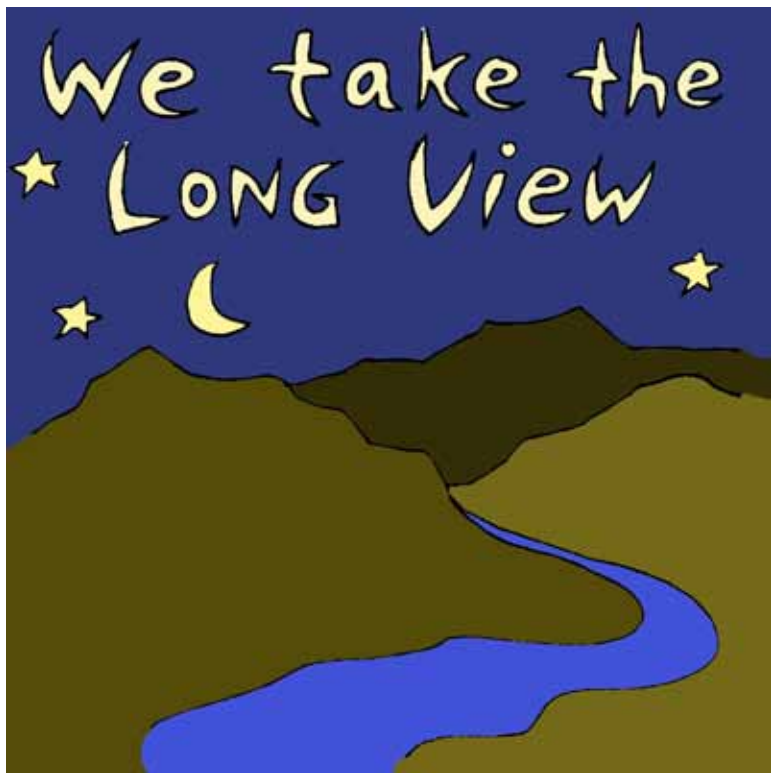

May 2

INSTEAD OF OUR
PERSONAL PROBLEMS, WE
FOCUS ON THE TASK OF
CLASS EMANCIPATION.

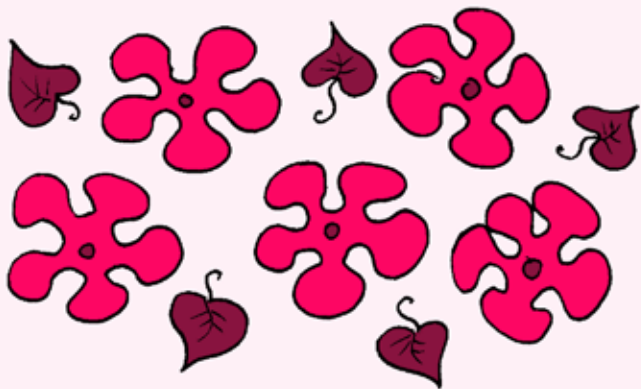

May 3

May 4

Arrogance is
unwarranted...

None of us is
indispensable.

May 5

We FIGHT OPPORTUNISM.

We will never betray the
interests of the struggle.

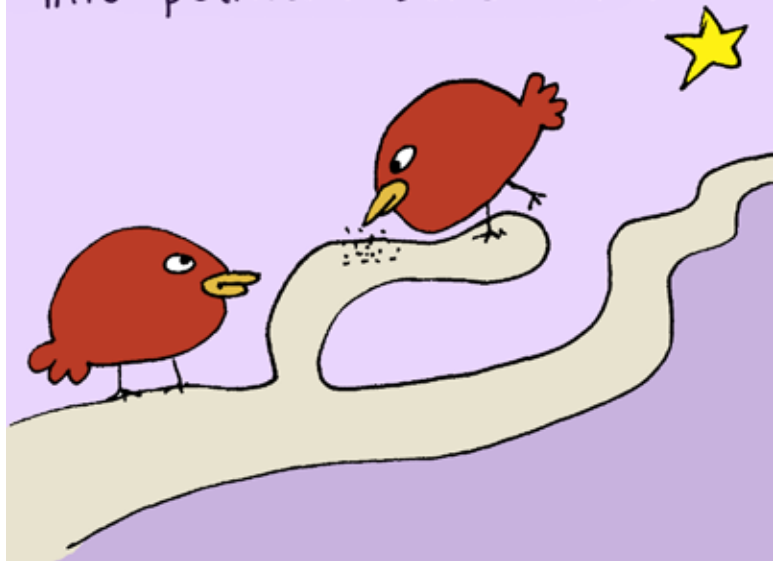

May 6

To grasp a situation or
phenomenon, I look to its
fundamental contradiction.

May 7

We don't COMPROMISE with
those seeking to DIVERT us
into political DEAD ENDS.

May 8

Capitalists want us to
believe Revolution is
IMPOSSIBLE. They LIE.

May 9

REVOLUTION is not only
Possible, it's our ONLY
OPTION to break out of
this CAPITALIST HELL.

May 10

I STRIVE TO STRENGTHEN
THE FIGHTING SPIRITS OF
MY COMRADES & ALLIES.

May 11

Bringing class antagonism
out into the open is the
first step in challenging
capitalist domination.

May 12

My **HATRED** of
CAPITALISM is **SHARP**
and **STRONG**.

I keep its edge **HONED**.

May 13

I don't SWALLOW or
misdirect my ANGER.

I focus it on my
fundamental enemy:
CAPITAL.

May 14

Before CAPITAL can be
DEFEATED POLITICALLY,
it must be defeated
IDEOLOGICALLY.

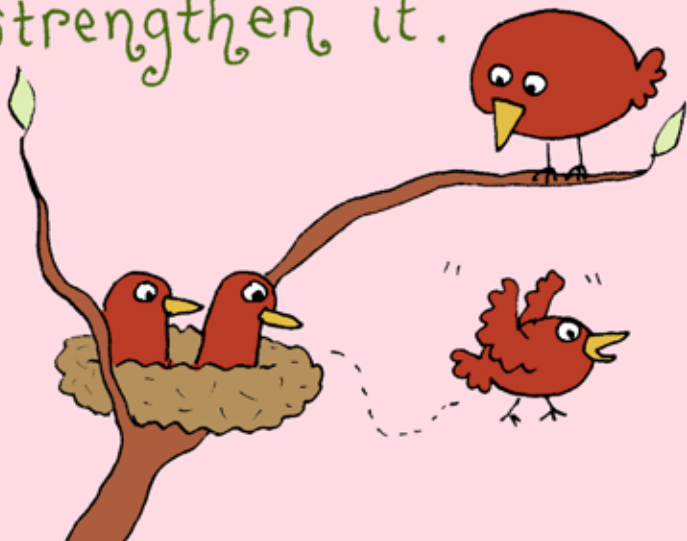

May 15

I AM EAGER TO STEP ONTO
THE IDEOLOGICAL BATTLEFIELD
TO CONFRONT, DEBATE, and
COMBAT the ENEMY'S IDEAS.

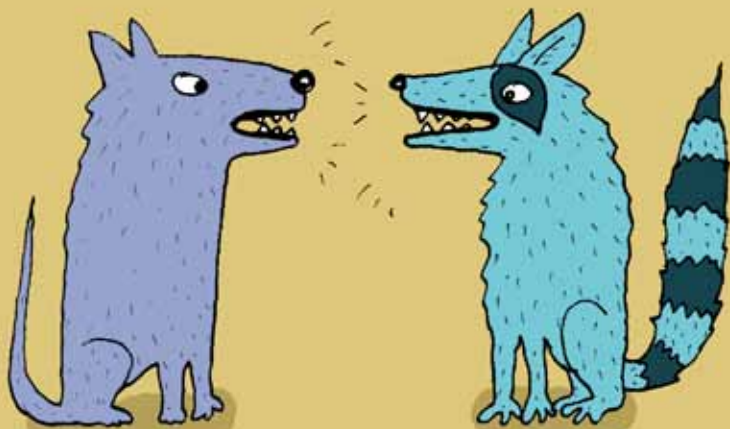

May 16

Every time I assert
my political line, I
strengthen it.

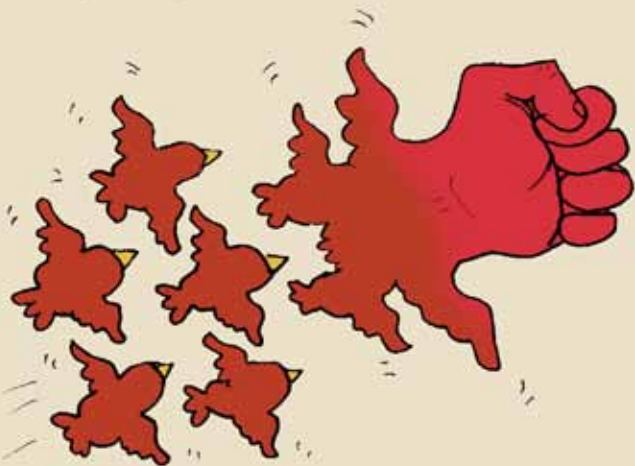

May 17

ORGANIZING FOR REVOLUTION
MAY SEEM OVERWHELMING,
BUT IT STARTS WITH JUST
2 PEOPLE TALKING.

May 18

With patience, persistence, &
creativity, we can convince
people of the need to
CRUSH CAPITALISM.

May 19

We don't cling to
DOGMA when faced
with contrary EVIDENCE.

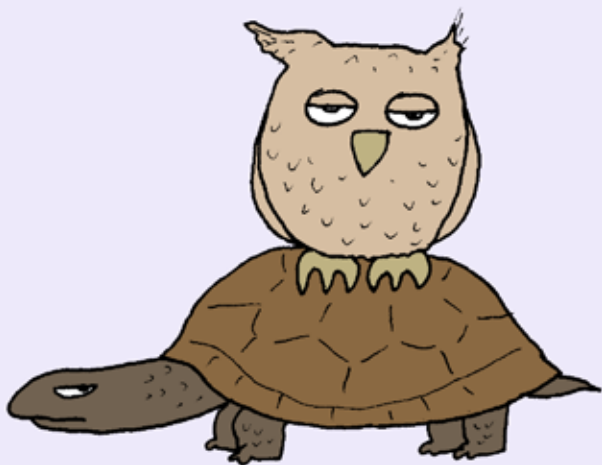

May 20

I'm not afraid to FAIL.
If we don't make mistakes,
it means we're not learning
from trying new things.

May 21

IF OPPRESSIVE BEHAVIOR
OCCURS WITHIN OUR RANKS, WE
COLLECTIVELY PUT A STOP TO IT.

May 22

If I don't understand
something, I study it
until I do.

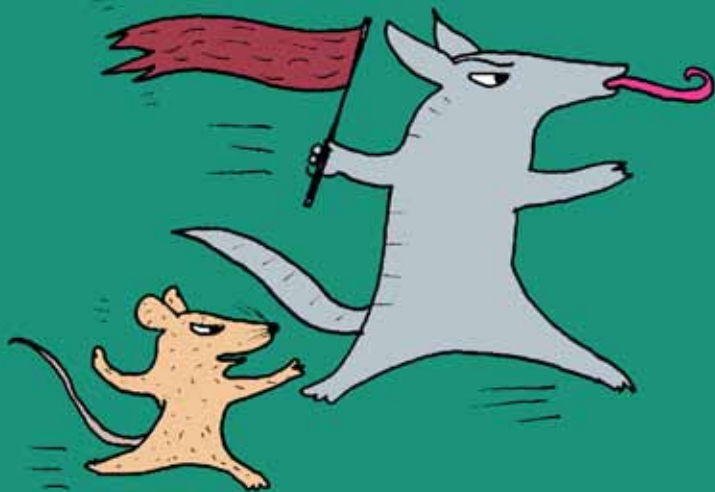

May 23

Instead of FAILING over
and over, I cut my losses
and try something else.

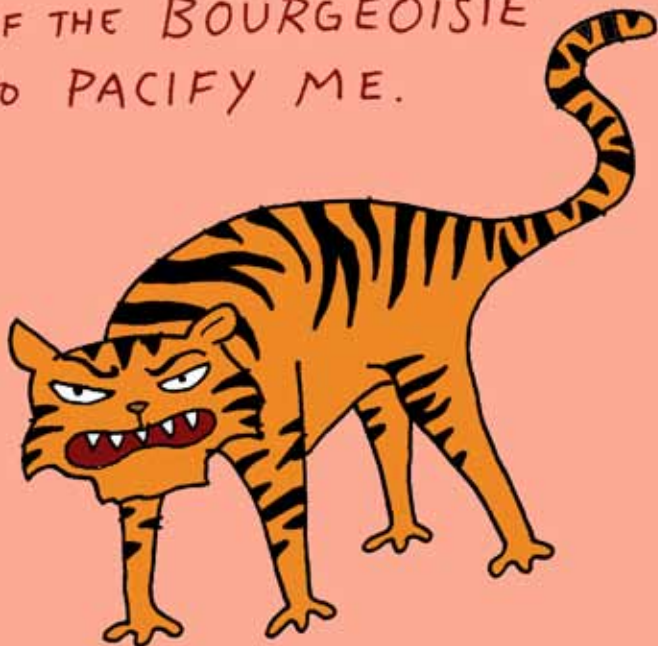

May 24

My loyalty is NOT to the
SYSTEM, but to those who
FIGHT it.

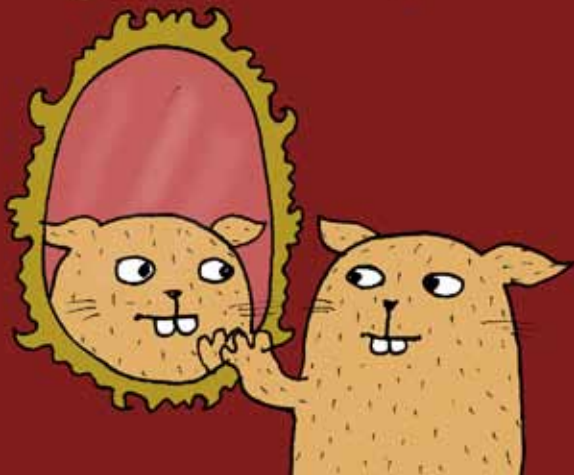

May 25

I RESIST ALL ATTEMPTS
OF THE BOURGEOISIE
to PACIFY ME.

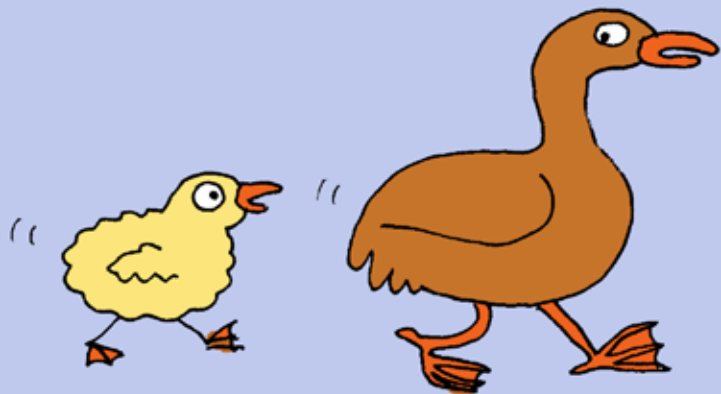

May 26

Our morality is based on class interests. I uphold & live by proletarian principles in every area of my life.

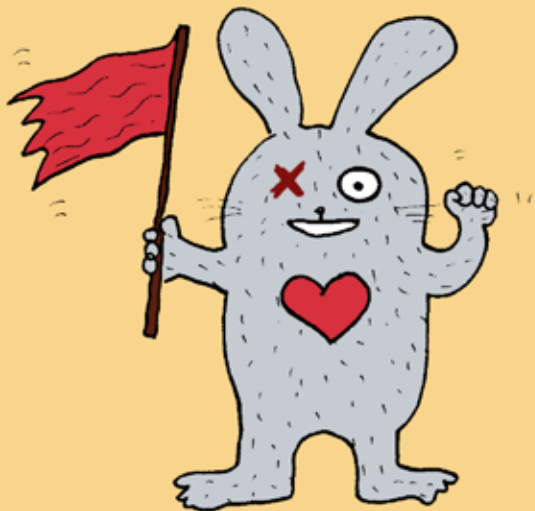

May 27

Everything we do affects & influences others. I strive to be a positive role model for our cause.

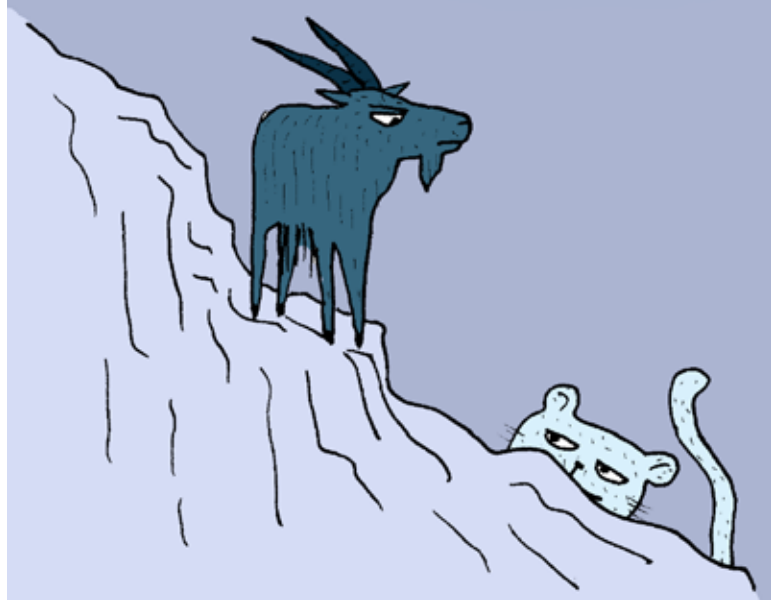

May 28

We are in the Struggle
FOR LIFE. Nothing could
make us abandon it.

May 29

I WOULD RATHER **Die**
THAN BETRAY OUR CAUSE.

May 30

OUR ENEMY IS NOT
INVINCIBLE. ITS DISPLAYS
OF CRUELTY & WEAPONRY
ARE COVERS FOR UNDERLYING
CRISIS & WEAKNESS.

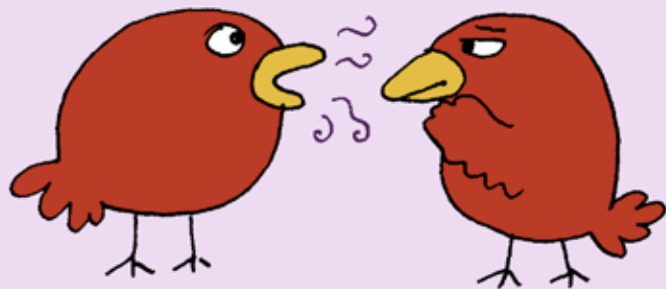

May 31

CAPITALISM CAN BE
DEFEATED. WE WILL
PREVAIL.

June 1

My goal is not to be likable, but to be persuasive for the CAUSE of REVOLUTION.

June 2

My life and daily activities are determined and guided by our collectively constructed political line.

June 3

I try to find points of agreement with everyone possible, that can allow us to unite to fight CAPITALISM.

June 4

We count on our own strength. We seek help only after we've already tried.

June 5

Through study and practice,
I constantly increase my
effectiveness as a militant.

June 6

I PUT PROLETARIAN
POLITICS ~NOT EXPEDIENCY~
IN COMMAND OF EVERY
DECISION I MAKE.

June 7

We shed the cement shoes
of DOGMA to go barefoot
and OPEN-MINDED into the
FUTURE.

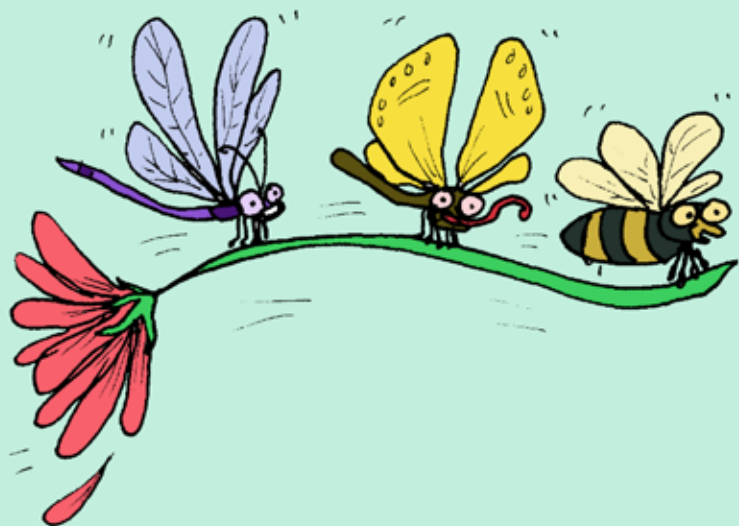

June 8

We don't isolate ourselves in
Sectarianism, but reach out
to build political unity &
organizational relationships.

June 9

WHEN WE ACHIEVE SOME
DEGREE OF POLITICAL UNITY,
WE DECIDE ON COMMON WORK.

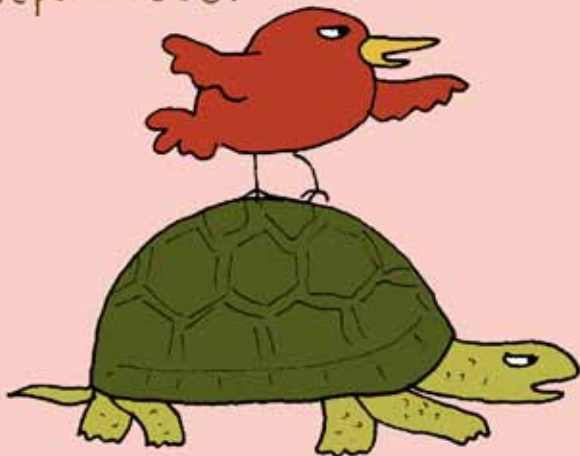

June 10

I Love the NATURAL
WORLD, which gives us

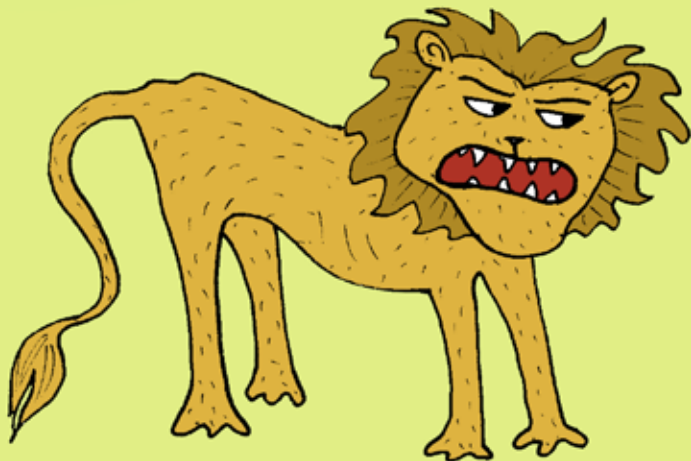

June 11

We stand on the shoulders
of those who came before
us, learning from their
experiences.

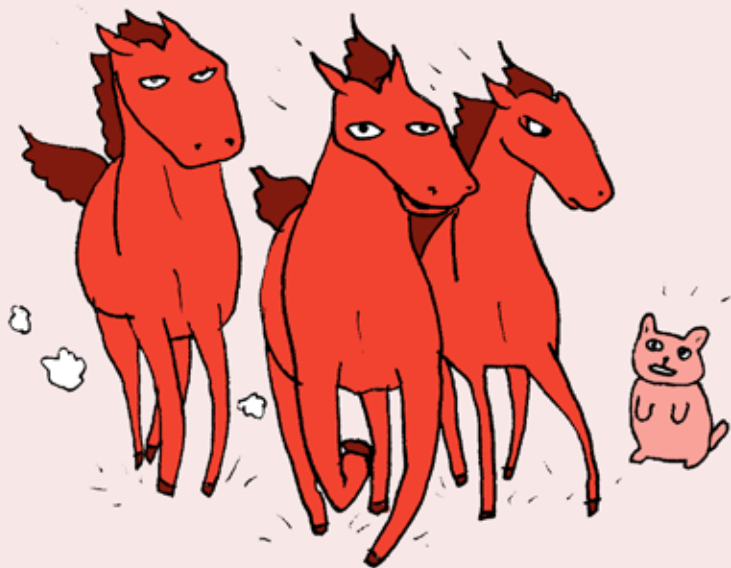

June 12

THE WORKING CLASS WILL
CONSOLIDATE ITS ANTAGONISM
TOWARD CAPITAL, AND
DISCOVER ITS POWER.

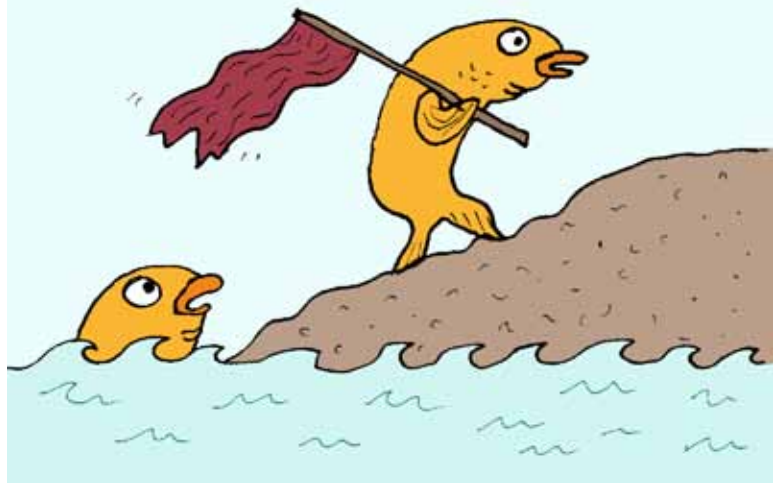

June 13

The WORKING CLASS will lead
the REVOLUTION to **VICTORY!**

June 14

I WILL GO ANYWHERE AND DO
ANYTHING TO ADVANCE THE
STRUGGLE FOR A CLASSLESS
AND SUSTAINABLE FUTURE.

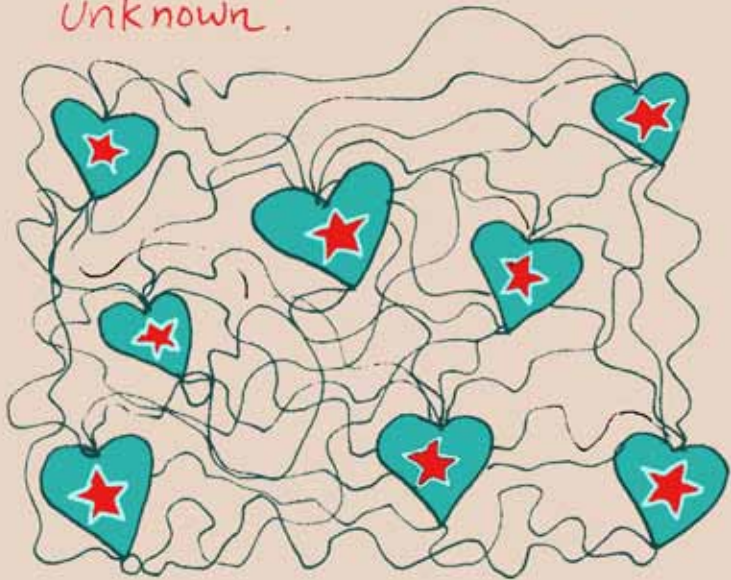

June 15

I'll work as long and hard
as I can for revolution,
until I can work no more.

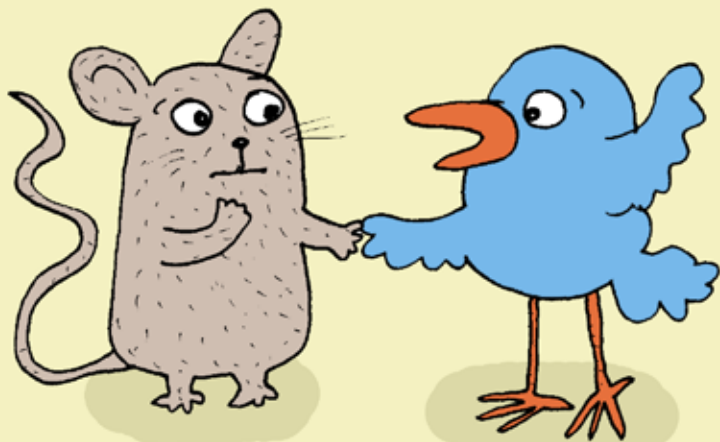

June 16

I Love my comrades ~
Near and far, known and
unknown.

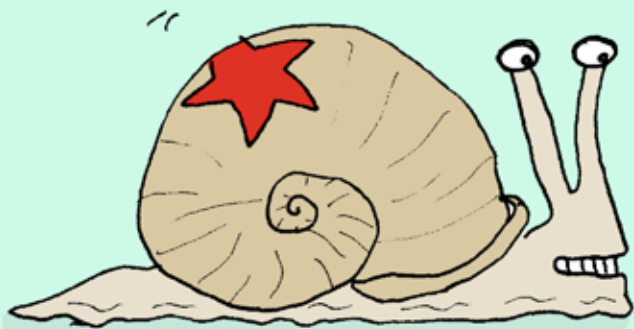

June 17

I listen to my comrades
and allies with sympathy
and respect.

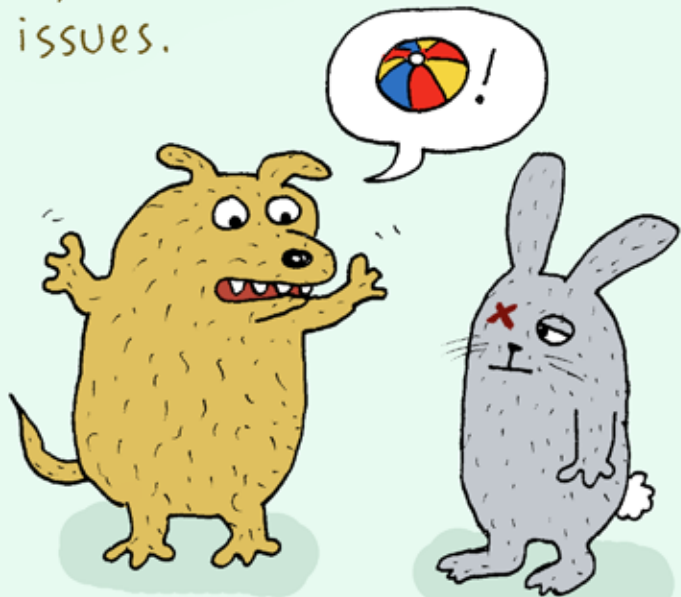

June 18

Everyone has limitations & strengths. Whatever mine are, I find ways to contribute to the struggle.

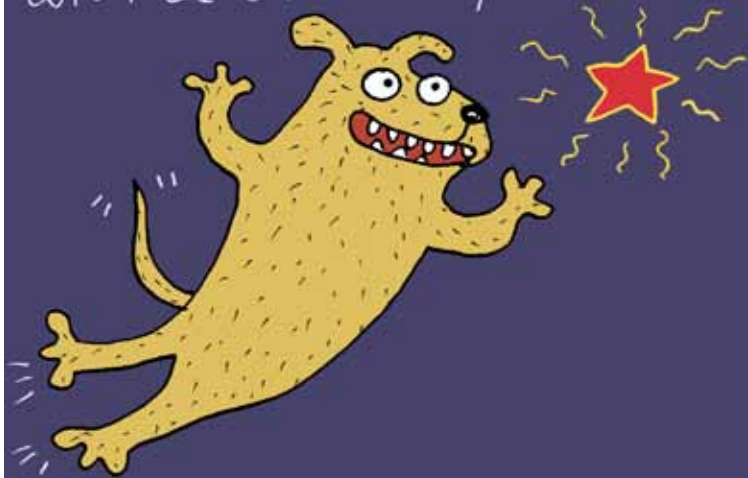

June 19

I don't waste the time of
my comrades with irrelevant
issues.

June 20

Though our odds of success may be slim, I face my revolutionary tasks with determined optimism.

June 21

WE NEVER RESORT TO
DESPERATE MEASURES...

... BUT METHODICALLY
ADVANCE ACCORDING TO OUR
COLLECTIVELY CONSTRUCTED
POLITICAL LINE....

June 22

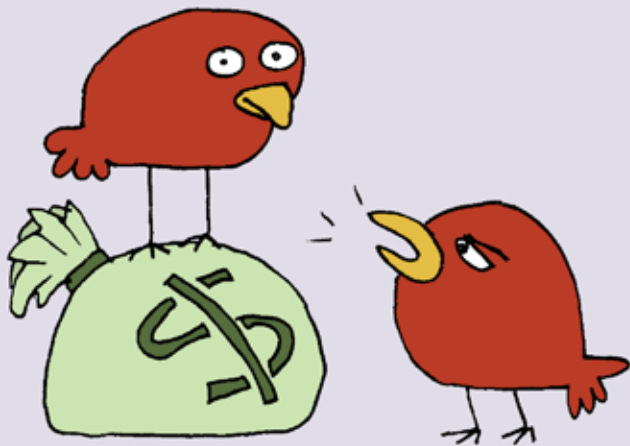

HISTORICAL PROCESSES
HAVE THEIR OWN LAWS
OF MOTION. ...

... IN THAT CONTEXT WE
STRIVE FOR MAXIMUM
EFFECT.

June 23

Personal success is
meaningless in the context
of an evil, exploitative
system.

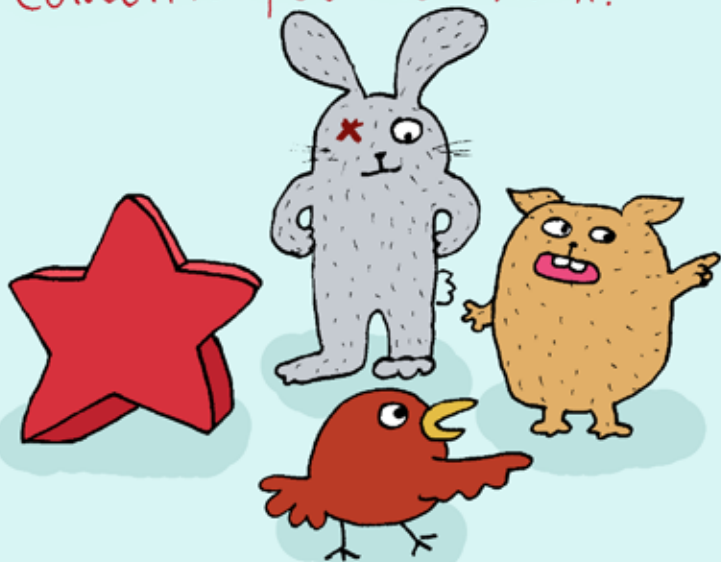

June 24

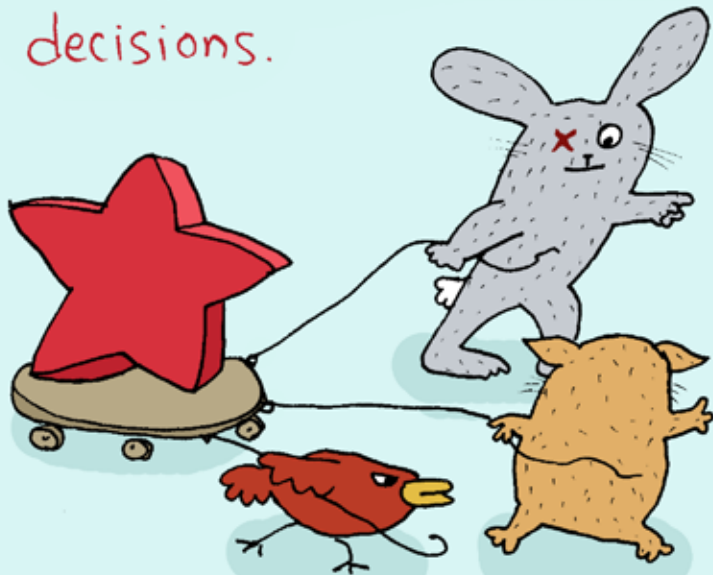

June 25

We each take responsibility
for the direction of our
collective political work.

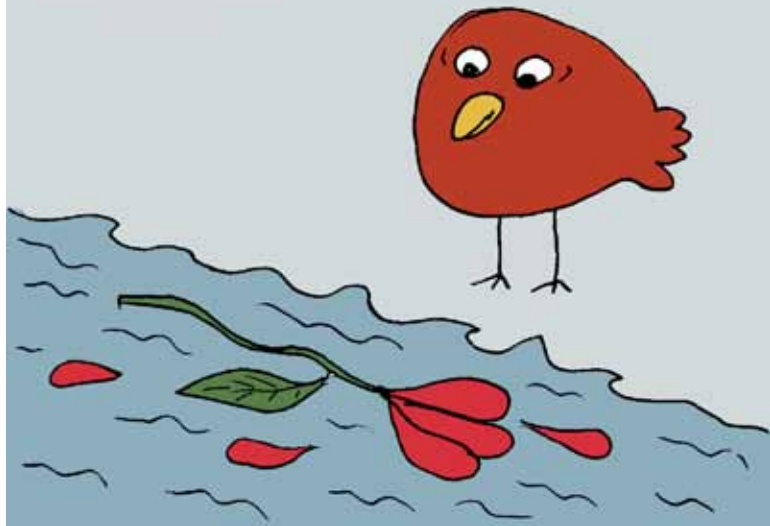

June 26

We each pull our weight
to implement our collective
decisions.

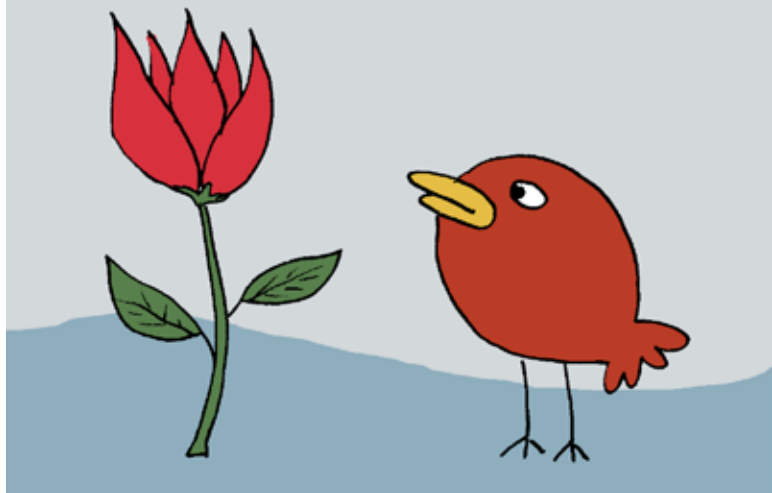

June 27

I honor the sacrifices made
by past revolutionary
militants.

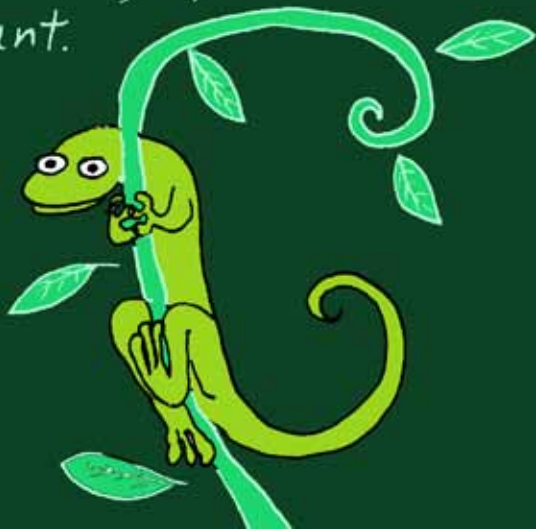

June 28

I vow to try to live up
to the standards of those
who fought before.

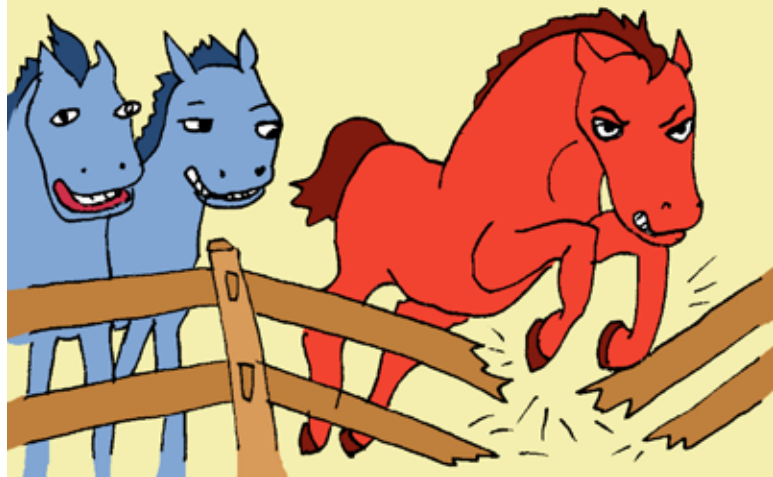

June 29

I will do whatever it takes to be an EFFECTIVE revolutionary proletarian militant.

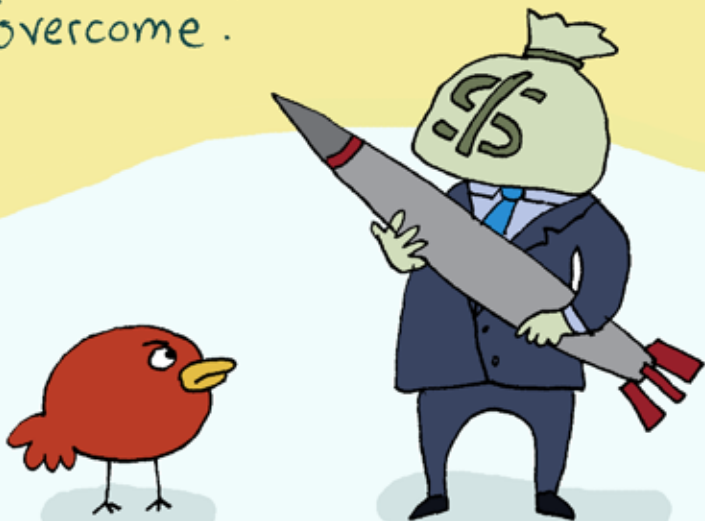

June 30

THE WORKING CLASS can
and WILL LEAD the MASSES
to OVERTHROW CAPITALISM!

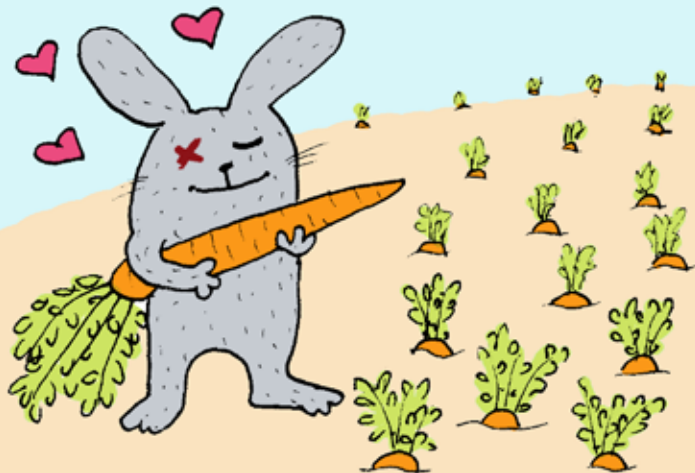

July 1

We understand that
capitalism is not natural or
permanent, and can be
overcome.

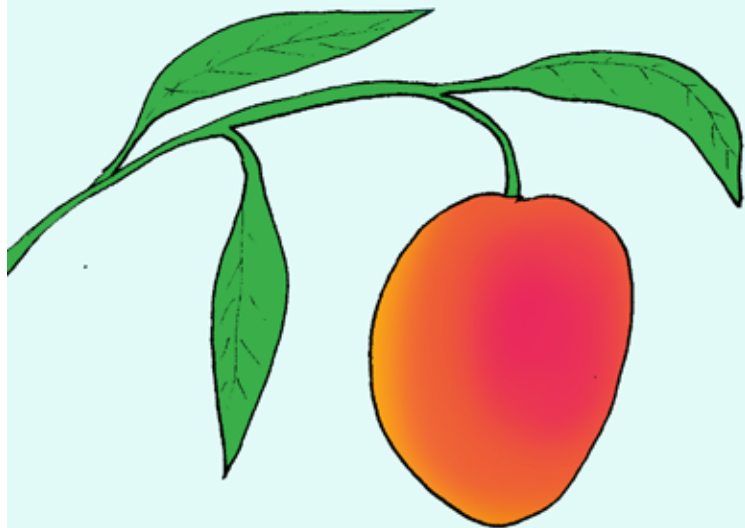

July 2

We open our minds to
the possibility of alternatives
to capitalism.

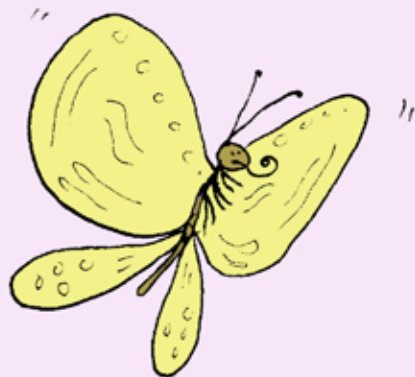

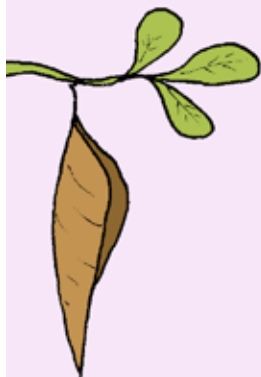

July 3

We struggle for a society
that is biocentric and free
of class divisions.

July 4

As we participate in the
process of transforming Society,
we are transformed as well.

July 5

CLASS STRUGGLE IS
THE STRUGGLE FOR
EXISTENCE.

July 6

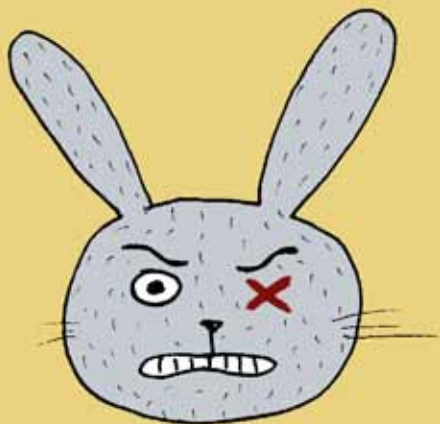

Class struggle is the
ultimate **CHALLENGE**.

We **LOVE** challenges!

July 7

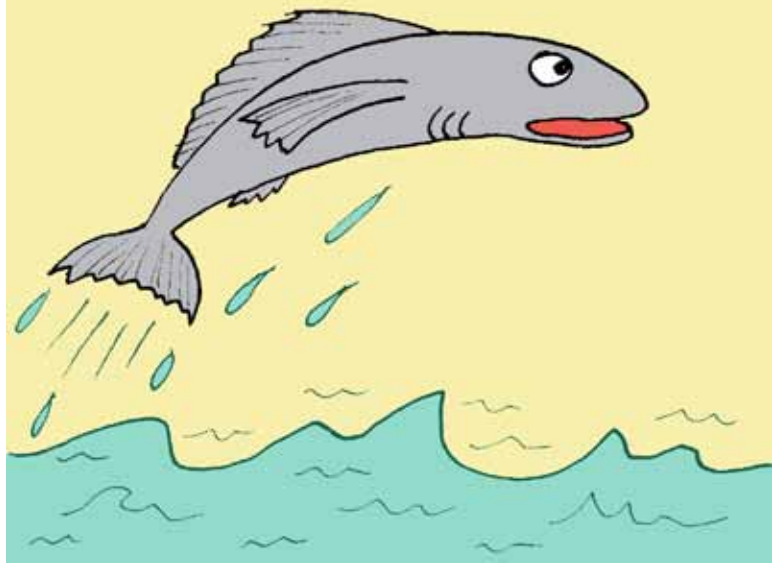

OUR ENEMY IS TOUGH
and RELENTLESS.

WE ARE EVEN MORE SO.

July 8

With discipline and resolve,
we break through our limitations.

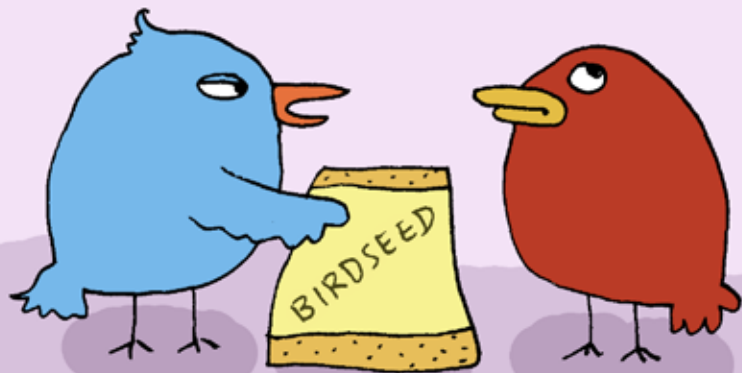

July 9

We bypass instant gratification in favor of our long-term objectives.

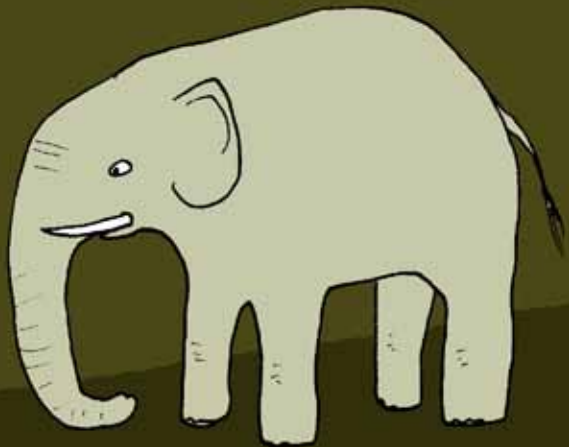

July 10

We can not be bought.

July 11

As long as capitalism
exists, our struggle
doesn't cease.

July 12

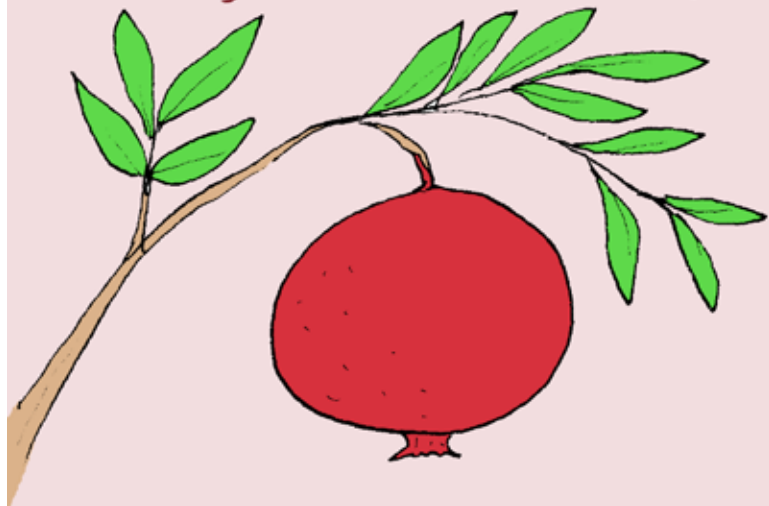

I GIVE MY ALL TO THE
STRUGGLE.

THEN I GIVE SOME MORE.

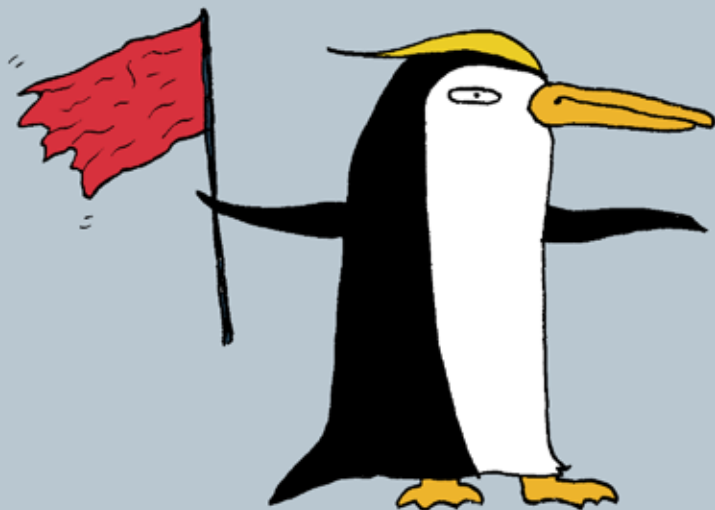

July 13

We don't waste energy,
but plan our activities
carefully and deliberately.

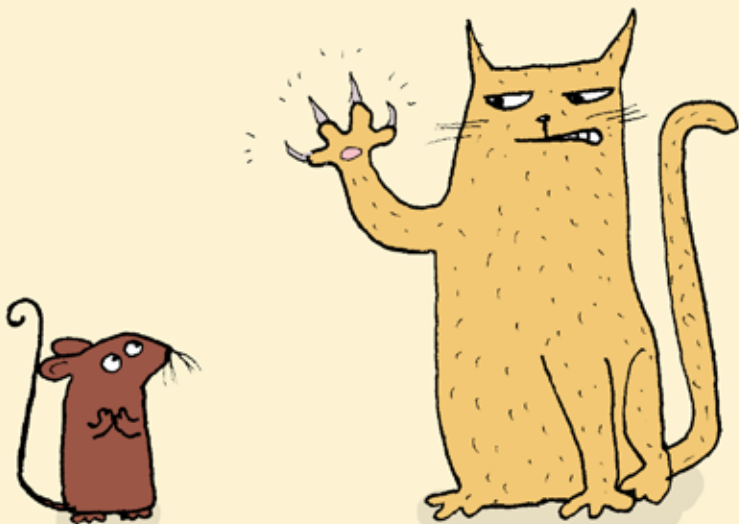

July 14

HARD WORK, FATIGUE, AND
FAILURE DON'T SCARE US.

July 15

THE ENEMY'S **THREATS**
DO **NOT** DETER US.

July 16

We will not be defeated
in advance by fear.

July 17

We struggle for the common
good, with no thought of
personal gain.

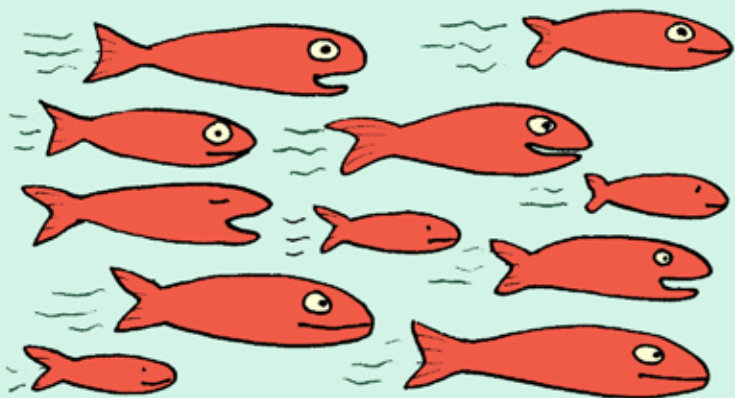

July 18

We give freely whatever
we can, to the
Revolutionary Struggle.

July 19

We don't seek ego-gratification or personal recognition for our role in the struggle.

July 20

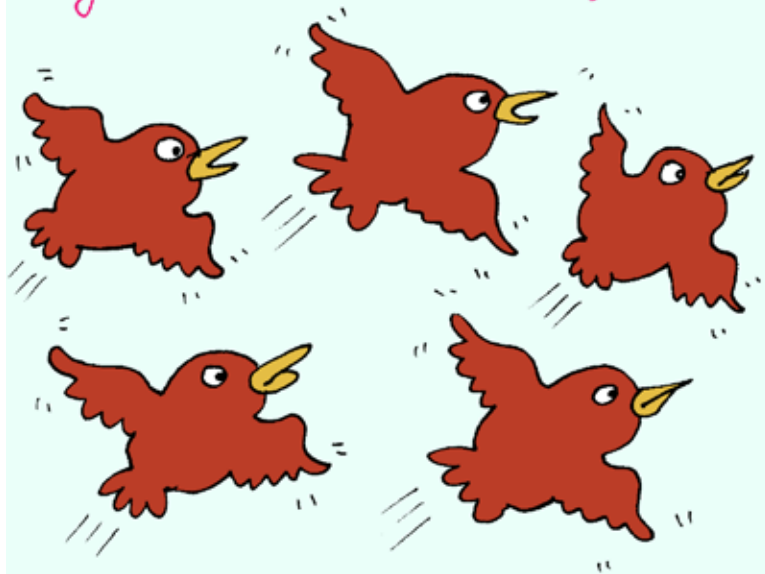

WE ARE NOT PASSIVE.

WE MAKE THINGS HAPPEN.

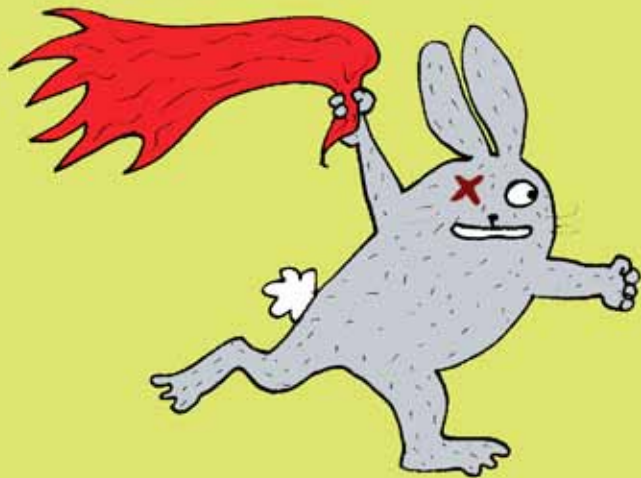

July 21

Comrades, let's fly forward
together ~ to VICTORY!!

July 22

We won't stop until we
stop all exploitation,
oppression, and domination.

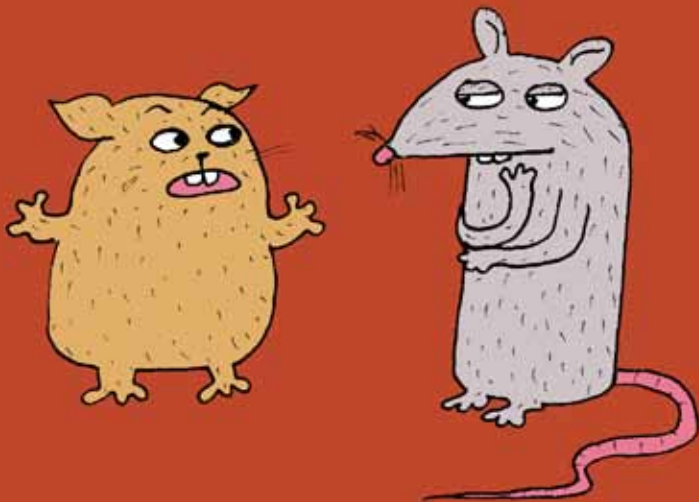

July 23

We won't stop until
capitalism is GONE
from the Earth!

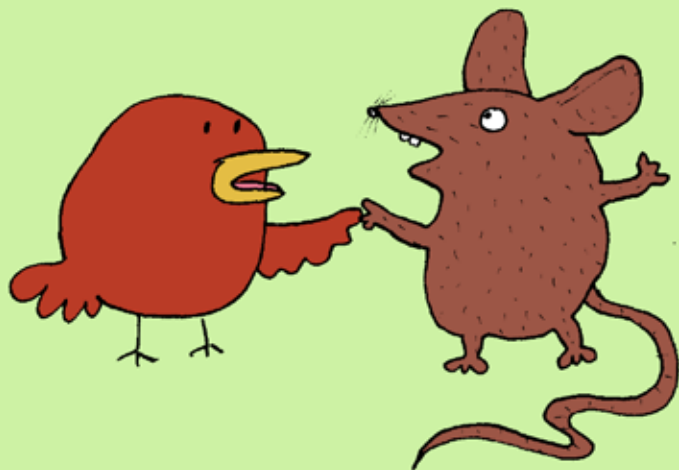

July 24

We don't argue to defeat our allies, but to convince them.

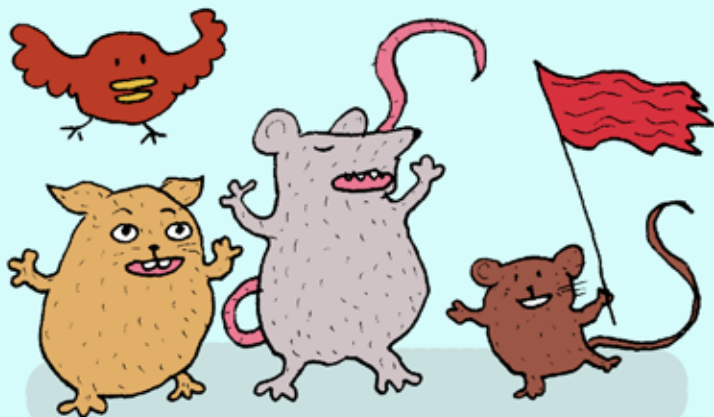

July 25

We struggle to overcome
oppressive practices in our camp,
to strengthen our UNiTY.

July 26

We REJECT Sectarianism in
favor of building a STRONG,
UNIFIED MASS MOVEMENT to
Defeat CAPITAL!

July 27

Reality is not created in
the mind, but exists on
its own.

What I determine is
my response to it.

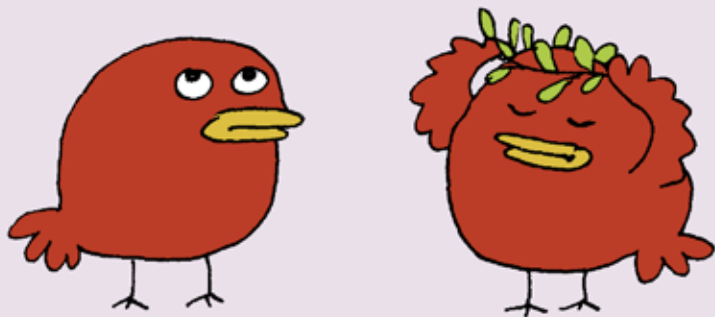

July 28

What I do each day is
defined by my long-term
aims.

July 29

We don't brag of our
accomplishments...

...especially ones we
haven't yet achieved.

July 30

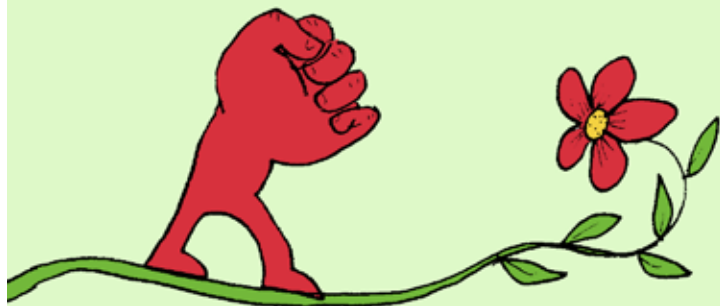

We Learn through both
STUDY and PRACTICE.

We neglect neither.

July 31

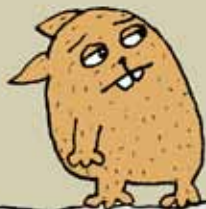

We ADVANCE along
our political line of
CLASS STRUGGLE...

...for the elimination of
CLASS DIVISIONS.

August 1

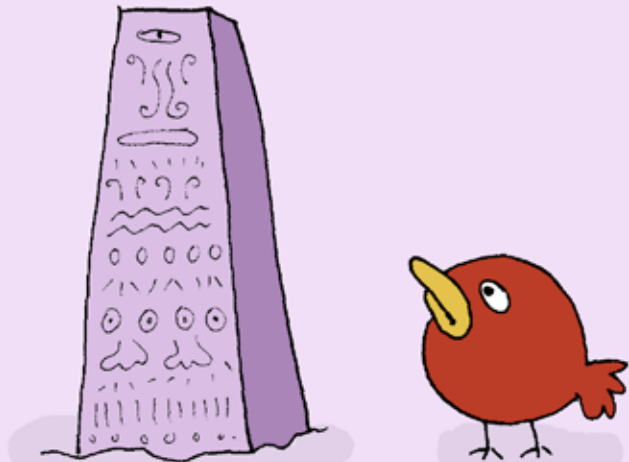

We do what's necessary
for the revolution...

...even if we don't
feel like it.

August 2

We begin to understand a phenomenon by learning its history.

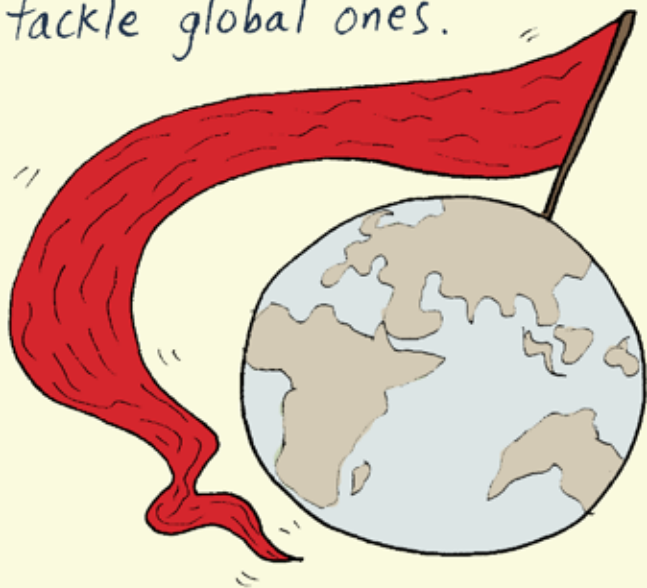

August 3

We don't leave work hanging, but wrap it up and move on to the next task.

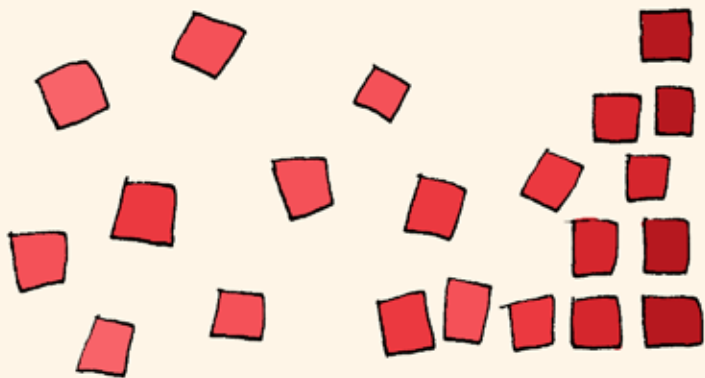

August 4

We struggle to move beyond individual concerns to tackle global ones.

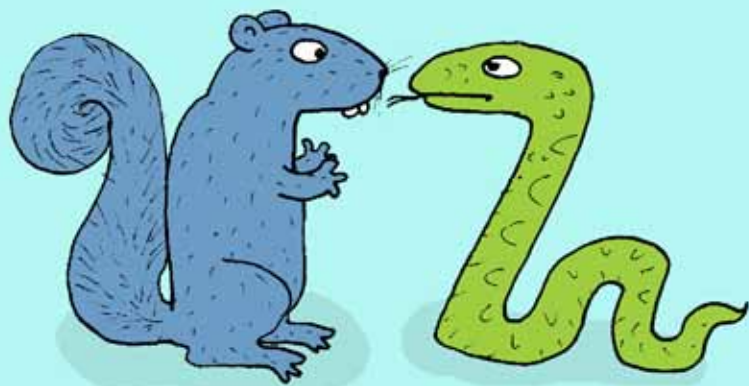

August 5

We don't move forward chaotically, but consolidate our gains for strategic advance.

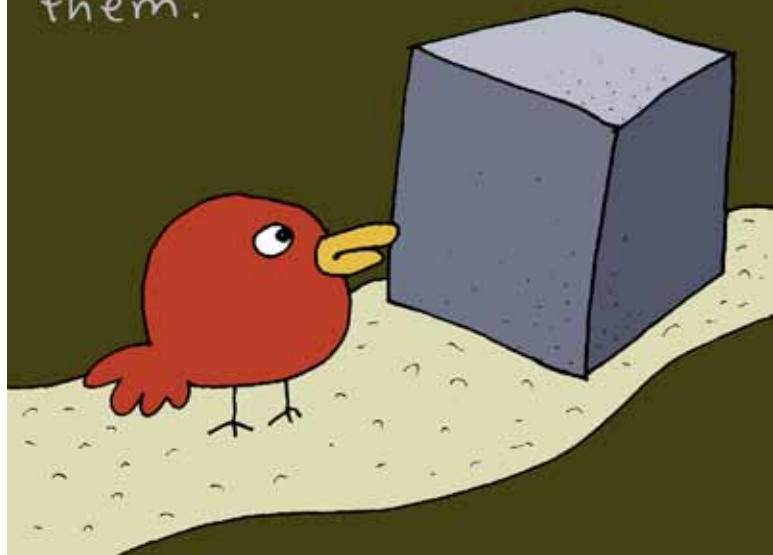

August 6

We don't predict, but
face life as it comes.

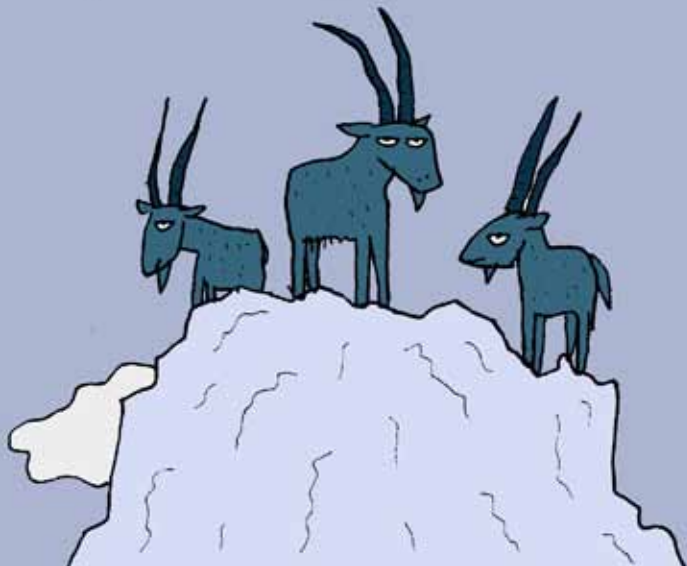

August 7

Roadblocks don't stop
us. We find ways around
them.

August 8

We are class warriors,
ready for any sacrifice.

August 9

We are not confused.

The struggle tells us
what to do.

August 10

We prefer CHALLENGE
over comfort,
STRUGGLE over security.

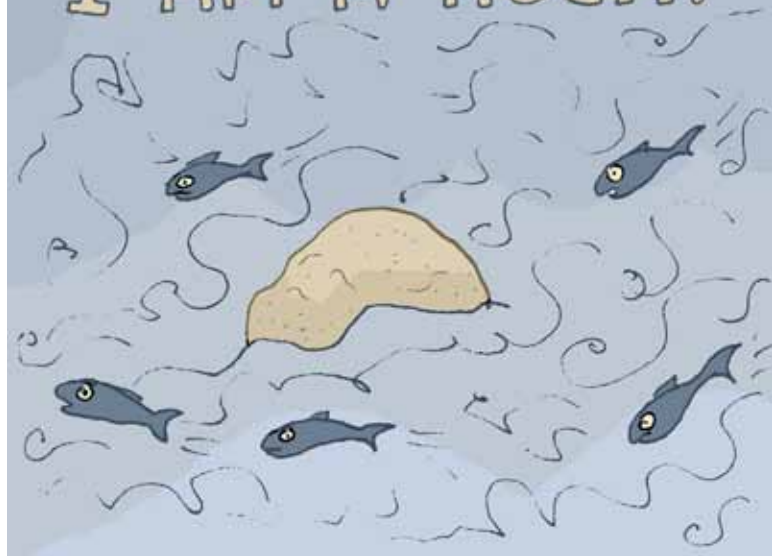

August 11

I take care of my
health so I can fight
longer and harder for
the REVOLUTION.

August 12

In the RUSHING RIVER
of chaotic developments,
I AM A ROCK.

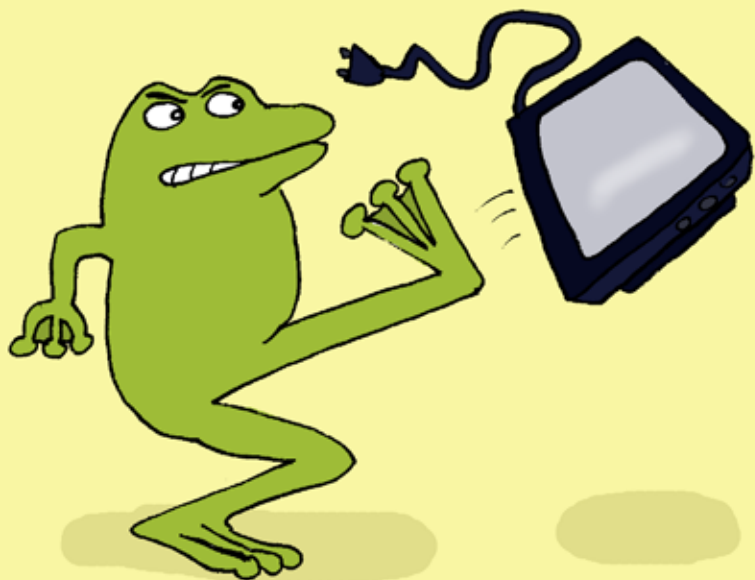

August 13

We critique erroneous
political lines with
patience and humility,
avoiding arrogance.

August 14

We **REJECT** bourgeois
schemes to PACIFY US.

August 15

We don't build bridges with
the enemy. We BREAK them.

August 16

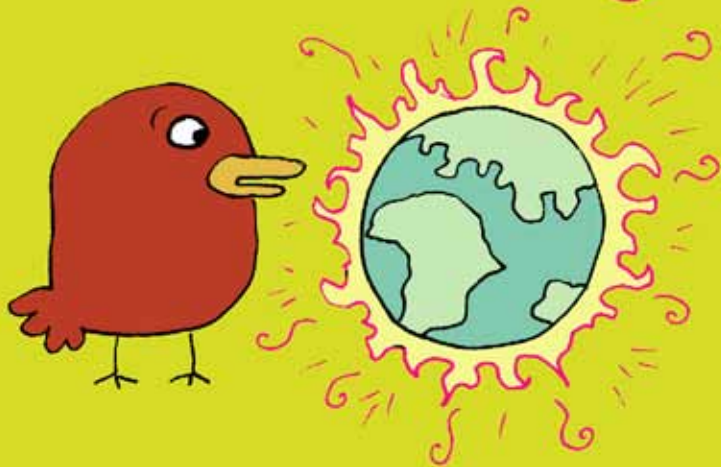

We detach ourselves and
the masses from bourgeois
leadership...

...in favor of proletarian
leadership.

August 17

We learn to analyze
world events, so we can
respond appropriately.

August 18

POSITION STATEMENTS MEAN
LITTLE WITHOUT A PLAN TO
ENACT THEM.

WE DON'T INDULGE IN
EMPTY POSTURING.

August 19

We don't busy ourselves
with work that isn't
consistent with our objectives.

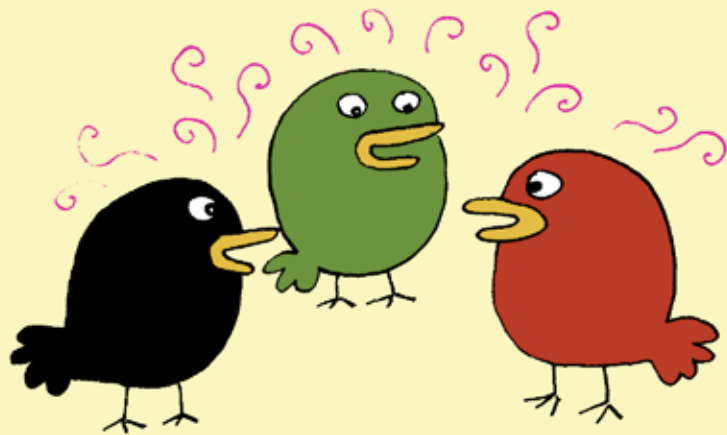

August 20

We don't REACT to events,
but are PROACTIVE in
achieving our GOALS.

August 21

Within the popular camp,
we are straightforward and
respectful with each other.

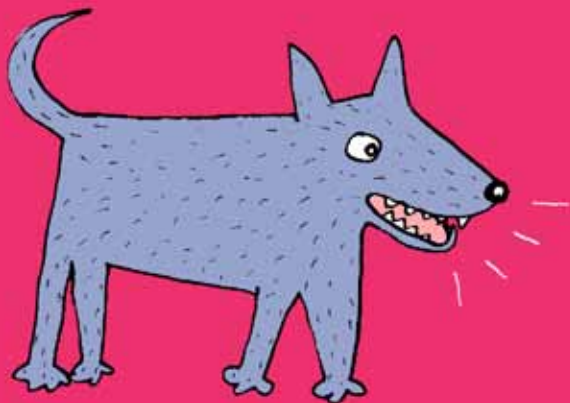

August 22

WE HATE OUR ENEMIES and
WORK TIRELESSLY TO
BRING THEM DOWN!

August 23

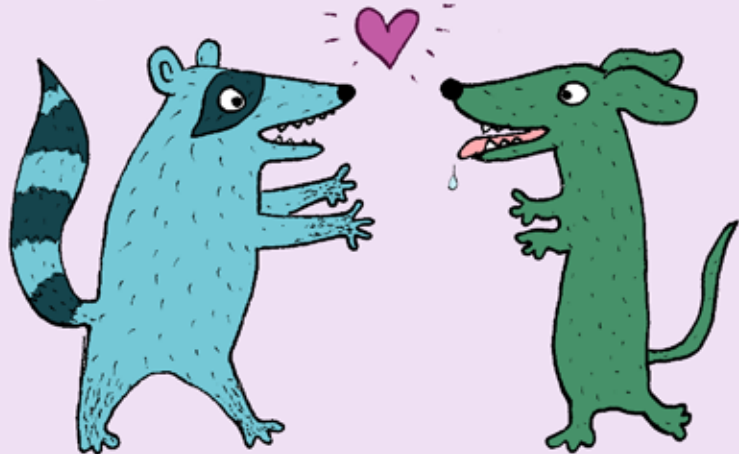

We ARE NOT AFRAID TO SAY
WHAT WE THINK...

... HOW ELSE CAN WE PARTICIPATE
IN SHAPING THE FUTURE?

August 24

I push through my fear of rejection and reach out to strangers, so we can
UNITE & FIGHT TOGETHER.

August 25

We learn to think for
ourselves, not just absorb
ready-made dogmas from others.

August 26

We stand on our own feet,
and figure out what to do
based on our conditions and
our political line.

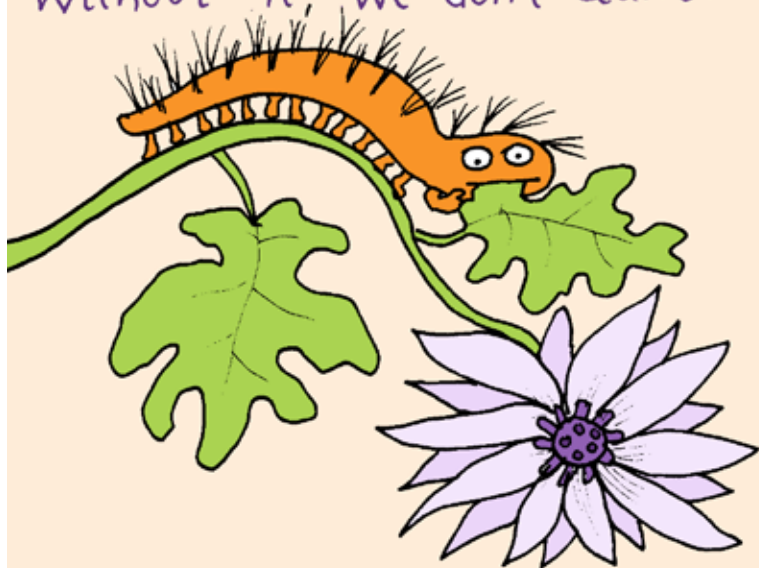

August 27

CLASS CONTRADICTION EXISTS
EVERYWHERE. WE PUSH IT
FORWARD TOWARD SOCIAL
TRANSFORMATION.

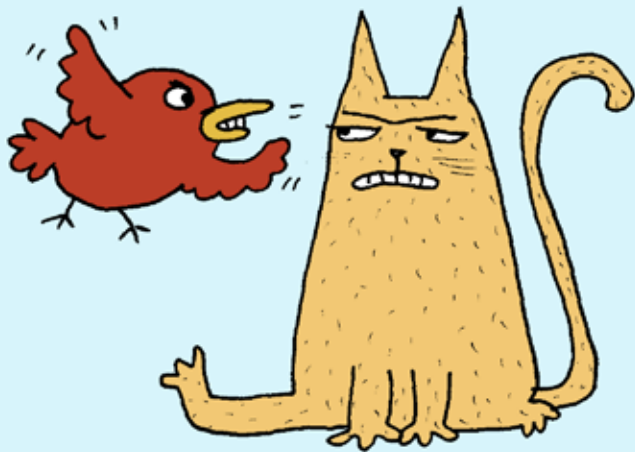

August 28

Constructive STRUGGLE moves
us forward IDEOLOGICALLY.
Without it, we don't learn.

August 29

We EXPOSE THE CLASS
ANTAGONISM IN EVERY
SOCIAL DYNAMIC.

August 30

I handle people's limitations
with patient understanding
(including my own)...

... without giving up
trying to overcome them.

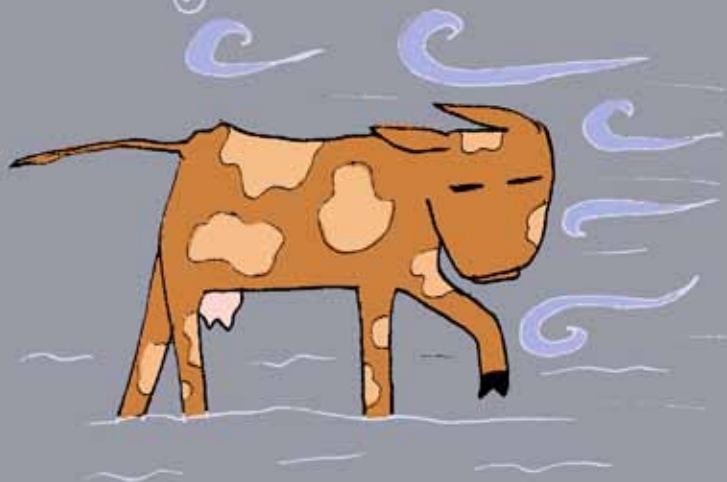

August 31

SOMETIMES
WE FAIL.

September 1

I handle difficulties the
best I can, and keep
moving.

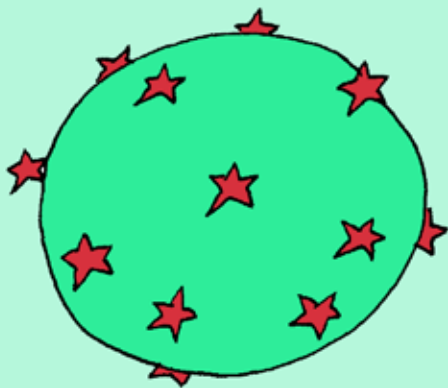

September 2

WE DON'T WORRY ~ WE
TRUST THE REVOLUTIONARY
PROCESS.

September 3

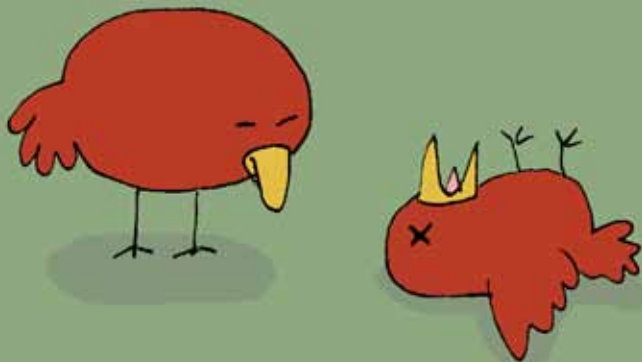

Our comrades are everywhere
in the world.

We are far apart, but
fighting side-by-side.

September 4

We put the blame where
it belongs : on our ENEMY,
CAPITAL.

September 5

I'm less concerned with my own comfort than the advancement of our class in its struggle.

September 6

We REJECT individualistic and
competitive practices ROOTED
in CAPITALISM.

September 7

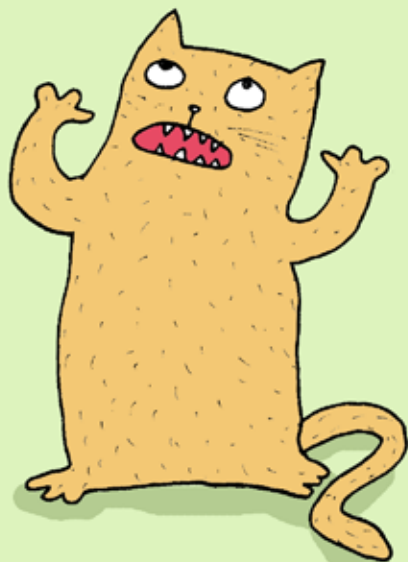

We're fighting for a
collective society...

... all for the good of all.

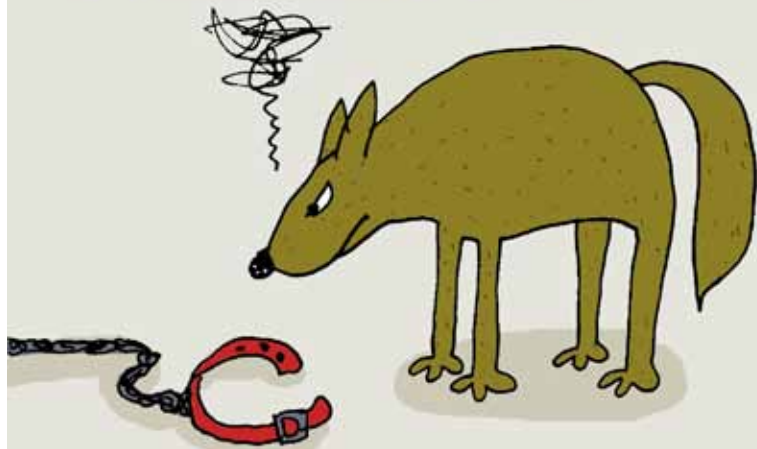

September 8

We ARE NOT FOOLS. WE
NEVER BELIEVE THE ENEMY'S
Lies.

September 9

We AREN'T DRAWN IN BY
FALSE FRIENDS WHO WANT
TO LIMIT OUR STRUGGLE.

September 10

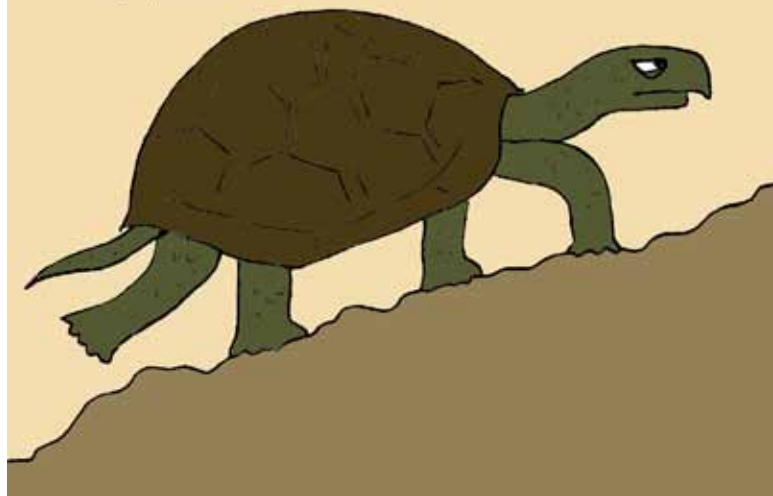

The EARTH IS OUR
ONLY HOME.

WE WILL PROTECT
IT WITH OUR LIVES.

September 11

We cultivate a spirit of
fortitude, to withstand
difficulties.

September 12

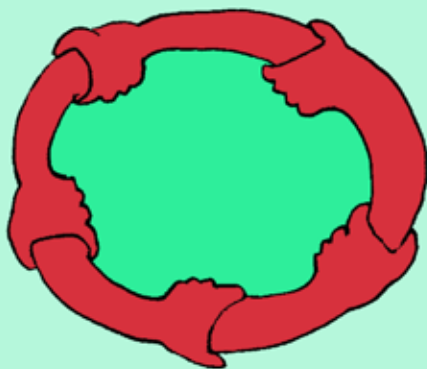

We FALL.

We get back up.

September 13

Collectivism is the
BASIS of the NEW SOCIETY
We are fighting for.

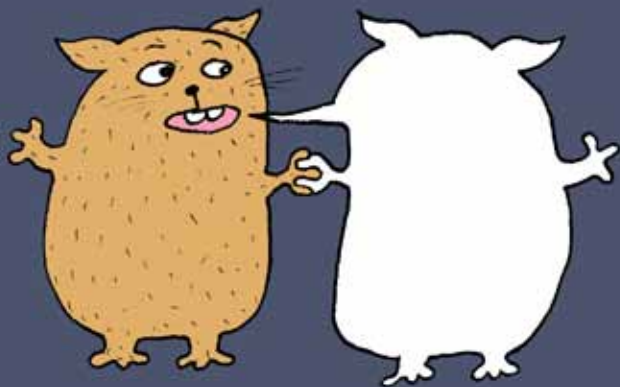

September 14

We make our CONVICTIONS
EXIST by PRACTICING them
in the REAL WORLD.

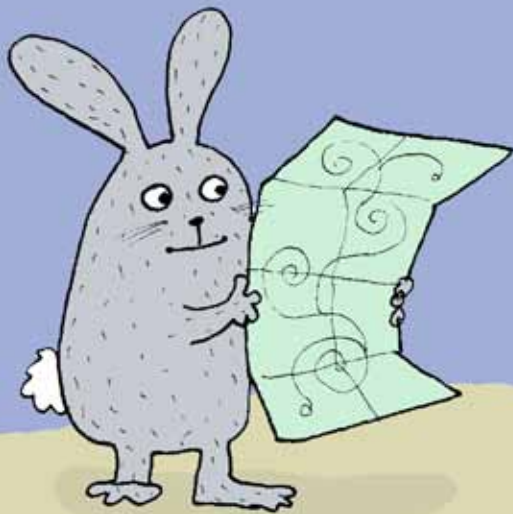

September 15

My WORDS MATCH my
ACTIONS; my PRACTICE
MATCHES my THEORY.

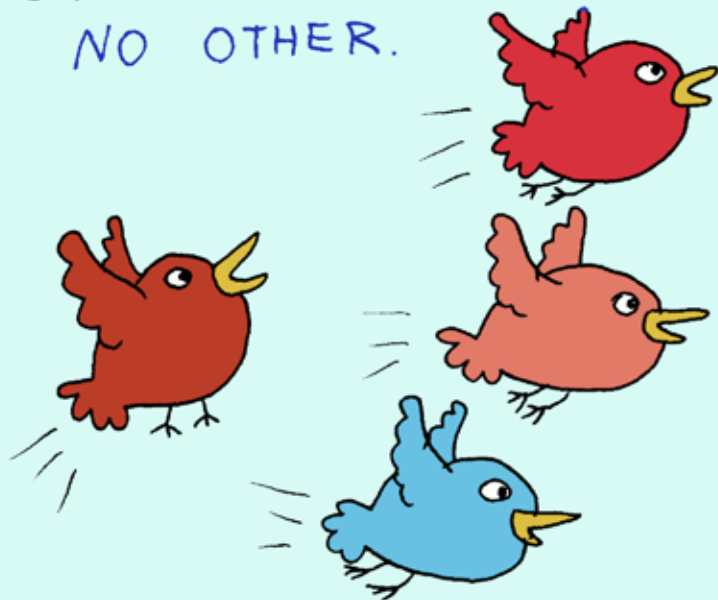

September 16

CONTRADICTION IS OUR
GUIDE TO PRACTICE.

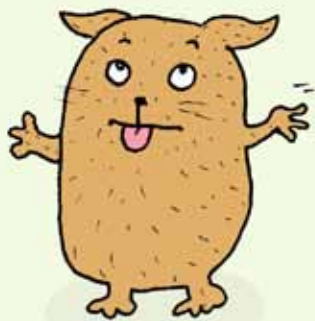

September 17

WE ARE LED BY WORKING
CLASS INTERESTS AND
NO OTHER.

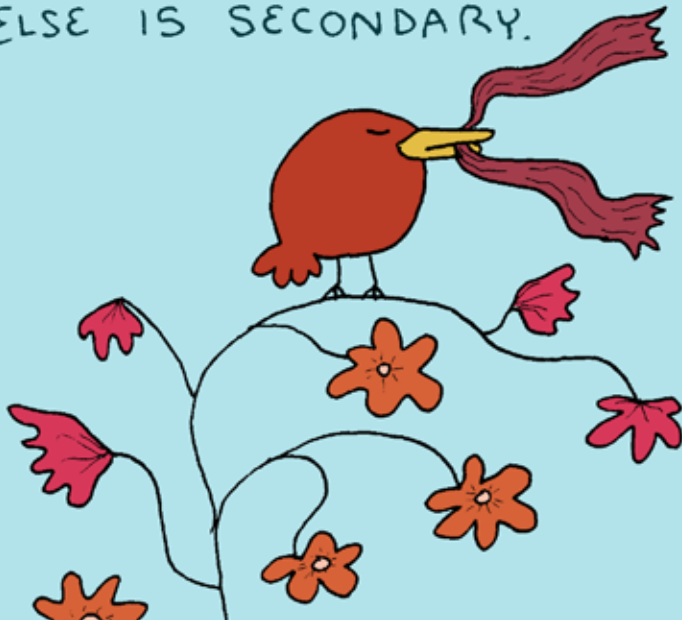

September 18

Petit bourgeois NONSENSE
is NOT a Temptation or
a distraction for us.

September 19

THE REVOLUTIONARY STRUGGLE
IS OUR TOP PRIORITY; ALL
ELSE IS SECONDARY.

September 20

Our relationships and
loyalties are based on
political unity.

September 21

The rage of the masses is
our rage; their dreams
are our dreams.

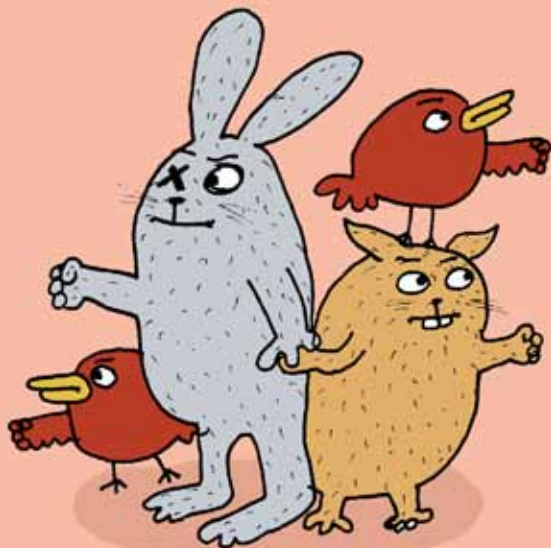

September 22

WE DON'T SUBMIT
TO OUR ENEMIES.

September 23

WE STAND TOGETHER
TO FIGHT AS ONE.

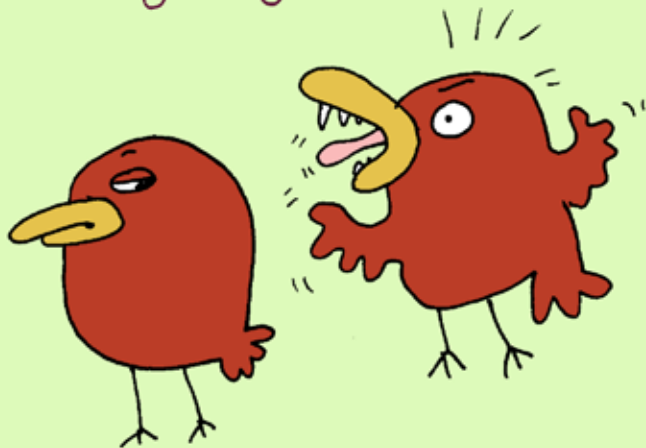

September 24

Theory determines practice
determines result.

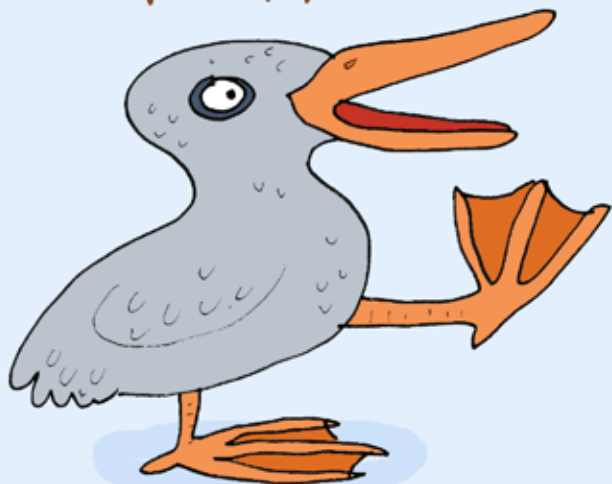

September 25

When I disagree with
someone, I try not to be
an arrogant jerk about it.

September 26

We WALK the
TALK.

September 27

Having REVOLUTIONARY
IDEAS doesn't make us
REVOLUTIONARY...

PRAXIS DOES.

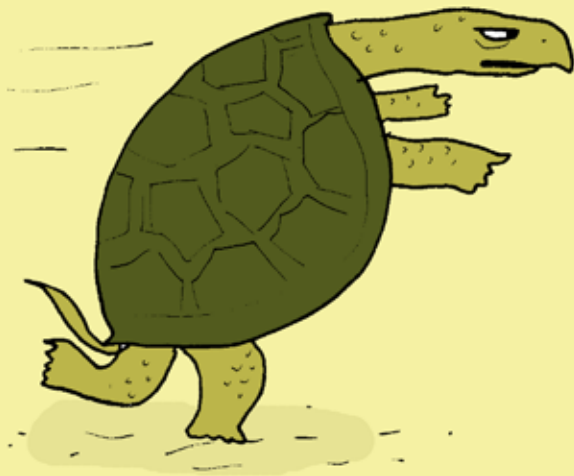

September 28

We CONSTRUCT, EXPAND, &
STRENGTHEN our organizations
for the FIGHT against
CAPITAL.

September 29

When we start something,
We FINISH it.

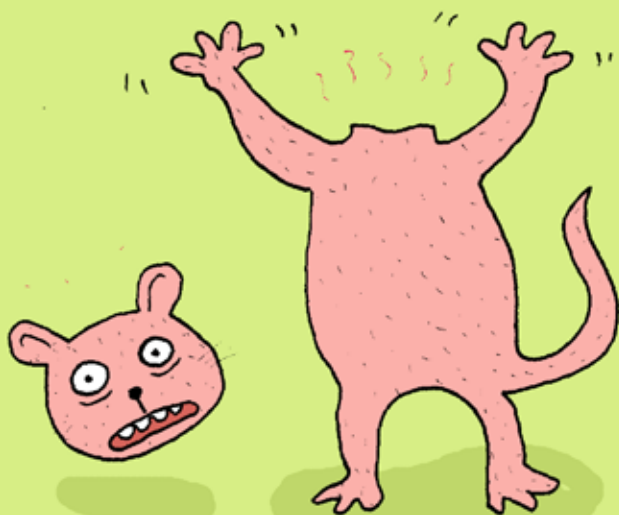

September 30

We WON'T BE CAPITAL'S
ROAD KILL.

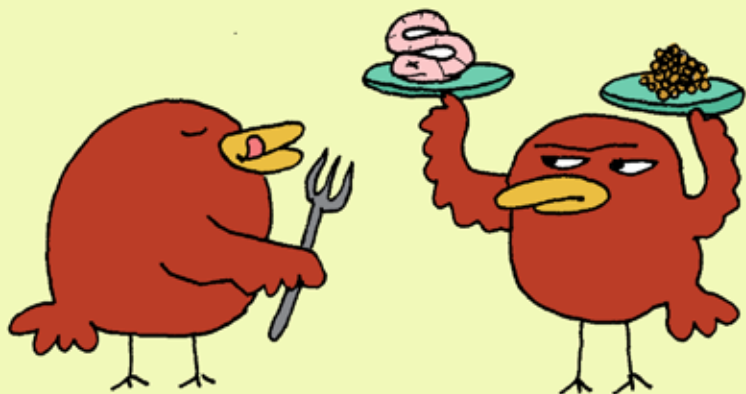

October 1

When facing ADVERSITY,
We don't LOSE our HEADS.

October 2

We DO NOT expect others
to handle all the DETAILS.

We are ALL responsible.

October 3

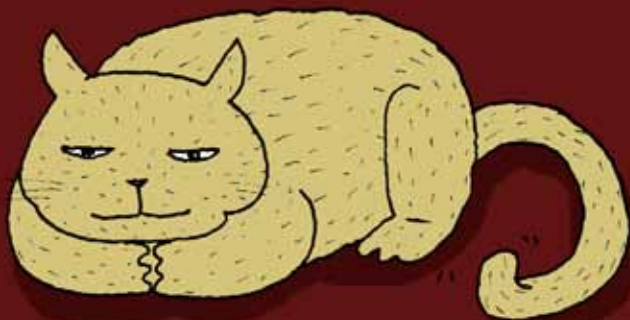

We do as much as possible...

...while being realistic about our capacity.

October 4

My CALMNESS & PATIENCE
should not be MISTAKEN
for Weakness.

October 5

OUR EMPATHY IS FOR THE
MASSES...

...OUR ANTIPATHY IS FOR
THE CAPITALIST CLASS.

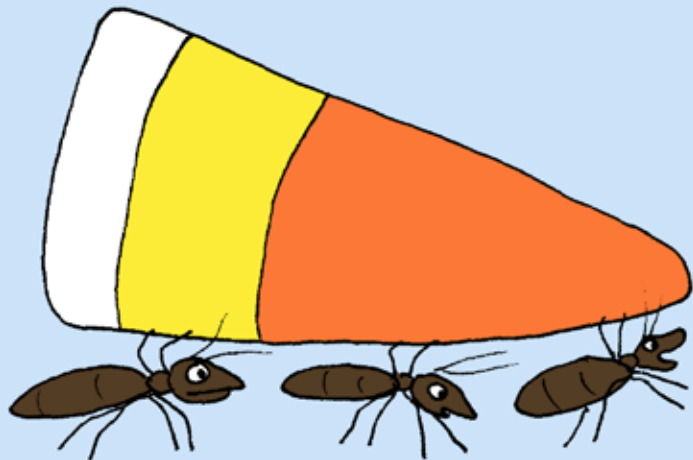

October 6

Our actions, not intentions,
provide value to the
struggle.

October 7

WE RELY ON OUR
OWN STRENGTH.

October 8

We see what exists, not distorted by a veil of emotion.

October 9

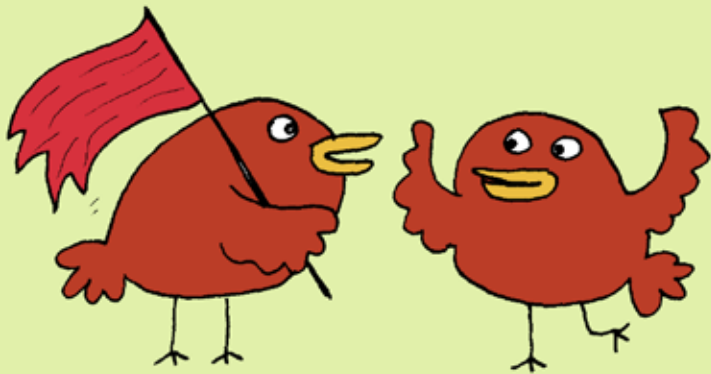

A FEW BLADES OF GRASS
CANNOT BECOME A
PRAIRIE FIRE...

WE CONSTANTLY GROW
OUR ORGANIZATION.

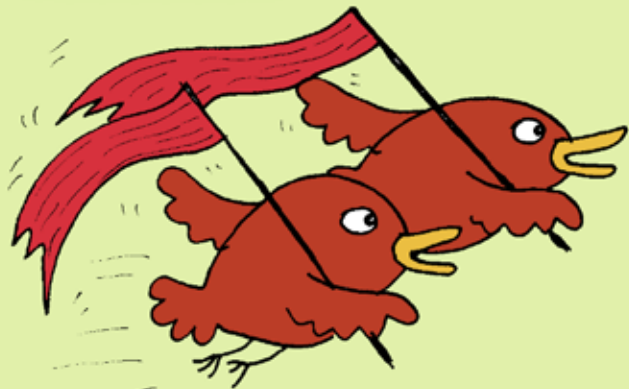

October 10

When anyone wants to join
the struggle, we help them
find a way to contribute.

October 11

The TIME and ENERGY of
each COMRADE, offered to
the STRUGGLE, is more
VALUABLE than anything ELSE.

October 12

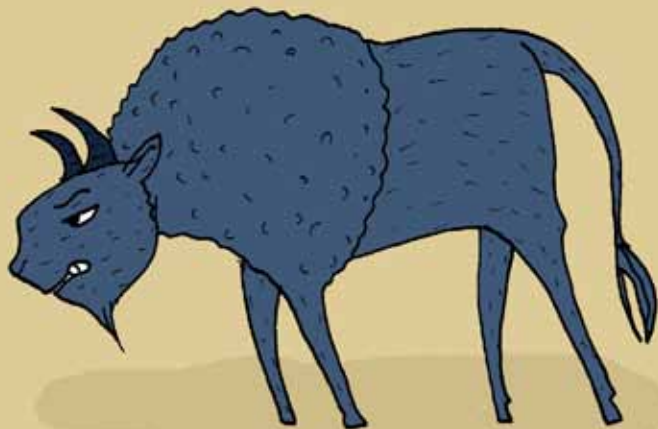

It's easy to call oneself
a revolutionary. ...

... But it's not easy
to really be one.

October 13

We MASTER OURSELVES
to BECOME PART of a
POWERFUL SOCIAL FORCE.

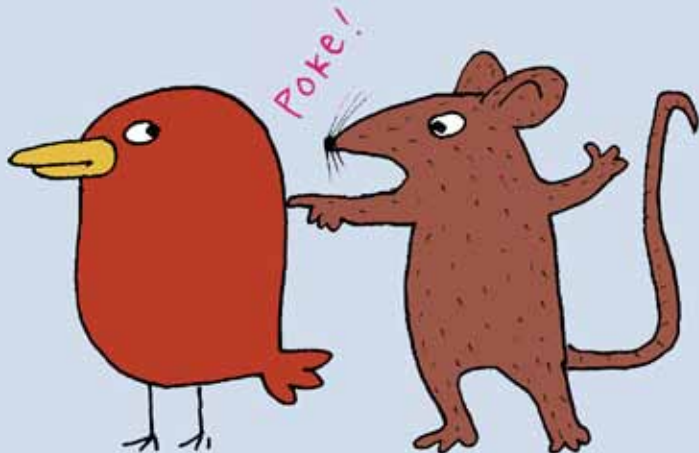

October 14

October 15

We choose to **ACT**
RATHER Than **REACT**.

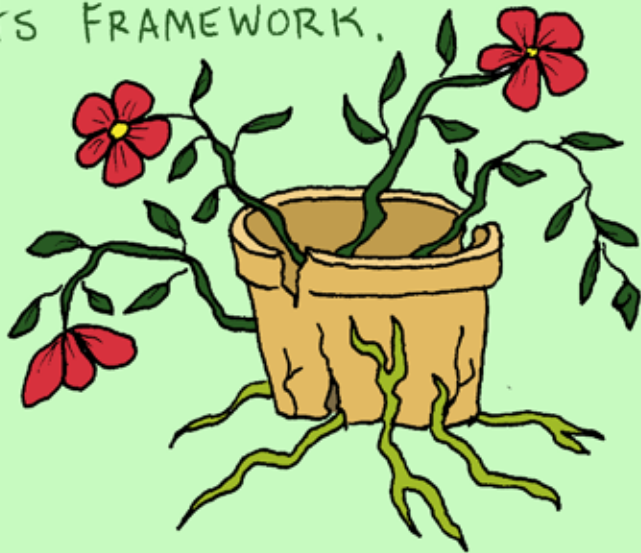

October 16

OUR PRIORITIES ARE
DETERMINED BY OUR GOALS,
not by what others assert
is **URGENT**.

October 17

We don't create capital's
mirror opposite, but BREAK
its FRAMEWORK.

October 18

We welcome constructive criticism as an aid to IMPROVEMENT.

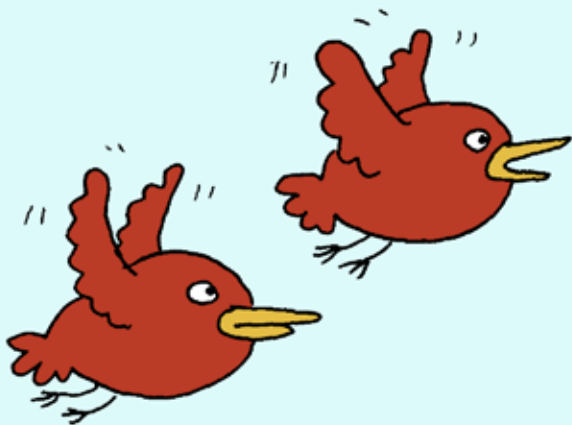

October 19

Unprincipled peace is unacceptable.

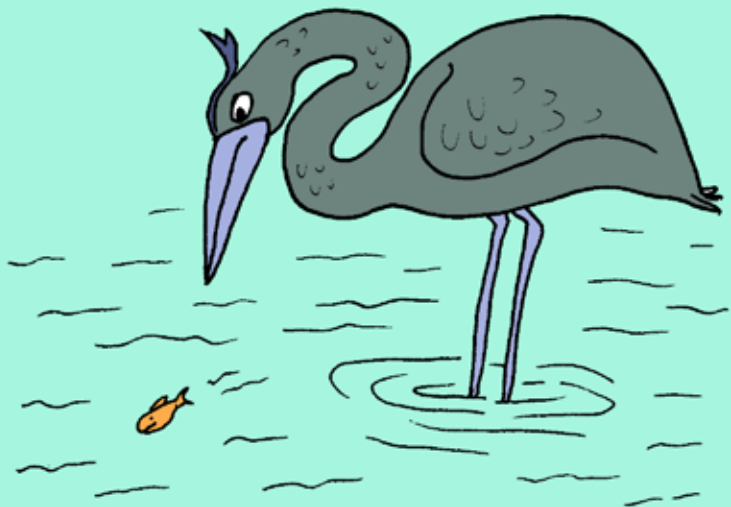

October 20

Our ideas spread through
convincing, not coercion.

October 21

OUR EFFORTS ARE FOCUSED,
NOT SCATTERED.

October 22

WE AREN'T AMBULANCE
CHASERS. OUR WORK IS
PATIENT & METHODICAL.

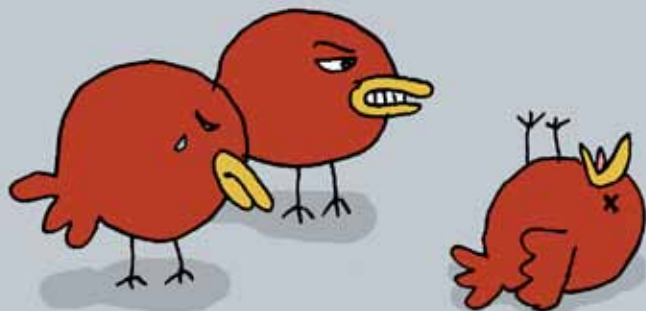

October 23

OUR WORK IS GUIDED BY
SOCIETY'S FUNDAMENTAL
CONTRADICTION:

October 24

WE DO **NOT** FORGIVE
OUR ENEMY'S **CRIMES.**

WE ORGANIZE TO PUT THEM
OUT OF **POWER.**

October 25

UNITED, WE WILL
DESTROY THIS **SYSTEM**

BREATHE
REVOLUTION!

October 26

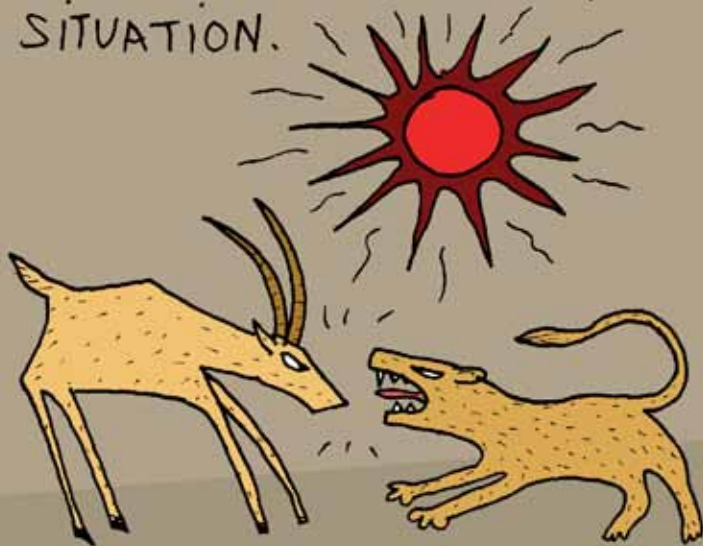

We take the time to
acknowledge pain...

... then we carry on.

October 27

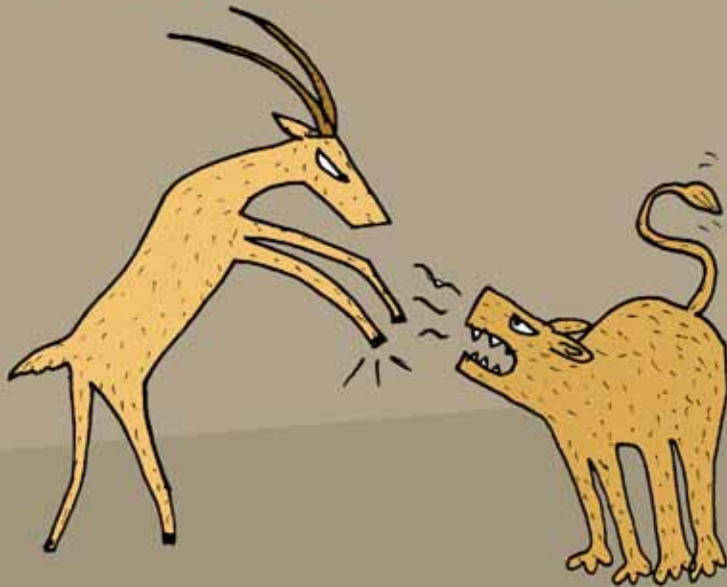

WE'RE IN AN EMERGENCY
SITUATION.

WE WILL NOT BE PASSIVE.

October 28

LIKE EVERY LIVING CREATURE,
WE DEFEND OURSELVES.

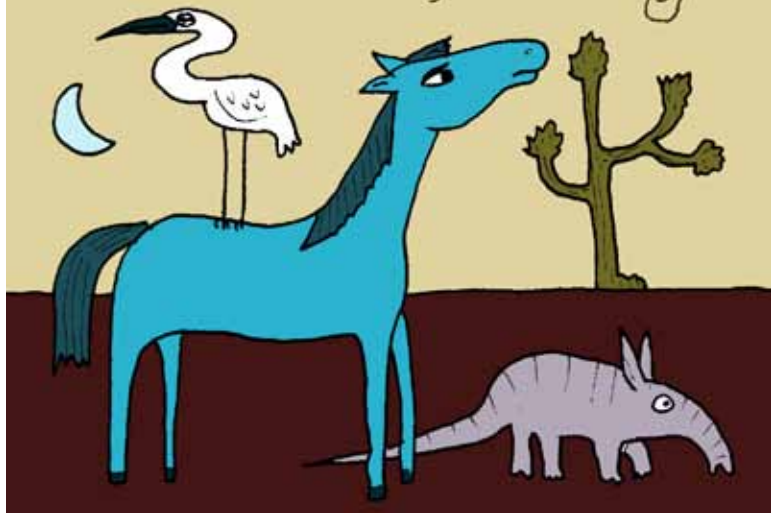

October 29

We UNDERSTAND what TIME
it is: TIME to Get
SERIOUS.

October 30

We are Responsible not only
for our own Lives, but for
the direction of SOCIETY.

October 31

THE ONLY WAY TO LIVE RIGHT
in a BAD SYSTEM is to
FIGHT the SYSTEM.

November 1

Each act of our Lives
Serves the REVOLUTION.

November 2

WE DIRECT OUR **RAGE**
AGAINST **CAPITALISM.**

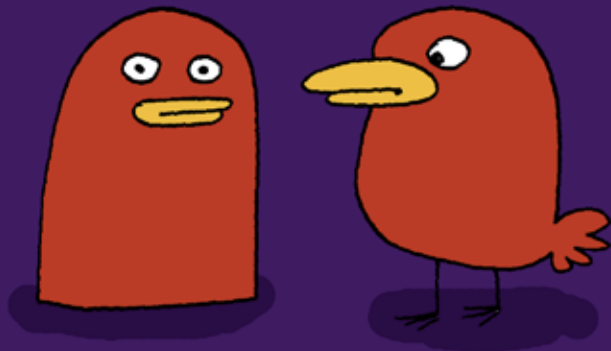

November 3

Our solidarity is with all
who work to end
EXPLOITATION, OPPRESSION
and OMNICIDE.

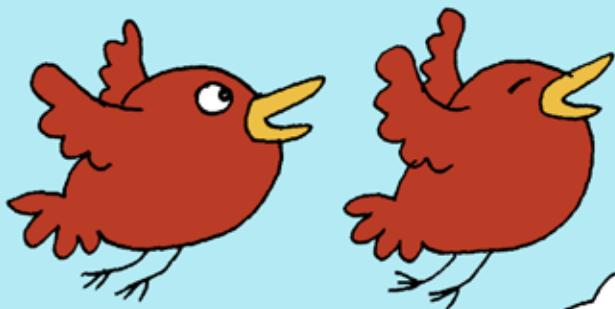

November 4

We don't use each other
as means to an end, or
treat each other as
objects.

November 5

WE **UNITE** TO WORK
TOGETHER FOR A
COMMON **GOAL**.

November 6

Seize the Moment

November 7

WE DO NOT LOVE
OUR ENEMY.

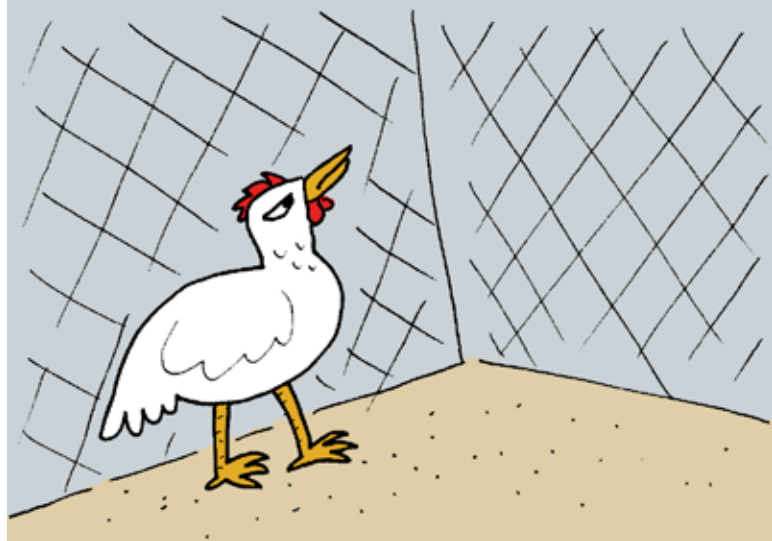

November 8

November 9

DIFFICULTIES ARE CHALLENGES,
TESTS OF RESOURCEFULNESS,
AND OPPORTUNITIES TO LEARN.

November 10

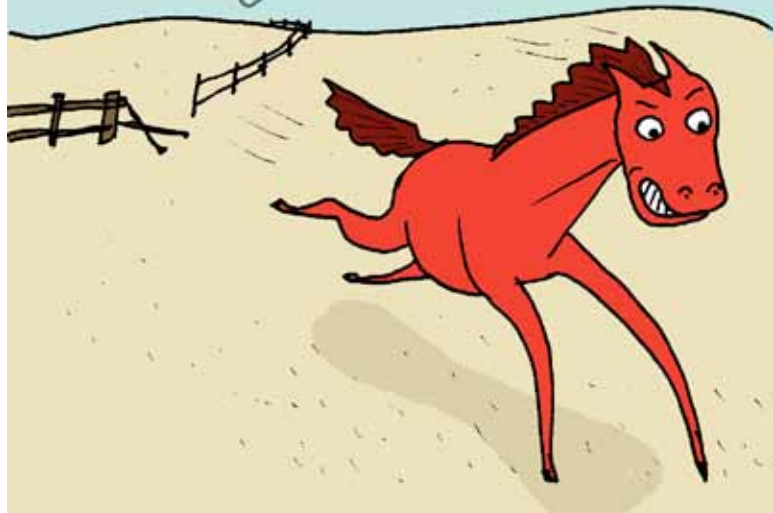

WE DON'T LEAVE OUR DESTINY
IN THE HANDS OF OUR ENEMIES.

WE TAKE OUR DESTINY
INTO OUR OWN HANDS.

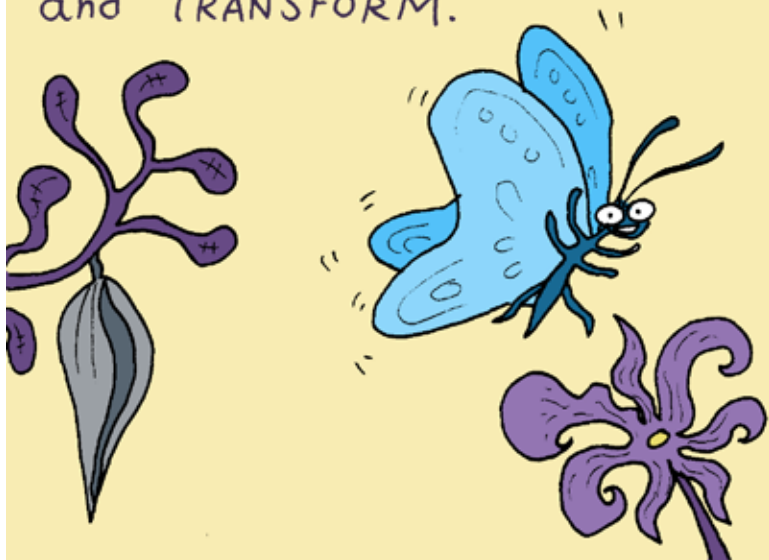

November 11

We EACH HAVE A CHOICE
to MAKE ABOUT what
FUTURE we will FIGHT FOR.

November 12

We don't continue ERRONEOUS PRACTICE, but CUT OUR LOSSES and TRANSFORM.

November 13

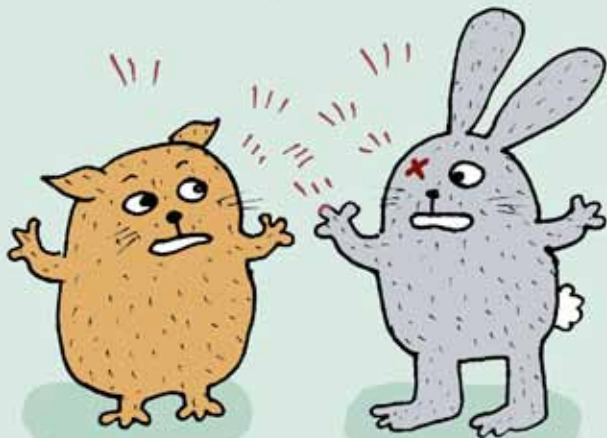

JE SUIS

**PROLÉTARIAT
INTERNATIONAL**

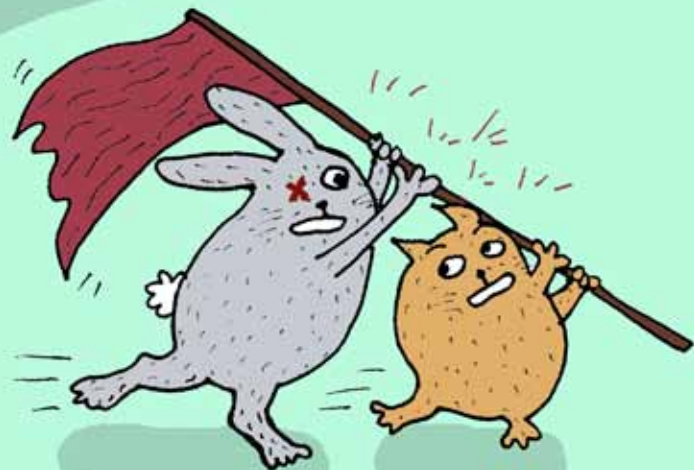

November 14

PRINCIPLED **UNITY**
REQUIRES
STRUGGLE.

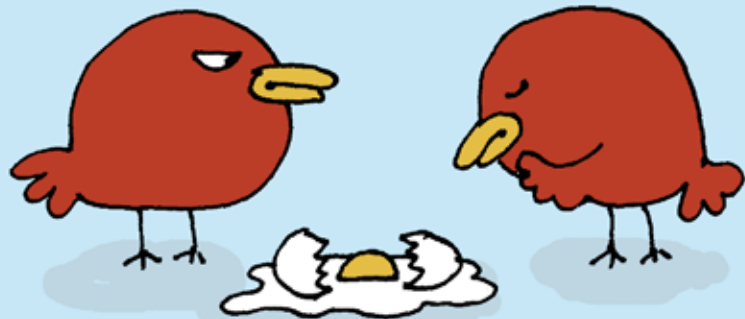

November 15

We STRUGGLE TO
UNITE US, NOT TO
DIVIDE US.

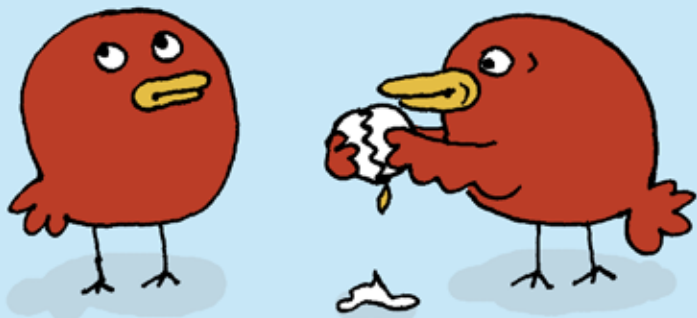

November 16

We DON'T JUSTIFY OUR
BAD BEHAVIOR, BUT
ACCEPT RESPONSIBILITY.

November 17

We ARE ACCOUNTABLE FOR
OUR ACTIONS, AND
RECTIFY OUR MISTAKES.

November 18

We are AGILE in the face
of ever-changing Reality.

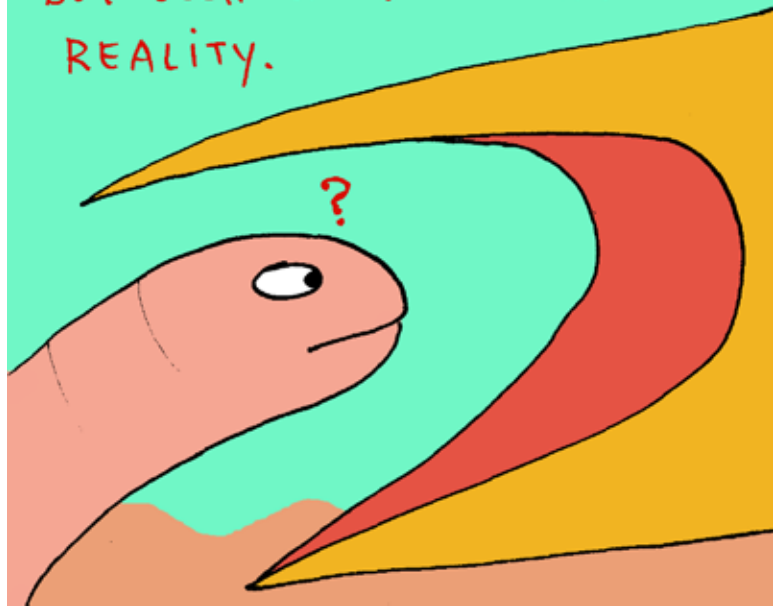

November 19

We are STEADFAST in
Conditions of TURMOIL.

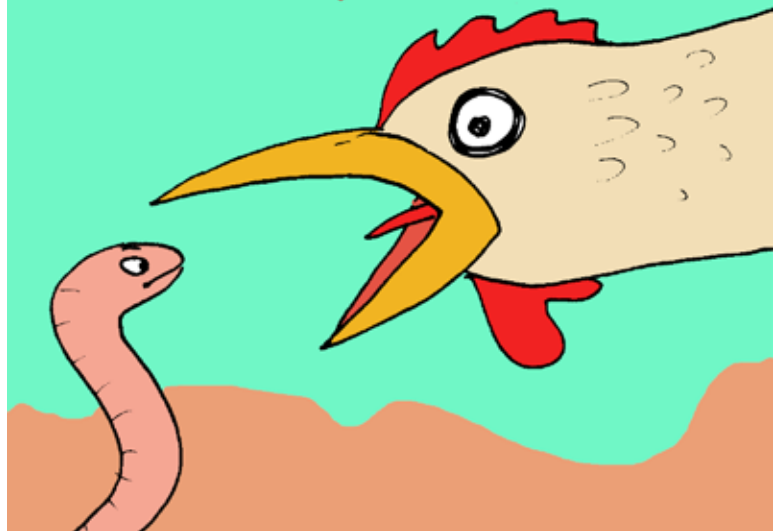

November 20

We don't make assumptions,
but seek to understand
REALITY.

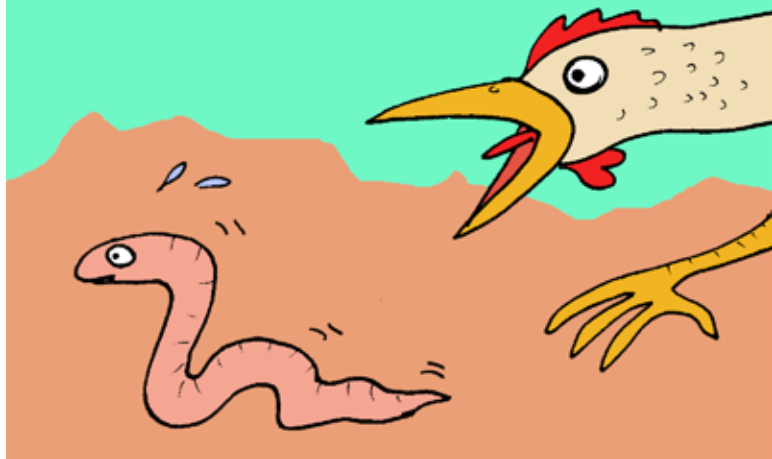

November 21

To understand reality, we
exAMINE and ANALYZE
what's in front of us.

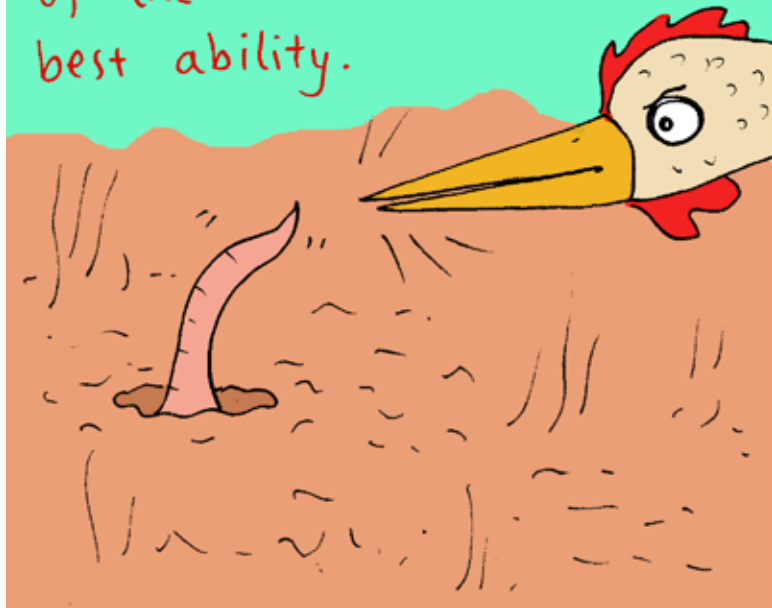

November 22

This MOMENT in the STRUGGLE
itself will tell us what to do.

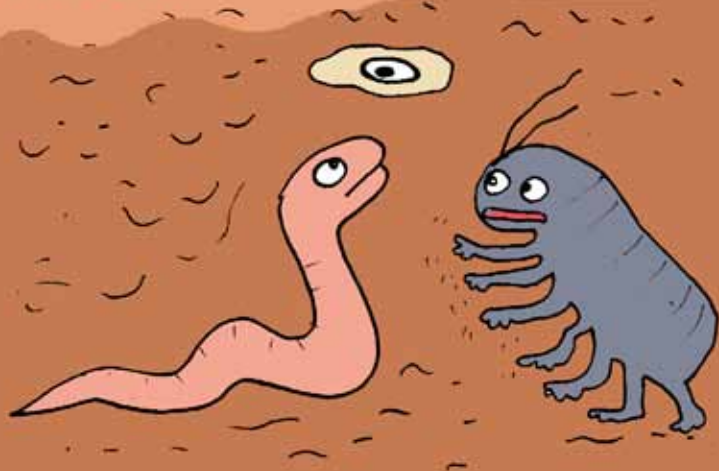

November 23

We deal with the DEMANDS
of the MOMENT to our
best ability.

November 24

We can't do everything,
but must FOCUS on what
MATTERS MOST.

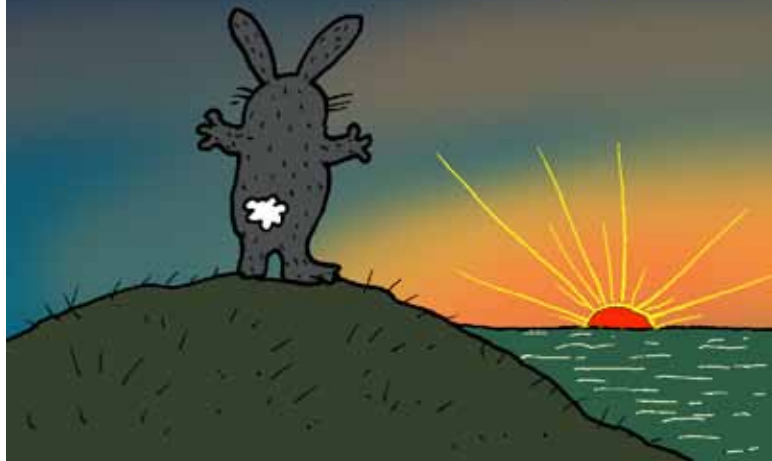

November 25

Organization makes the impossible ... possible.

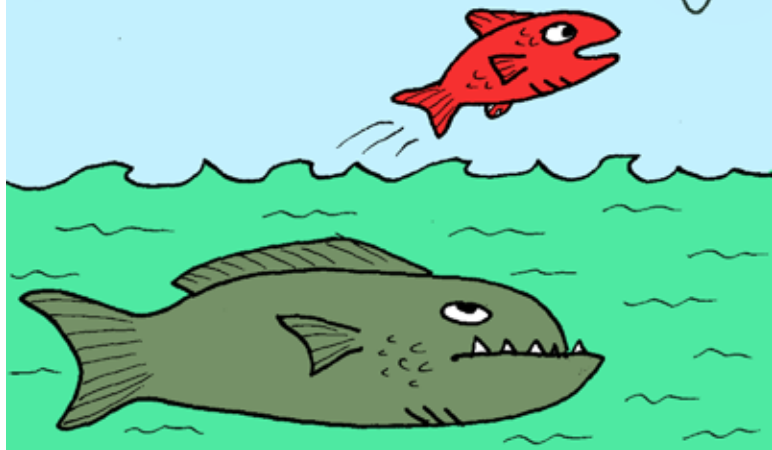

November 26

We GREET each day as
a NEW OPPORTUNITY to
ADVANCE the Struggle!

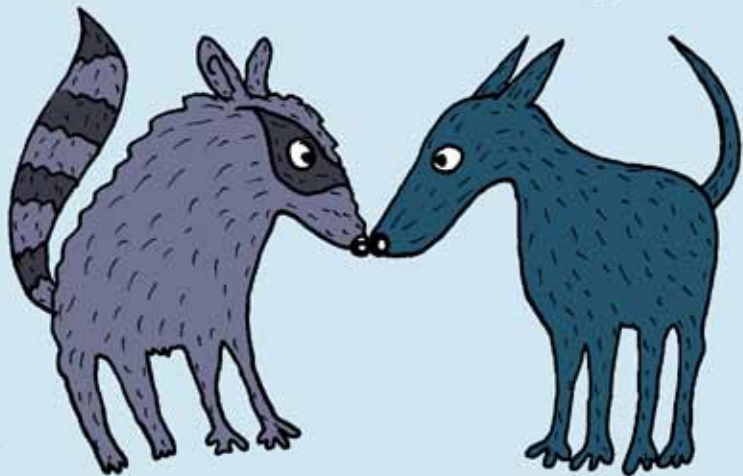

November 27

An AUTONOMOUS PROLETARIAN
political line is INFINITELY
more valuable than any
amount of memorized theory.

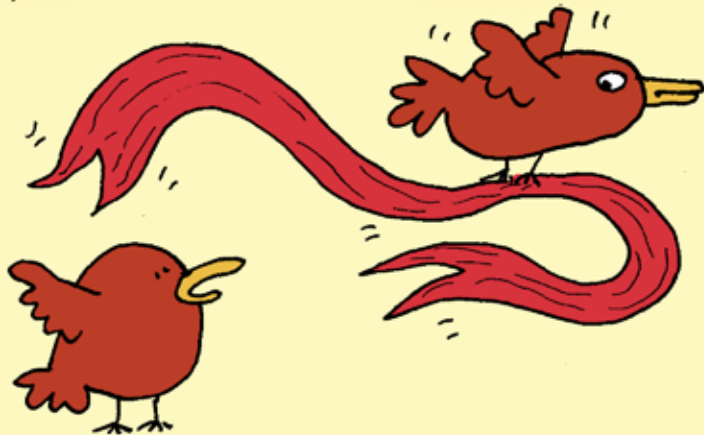

November 28

WE DO NOT SUBMIT TO
DOMINATION, BUT INSIST
ON OUR AUTONOMY.

November 29

LEADERSHIP IS NOT TELLING
PEOPLE WHAT TO DO.

It is ASSERTING working
class interests in every
context.

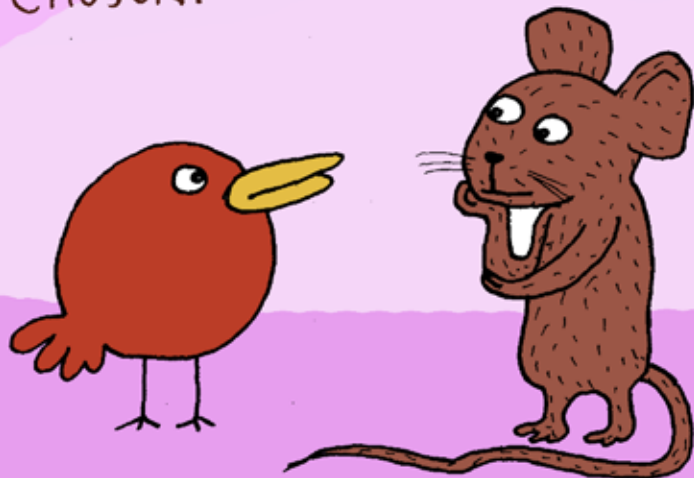

November 30

We win people over by
convincing them; NOT
guilt-tripping or badgering.

December 1

Participation in our
organizations must always be
consciously and voluntarily
CHOSEN.

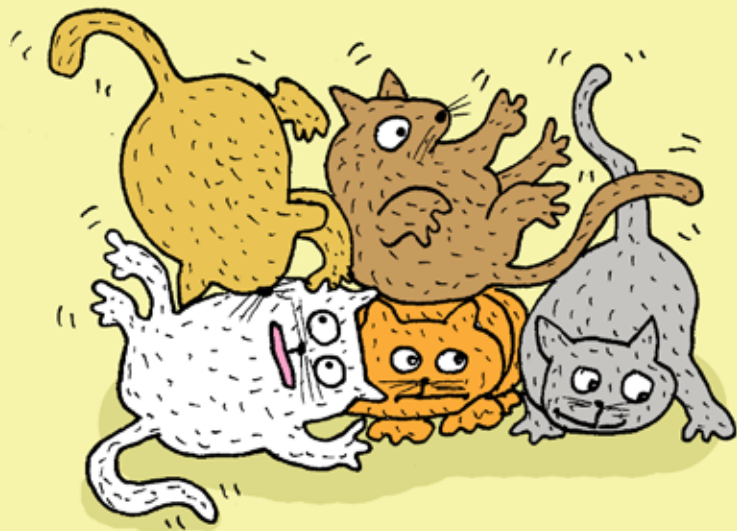

December 2

Ends & means are inseparable;
the structures we construct
today are the seeds of
the future society.

December 3

OUR ORGANIZATIONS ARE
BASED ON UNITY, STRUGGLE
AND COLLECTIVITY.

December 4

WE ARE PATIENT,
PERSISTENT, & RELENTLESS.

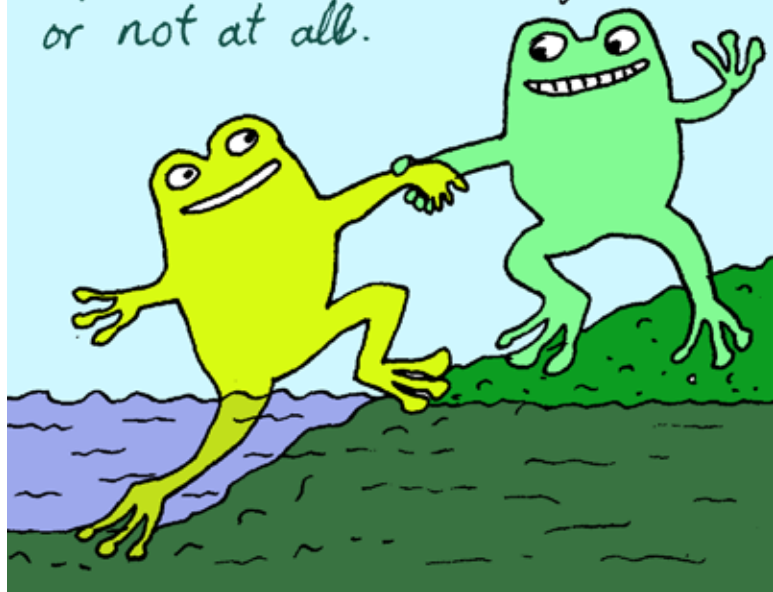

December 5

WE EXPEND MAXIMUM EFFORT
TO ADVANCE THE REVOLUTION!

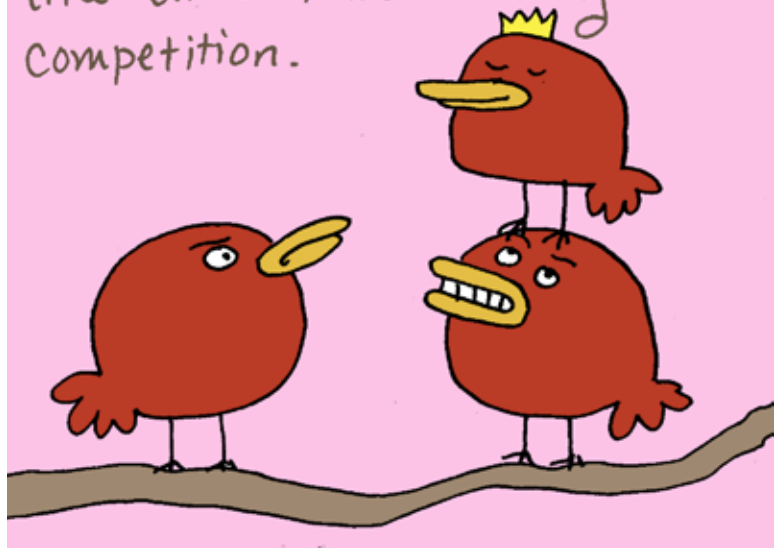

December 6

Individualism is the path to defeat. We advance together or not at all.

December 7

As we construct our organizations,
We REJECT capitalist practices
like elitism, bureaucracy and
competition.

December 8

WE RESPECT THE INTELLIGENCE
OF THE MASSES IN STRUGGLE.

December 9

December 10

We don't leave things hanging,
but follow through and
complete our tasks

December 11

A hand-drawn illustration on a light yellow background. The text is written in a playful, rounded font. The words 'TOGETHER,' and 'IMAGINE.' are in yellow with black outlines. 'WE ARE STRONGER' and 'THAN WE CAN' are in green with black outlines. There are several pink flowers with green stems and leaves scattered around the text. Three pink stars are also present: one large star in the top right, and two smaller stars in the middle right. The overall style is simple and cheerful.

TOGETHER,
WE ARE
STRONGER
THAN WE CAN
IMAGINE.

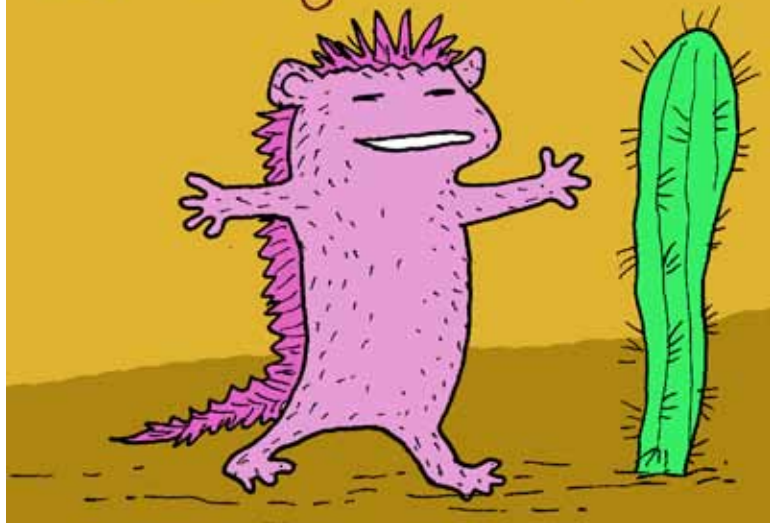

December 12

THE SYSTEM OFFERS NO
FUTURE. WE MUST TAKE
CONTROL OF THE
FUTURE OF SOCIETY.

December 13

We don't filter information through our assumptions, but meet REALITY with an open mind.

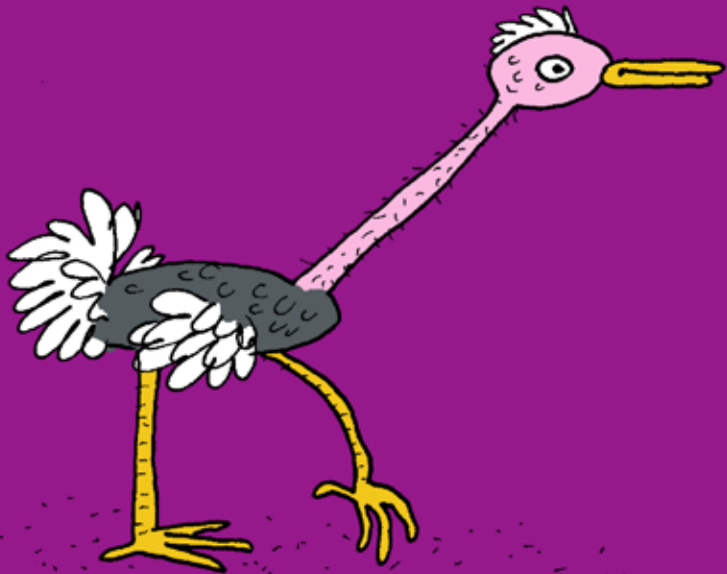

December 14

EVEN WHEN VICTORY SEEMS
IMPOSSIBLE, WE KEEP
MOVING TOWARD IT.

December 15

We have the courage to
stick our necks out first.

December 16

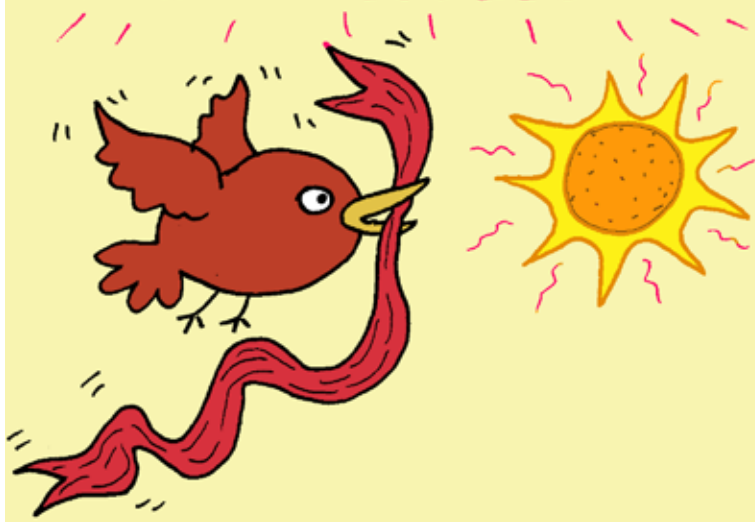

We find meaning by dedicating
our lives to something
larger than ourselves.

December 17

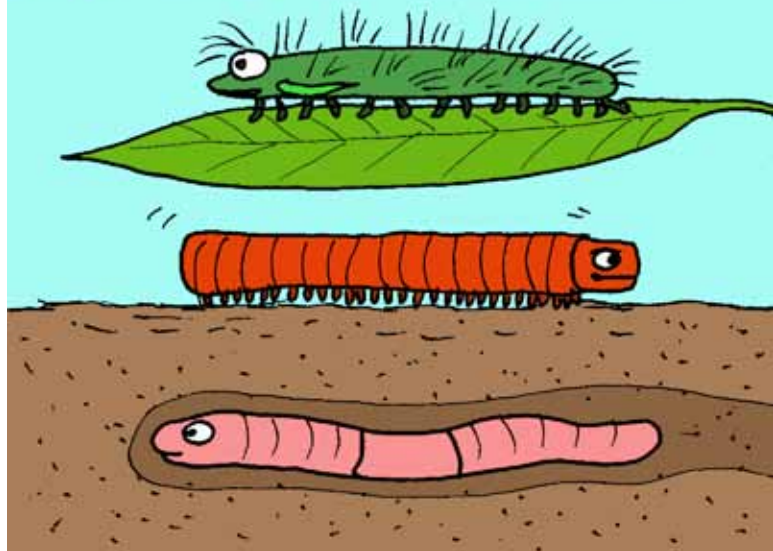

It's a great honor to give
our lives to the cause of

EMANCIPATION.

December 18

OUR BEST FRIENDS ARE
OUR COMRADES, INCLUDING
ALL THE ONES WE DON'T KNOW.

December 19

WE ARE UNWAVERING
IN OUR AIM.

December 20

We cultivate constructive habits that support our goals.

December 21

WE HAVE THE UNYIELDING
WILL TO **WIN**.

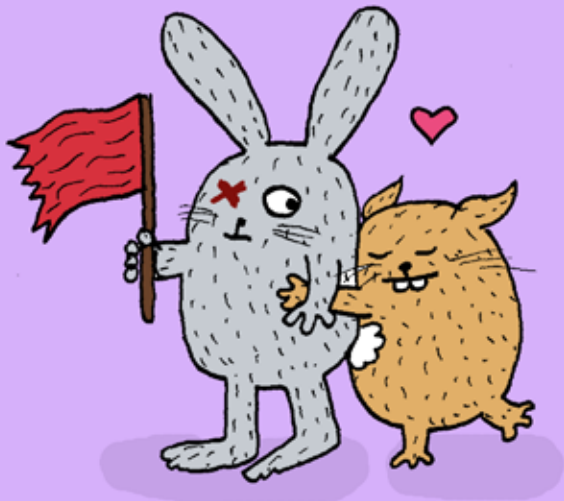

December 22

Trust is built through
common practice, over
TIME.

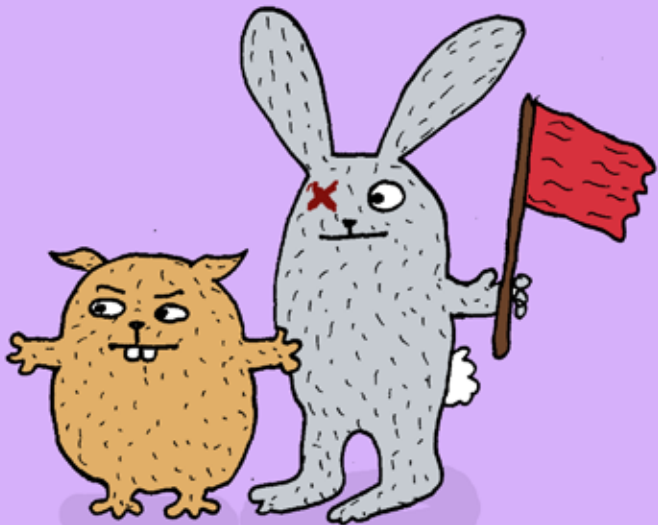

December 23

We love and respect our
Comrades. Without them,
we are powerless.

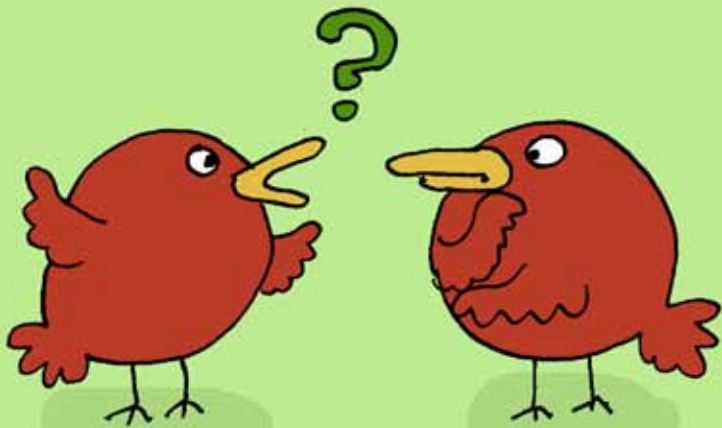

December 24

We'd rather die than
betray our comrades.

December 25

Sincere questions and
concerns deserve a
thoughtful response.

December 26

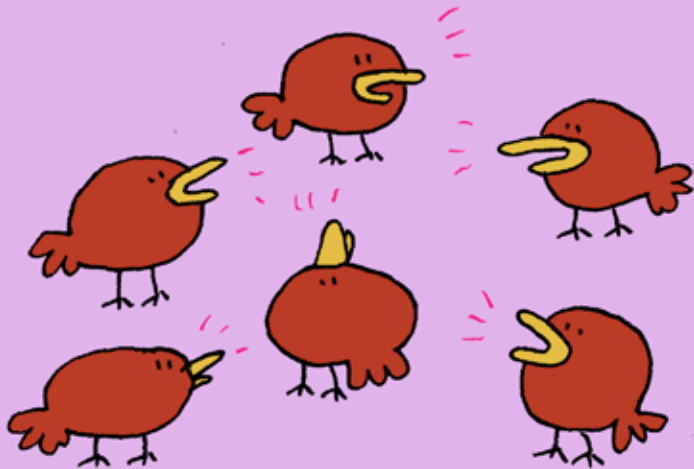

IF someone decides not to be
close to us because of our
political orientation...

... we let them go
without resentment.

December 27

In our organizations, we
Collectivize our knowledge,
experiences, and analysis.

December 28

As long as anyone is
exploited, dominated and
oppressed, WE WILL NOT
REST in our STRUGGLE
for EMANCIPATION!

December 29

WHAT WE DO TODAY
MATTERS.

December 30

WE WILL FIGHT TO
OUR LAST BREATH.

December 31
